## **The Kingdom Of Saint James A Narrative Of The Mor:**

**The Kingdom of Saint James** Milo Milton Quaife, 1930      *Religion and Sexuality* Lawrence Foster, 1981 Most writers have treated these three groups and the social ferment out of which they grew as simply an American sideshow In this book therefore I have attempted to go beyond the conventional focus on what these groups did I have also sought to explain why they did what they did and how successful they were in terms of their own objectives By trying sympathetically to understand these extraordinary experiments in social and religious revitalization I believe it is possible to come to terms with a broader set of questions that affect all men and women during times of crisis and transition From the preface Winner of the Best Book Award Mormon History Association      **Excavating Mormon Pasts** Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century      *Catalog of the Yale Collection of Western Americana* Yale University. Library. Western Americana Collection, 1961      **Prologue** , 1969      [The Lost Kingdom of Anian Regnum: The Mystery of Ancient British Columbia, Canada](#) Wayne C. Hannis, 2021-07-17 The Lost Kingdom of Anian Regnum The Mystery of Ancient British Columbia Canada An Alternative History Article on the History of British Columbia Canada There is a mystery about British Columbia Canada a historical mystery that is just as significant as any other historical mystery in our past No one remembers the story of Ancient British Columbia and we are not taught about it in school Not so long ago Anian Regnum was inscribed on all the oldest maps searched for by the Explorers of Old believed by those who came after and spoken of in written history by respected Historians This unknown place of Anian Regnum was shown to be established within the mountains of British Columbia before it was British Columbia but it is now forgotten in time and disregarded as myth Could it be possible that Anian Regnum did exist and might we begin to assemble the fragmented annals of our written history to find the Lost Kingdom      [A Vanished World](#) Christopher Lowney, 2012-12-04 In a world troubled by religious strife and division Chris Lowney's vividly written book offers a hopeful historical reminder Muslims Christians and Jews once lived together in Spain creating a centuries long flowering of commerce culture art and architecture In 711 a ragtag army of Muslim North Africans conquered Christian Spain and launched Western Europe's first Islamic state In 1492 Ferdinand and Isabella vanquished Spain's last Muslim kingdom forced Jews to convert or emigrate and dispatched Christopher Columbus to the New World In the years between Spain's Muslims Christians and Jews forged a golden age for each faith and distanced Spain from a Europe mired in the Dark Ages Medieval Spain's pioneering innovations touched every dimension of Western life Spaniards introduced Europeans to paper manufacture and to the Hindu Arabic numerals that supplanted the Roman

numeral system Spain's farmers adopted irrigation technology from the Near East to nurture Europe's first crops of citrus and cotton Spain's religious scholars authored works that still profoundly influence their respective faiths from the masterpiece of the Jewish kabbalah to the meditations of Sufism's greatest master to the eloquent arguments of Maimonides that humans can successfully marry religious faith and reasoned philosophical inquiry No less astonishing than medieval Spain's wide ranging accomplishments was the simple fact its Muslims Christians and Jews often managed to live and work side by side bestowing tolerance and freedom of worship on the religious minorities in their midst A Vanished World chronicles this impossibly panoramic sweep of human history and achievement encompassing both the agony of jihad Crusades and Inquisition and the glory of a multicultural civilization that forever changed the West One gnarled root of today's religious animosities stretches back to medieval Spain but so does a more nourishing root of much modern religious wisdom

**Escape Utopia: Communal Movement America** Everett Webber, 1959 *The Kingdom of the Yellow Robe* Ernest Young, 1898 The following pages are intended to present to the reader an account of the domestic and religious rites and ceremonies of the Siamese They are the outcome of several years residence in the Capital of Siam In order to verify some of my own observations or to amplify some points with regard to which my own knowledge was rather scanty I have consulted most of the books which in recent years have been published concerning the country of Siam I am particularly indebted to the works of two writers whose knowledge was both wide and deep viz H Alabaster whose *Wheel of the Law* deals with Siamese Buddhism and Captain Gerini whose various monographs on domestic or religious customs are full of valuable and reliable information concerning their misty origin and meaning I must also acknowledge my indebtedness to *The Siam Repository* a weekly paper long since extinct but whose pages are a treasure house of information to the enquirer and to my friend Mr R L Morant for much helpful criticism and advice

*Volume 3, The City of Jerusalem* Denys Pringle, 1993 This is the third in a series of four volumes that are intended to present a complete Corpus of all the church buildings of both the Western and the Oriental rites built rebuilt or simply in use in the Crusader Kingdom of Jerusalem between the capture of Jerusalem by the First Crusade in 1099 and the loss of Acre in 1291 This volume deals exclusively with Jerusalem the capital of the Kingdom from 1099 to 1187 leaving the churches of Acre and Tyre to be covered in the fourth and final volume The Corpus will be an indispensable work of reference to all those concerned with the medieval topography and archaeology of the Holy Land with the history of the church in the Crusader

Kingdom of Jerusalem with medieval pilgrimage to the Holy Places and with the art and architecture of the Latin East
