#### The Land Beyond The River:

Land Beyond the River Monica Whitlock, 2014-05-27 Along the banks of the river once called Oxus lie the heartlands of Central Asia Uzbekistan and Tajikistan Catapulted into the news by events in Afghanistan just across the water these strategically important intriguing and beautiful countries remain almost completely unknown to the outside world In this book Monica Whitlock goes far beyond the headlines Using eyewitness accounts unpublished letters and firsthand reporting she enters into the lives of the Central Asians and reveals a dramatic and moving human story unfolding over three generations There is Muhammadjan called Hindustani a diligent seminary student in the holy city of Bukhara until the 1917 revolution tore up the old order Exiled to Siberia as a shepherd and then conscripted into the Red Army he survived to become the inspiration for a new generation of clerics Henrika was one of tens of thousands of Poles who walked and rode through Central Asia on their way to a new life in Iran where she lives to this day Then there were the proud Pioneer children who grew up in the certainty that the Soviet Union would last forever only to find themselves in a new world that they had never imagined In Central Asia the extraordinary is commonplace and there is not a family without a remarkable story to tell Land Beyond the River is both a chronicle of a century and a clear eyed authoritative view of contemporary events Land **Beyond the River** Loften Mitchell,1963 When the television production of Roots exploded on the educational scene it brought about a tremendous interest in the history of Blacks in America This play offers a different look at the same struggle for freedom It is based on the true story of the integration movement in education Although rich in gentle humor the play builds to a violent and frightening climax This outstanding play was selected by the Houghton Mifflin Company as part of their Afro American Literature series Little Ernest, Or, The Land Beyond the River, 1859 The Land Beyond the Sea Sharon Kay Penman, 2021-03-02 From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army The Kingdom of Jerusalem also known as Outremer is the land far beyond the sea Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century the kingdom defined an utterly new world a land of blazing heat and a medley of cultures a place where enemies were neighbors and neighbors became enemies At the helm of this growing kingdom sits young Baldwin IV an intelligent and courageous boy committed to the welfare and protection of his people But despite Baldwin's dedication to his land he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle As political deception scours the halls of the royal court the Muslim army led by the first sultan of Egypt and Syria Saladin is never far from the kingdom's doorstep and there are only a handful Baldwin can trust including the archbishop William of Tyre and Lord Balian d Ibelin a charismatic leader who has been one of the few able to maintain the peace Filled with drama and battle tragedy and romance Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today The
