The Labour Party In Wales 1900 2000:

The Labour governments 1964-1970 volume 1 Steven Fielding, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book looks at how the British Labour Party came to terms with the 1960 s cultural revolution specifically changes to the class structure place of women black immigration the generation gap and calls for direct political participation *Dictionary of Labour Biography* Keith Gildart, David Howell, 2020-01-31 The Dictionary of Labour Biography has an outstanding reputation as a reference work for the study of nineteenth and twentieth century British history Volume XV maintains this standard of original and thorough scholarship Each entry is written by a specialist drawing on an array of primary and secondary sources The biographical essays engage with recent historiographical developments in the field of labour history The scope of the volume emphasises the ethnic and national diversity of the British labour movement and neglected political traditions *Unionism in the United Kingdom, 1918-1974* P. Ward, 2005-03-01 This book examines the range and complexity of unionist political identities ideas and beliefs in the non English parts of the United Kingdom in the mid twentieth century It discusses the careers of eight politicians from Scotland Wales and Northern Ireland and uncovers the varieties of unionism that held the multi national UK together Challenging the idea that Britain was in the process of breaking up it argues that the Union provided a focus for loyalty in the United Kingdom that contributed to the continuing formation of identities of Britishness **The Labour Governments 1964-1970** Peter Dorey, 2006-04-18 The book re evaluates the 1964 1970 Labour Governments with regard to its economic social constitutional and foreign policies **A Companion to Early Twentieth-Century Britain** Chris Wrigley, 2008-04-15 This Companion brings together 32 new essays by leading historians to provide a reassessment of British history in the early twentieth century The contributors present lucid introductions to the literature and debates on major aspects of the political social and economic history of Britain between 1900 and 1939 Examines controversial issues over the social impact of the First World War especially on women Provides substantial coverage of changes in Wales Scotland and Ireland as well as in England Includes a substantial bibliography which will be a valuable guide to secondary sources **The Labour Governments 1964-70, Volume 1** Steven Fielding, 2003 This book looks at how the British Labour Party came to terms with the 1960 s cultural revolution specifically changes to the class structure place of women black immigration the generation gap and calls for direct political participati **Labour Inside the Gate** Matthew Worley, 2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes Its campaigning cartoon which gives this book its title showed the party wielding an axe towards the gates of Parliament cutting through the special interests protecting the old system to aid the working classes What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force The inter war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government At the end of the Great War 1914 1918 Labour had

a developing national organisation and a fledgling constitution By 1922 it rivalled the war ravaged Liberals as the party of opposition a fact that was affirmed with the formation of the first minority Labour government in January 1924 The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression but the organisational basis of the party remained solid allowing Labour to reinvent itself over the 1930s By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945 Matthew Worley has written the first study dedicated solely to this crucial period in Labour s development In an accessible style he provides a comprehensive account of all aspects of the movement Using a wide range of sources he explores this often marginalised period in Labour s history both looking at the parliamentary party and the growing network of constituency parties Worley s approach unites high politics and issues that cross local and national boundaries He combines policy social history and economics with broader themes such as gender and culture Labour inside the Gate will appeal to students and scholars as well as all those interested in Labour s history Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government Labour's Grass Roots Matthew Worley,2017-11-28 The period between 1918 and 1945 witnessed dynamic social and economic developments in Britain as the notion of a government controlled economy and welfare state took root In order to be understood this shift in the political landscape needs to be seen in context of the growth of mass political movements and the implementation of fuller democratic processes in the aftermath of the Great War But whilst much has been written on the rise of the Labour Party the decline of the Liberals and the domination of the Conservatives in the sphere of high politics much less research has been done on the local or regional experience of Britain s main political parties between the wars This volume brings together ten essays that together provide an introduction to the role influence and effectiveness of Labour Party activists across Britain Taking a systematic and comparative approach that examines a range of representative areas this volume is more than simply a collection of local studies Instead it utilises the local to develop and illuminate the wider dynamics at work inside the Labour Party By emphasising the role of the party membership Britain s social and political evolution can be reconstructed from grass roots level taking into account the priorities and expectations of the people who sustained and cultivated the nation s social political base By addressing reoccurring issues of interest to labour historians such as gender nationalism the co operative movement and trade unionism through the locus of regionalism and local party activity this volume will not only provide scholars with a better understanding of the Labour Party but should stimulate similar much needed research into other political parties and organisations **Labour and the politics of Empire** Neville Kirk,2017-02-01 This is a pathbreaking comparative and trans national study of the neglected influences of nation empire and race upon the development and electoral fortunes of the Labour Party in Britain and the Australian Labor Party from their formative years of the 1900s to the elections of 2010 Based upon extensive primary and secondary source based research in Britain and

