Barlow, Harold J. Fine, Marilyn R. Pollio, 2023-10-01 In this volume originally published in 1977 the authors describe the
relevance of figurative language for the psychology of language and present a methodological approach best described as
naturalistic in orientation The first section presents the idea of figurative language in terms of linguistic aesthetic and
philosophical background Also included is a description of empirical techniques used to assess figurative language and
findings from an analysis of widely differing spoken and written contexts The second section of this volume deals with the
occurrence and significance of figurative language within the specific context of psychotherapy The use of such language is
shown to be crucial in patient insight The third section deals with children their understanding and use of figurative
expressions specifically within the school Here is a volume that was an outstanding addition to the literature at the time and