Australia over several years it makes a new and original contribution to the fields of labour imperial and British world history The book offers the challenging conclusion that the forces of nation empire and race exerted much greater influence upon Labour politics in both countries than suggested by traditionalists and revisionists alike The book will appeal to undergraduates postgraduates scholars in history and politics and all those interested in and concerned with the past present and future of Labour politics in Britain Australia and more generally Minnie Pallister Alun Burge,2024-09-01 Minnie Pallister is one of those women who has been woefully missing from Welsh history Now she is rightfully restored to her position as a significant figure in twentieth century women s and labour activism thanks to Alun Burge s meticulous research and compelling account of her courageous life story Read on Angela V John Minnie Pallister s life was so fantastic that not even a thriller writer could imagine it A feminist pacifist and socialist she was twice accused of sedition in the First World War before travelling to Nazi Germany in late 1938 and 1939 to rescue Jews helping bring them to Britain at the outbreak of the Second World War In between having reached national prominence in the labour movement in which she was considered the best woman orator and with a Parliamentary career beckoning she was struck down by an illness which cruelly robbed her of speech Suffering years of paralysing infirmity which reduced her to the edge of penury she eventually recovered to become a successful journalist with the Daily Mirror and the Daily Herald Fearless and principled and always challenging not least in advocating gender equality Pallister was initially barred from a position with the BBC because of her socialist politics and later twice banned by the Corporation first for her pacifist then her feminist politics An outstanding broadcaster who became for a time a household name she was a regular contributor to Woman s Hour and as an advocate of women s rights from the 1920s to the 1950s she was a forerunner of the Women s Liberation Movement Pallister was such a compelling figure that her Life Story was serialised on radio over five days during her lifetime **The great Labour unrest** Lewis Mates,2016-05-01 The Great Labour Unrest examines the struggle between liberals socialists and revolutionary syndicalists for control of Britain s best established district miners union Drawing widely on a vast and rich body of primary sources this study reveals the debates that grassroots activists had during the fascinating and turbulent Great Labour Unrest period It charts the contexts in which the socialists challenged the union s Liberal leaders from the late 1890s and considers the complex strikes in 1910 against the implementation of the Liberal government s miners eight hour day It analyses the emergence and development of a mass rank and file movement in the coalfield based around demands for a miners minimum wage and when this principle was won in March 1912 for an improved minimum wage This book is of interest to academics advanced students and lay people interested in political social and economic history political thought economics and industrial relations **Dictionary of Labour Biography** K. Gildart,D. Howell,2016-04-30 Volume XIII of the Dictionary of Labour Biography maintains the standard of original and thorough scholarship for which the series has earned its outstanding reputation A unique study of nineteenth and twentieth century British history each entry is written by a

specialist and engages with recent developments in the field of labour history **Considering Conservative Women in the Gendering of Modern British Politics** Clarisse Berthezène, Julie V. Gottlieb, 2020-12-17 This volume examines how the British Conservative Party has appealed to women the roles that women have played in the party and the tense relationship between women's activism on the Right and feminism Covering the period since the early 20th century the contributions each question assumptions about the reactionary response of the British Right Margaret Thatcher's party to women's issues and to their political aspirations How have women been mobilized by the Conservative Party What kind of party appeals has the British Conservative Party designed to attract women as party workers and as voters Developing successful strategies to attract women voters since 1918 and appealing to certain notional women's issues and having produced the only two women Prime Ministers of the UK the Conservative Party has its own special relationship with women in the modern period The shifting status of women and opportunities for women in politics in modern Britain has been garnering more scholarly attention recently and the centenary of women's partial suffrage in 1918 and Astor 100 in 2019 has done much to excite wider attention and public interest in these debates However the role of Conservative women has too often been seen as problematic especially because of general assumption that feminism is only allied to leftist movements and political positions This volume explores these themes through a range of case studies covering the period from the early 20th to the 21st century The chapters in this book were originally published as a special issue of the journal *Women's History Review*

Territorial Politics and Health Policy Scott L. Greer, 2004 This study identifies the different combinations of market profession management and civil society that England Northern Ireland Scotland and Wales chose in their efforts to provide health services to all It explains why these four health systems despite facing similar pressures and opportunities have developed dramatically different health policy trajectories *The Passing of Protestant England* S. J. D. Green, 2011 An important account of the causes courses and consequences of the secularisation of modern English society **Disabled Children** Anne Borsay, 2015-10-06 This volume of essays attempts to identify the shared experiences of disabled children and examine the key debates about their care and control The essays follow a chronological progression while focusing on the practices in a number of different countries **Women and Citizenship in Britain and Ireland in the 20th Century** Esther Breitenbach, Pat Thane, 2010-05-06 The continuing under representation of women in political and public life remains a matter of concern across a wide range of countries including the UK and Ireland Within the UK it is a topical issue as political parties currently debate strategies often controversial which will increase women's representation At the same time devolution has ushered in significant change in the level of women's representation in Scotland and Wales and improved representation for women in Northern Ireland That such increases in women's representation in political institutions have been slow in coming is indisputable given that full enfranchisement of women on equal terms with men was achieved in Ireland in 1921 and in the UK in 1928 **Rethinking Labour's Past** Nathan Yeowell, 2022-01-13 The Labour Party after

Jeremy Corbyn is charting a new direction Here Nathan Yeowell has brought together a remarkable array of contributors to provide expert insight into twentieth century British history and Labour politics and how they might shape thinking about Labour s future Reframing the span of Labour history and its effects on contemporary British politics the book provides fresh thinking and analysis of various traditions themes and individuals These include the shifting significance of 1945 the need for more grounded interpretations of Tony Blair s legacy and the enduring importance of place identity and aspiration to the evolution of the party Contributions from leading historians such as Patrick Diamond Steven Fielding Ben Jackson Glen O Hara and Florence Sutcliffe Braithwaite are supplemented by those with experience of Labour electoral politics such as Rachel Reeves and Nick Thomas Symonds The result is an intellectually rich and politically relevant roadmap for Labour s future

Understanding the Roots of Voluntary Action Colin Rochester,2011 Draws on a range of empirical studies of aspects of the history of voluntary action This title includes chapters that range across two centuries and a variety of fields of activity geographical areas and organisational forms

Harold Wilson Andrew S. Crines,Kevin Hickson,2016-03-11 This year marks the centenary of Harold Wilson s birth the fiftieth anniversary of his most impressive general election victory and forty years since his dramatic resignation as Prime Minister He was one of the longest serving premiers of the twentieth century having won a staggering four general elections yet despite this monumental record his place in Labour s history remains somewhat ambiguous By the end of his two periods in power both the left and right of the party were highly critical of Wilson the former regarding him as a traitor to socialism the latter as contributing directly to British decline With contributions from leading experts in the fields of political study and from Wilson s own contemporaries this remarkable new study offers a timely and wide ranging reappraisal of one of the giants of twentieth century politics examining the context within which he operated his approach to leadership and responses to changing social and economic norms the successes and failure of his policies and how he was viewed by peers from across the political spectrum Finally it examines the overall impact of Harold Wilson on the development of British politics

This is likewise one of the factors by obtaining the soft documents of this **The Labour Party In Wales 1900 2000** by online. authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Labour Party In Wales 1900 2000 full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Labour Party In Wales 1900 2000 eBooks, including some popular titles.

FAQs About The Labour Party In Wales 1900 2000 Books

What is a The Labour Party In Wales 1900 2000 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Labour Party In Wales 1900 2000 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Labour Party In Wales 1900 2000 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Labour Party In Wales 1900 2000 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Labour Party In Wales 1900 2000 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
