

THE LAND QUESTION IN PALESTINE, 1917-1939

by Kenneth W. Stein

The Land Question In Palestine 1917 1939

Aida Essaid

The Land Question In Palestine 1917 1939:

The Land Question in Palestine, 1917-1939 Kenneth W. Stein, 1984 The control of land remains the crucial issue in the Arab Israel conflict Kenneth Stein investigates in detail and without polemics how and why Jews acquired land from Arabs in Palestine during the British Mandate and he reaches conclusions that are challenging and suprising Stein contends that Zionists were able to purchase the core of a national territory in Palestine during this period for three reasons they had the single mindedness of purpose as well as the capital to buy the land the Arabs economically impoverished politically fragmented and socially atomized were willing to sell the land and the British were largely ineffective in regulating land sales and protecting Arab tenants Neither Arab opposition to land sales nor British attempts to regulate them actually limited land acquisition There were always more Arab offers to sell land than there were Zionist funds In fact many sales were made by Arab politicians who publicly opposed Zionism and even led agitation against land acquisition by Jews Zionists furthered their own ambitions by skillfully using their understanding of the bureaucracy to write laws and to influence key administrative appointments Further they knew how to take advantage of social and economic cleavages within Arab society Based primarily on archival research *The Land Question in Palestine 1917 1939* offers an unusually balanced analysis of the social and political history of land sales in Palestine during this critical period It provides exceptional and essential insight into one of the most troubling conflicts in today s world *The Land Question in Palestine, 1917-1939* Kenneth W. Stein, *Zionism and Land Tenure in Mandate Palestine* Aida Essaid, 2013-12-04 A fundamental aspect of the conflict between Palestinians and Israelis is the territorial dispute which began long before the State of Israel was established Analysing the land tenure system in Palestine under the administration of the British Mandate this book questions whether and to what extent the land tenure system in Palestine facilitated Zionist land acquisition The research uses benchmarks elaborated in the guidelines of the United Nations Human Settlements Programme as its analytical starting point and looks at the formation and implementation of the land tenure system in Palestine It goes on to place the penetration of Zionism into the land tenure system within the theoretical context of a colonial settler framework employing information from land registry records located at the Jordanian Department of Lands Providing a political historical analysis of the land tenure system from the end of Ottoman Rule until the end of the British Mandate this book will be of interest to scholars and students of Middle Eastern History Imperial and Colonial History and Middle Eastern Politics **The British Mandate in Palestine** Michael J Cohen, 2020-02-18 The British Mandate over Palestine began just 100 years ago in July 1920 when Sir Herbert Samuel the first British High Commissioner to Palestine took his seat at Government House Jerusalem The chapters here analyse a wide cross section of the conflicting issues social political and strategical that attended British colonial rule over the country from 1920 to 1948 This anthology contains contributions by several of the most respected Israeli scholars in the field Arab Druze and Jewish It is divided into three sections covering the differing perspectives of the main actors in the Palestine Triangle the

British the Arabs and the Zionists The concluding chapter identifies a pattern of seven counterproductive negotiating behaviours that explain the repeated failure of the parties to agree upon any of the proposals for an Arab Zionist peace in Mandated Palestine The volume is a modern review of the British Mandate in Palestine from different perspectives which makes it a valuable addition to the field It is a key resource for students and scholars interested in international relations history of the Middle East Palestine and Israel

A History of the Israeli-Palestinian Conflict Mark Tessler, 2009-03-24 Mark Tessler's highly praised comprehensive and balanced history of the Israeli Palestinian conflict from the earliest times to the present updated through the first years of the 21st century provides a constructive framework for understanding recent developments and assessing the prospects for future peace Drawing upon a wide array of documents and on research by Palestinians Israelis and others Tessler assesses the conflict on both the Israelis and the Palestinians terms New chapters in this expanded edition elucidate the Oslo peace process including the reasons for its failure and the political dynamics in Israel the West Bank and Gaza at a critical time of transition

The Palestinian Peasant Economy Under the Mandate Amos Nadan, 2006 Challenging the claim that Palestine's peasant economy progressed during the 1920s and 1930s Amos Nadan skillfully integrates a wide variety of sources to demonstrate that the period was actually one of deterioration on both the macro per capita and micro levels The economy would have most likely continued its downward spiral during the 1940s had it not been for the temporary prosperity that resulted from World War II Nadan argues that this deterioration continued despite the British authorities channeling of funds from the Jewish sector and the wealthier Arab sectors into projects for the Arab rural economy The British were hoping that Palestine's peasants would not rebel if their economic conditions improved These programs were on the whole defective because the British chose programs based on an assumption that the peasants were too ignorant to manage their farms wisely instead of working with the peasants and their own institutions

A Concise History of the Middle East Ibrahim Al-Marashi, Arthur Goldschmidt Jr., 2024-10-07 A Concise History of the Middle East provides a comprehensive introduction to the history of this region Spanning from the pre Islamic era to the present it explores the evolution of Middle Eastern institutions and culture the influence of European colonialism and Western imperialism regional modernization efforts the struggle of various peoples for political independence the Arab Israeli conflict the reassertion of Islamist values and power the issues surrounding the Palestinian Question and the Middle East following 9 11 the 2011 Arab uprisings and the regional crisis that erupted after 7 October 2023 The thirteenth edition has been fully revised to reflect the most recent events in and concerns of the region including its future in the face of climate change and challenges in Iraq and developments in the Israeli Palestinian conflict In addition the important role of Middle Eastern women in the history of the region is woven into the narrative New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and a new concluding chapter this book remains the quintessential text for students of Middle East history

Major Farran's Hat David

Cesarani,2009-08-11 From the author of Becoming Eichmann a captivating true life murder mystery of violence and cover ups casting new light on the birth of the State of Israel Negotiating Arab-Israeli Peace Laura Zittrain Eisenberg,Neil Caplan,1998 In an innovative study two historians of the Arab Israeli conflict reflect on what their craft can contribute to peacemaking Middle East Quarterly A fine overview of the troubled Arab Israeli negotiations since Camp David filled with sound analysis and a wealth of documentary material Students and diplomats alike will benefit from this thoughtful study William B Quandt Byrd Professor of Government and Foreign Affairs University of Virginia This timely book will be invaluable for students of Middle East international relations and for policy makers who seek a mutually acceptable resolution of this protracted conflict Michael Brecher McGill University No matter where one stands on the issues this valuable work commends itself to students peace makers and anyone concerned about the Arab Israeli conflict and its peaceful resolution Philip Mattar Institute for Palestine Studies Eisenberg and Caplan offer the reader lessons of the past and sound guidance for the present and the future a well researched and well written book Itamar Rabinovich Tel Aviv University What must change before the Arab Israeli conflict is resolved diplomatically By illuminating recurring factors that seem to doom peacemaking Negotiating Arab Israeli Peace offers a fresh interpretation of how when and why the process does and does not work and points to diplomatic strategies that may produce an enduring peace The Jewish World In Modern Times Abraham J Edelheit,Hershel Edelheit,2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods **Zionism and the Creation of a New Society** Ben Halpern,Jehuda Reinharz,1998 In particular Zionism and the Creation of a New Society reflects upon Israel s existence as both a state and a social structure a place conceived before its birth as a means of solving a particular social malady the modern Jewish Problem International History of the Twentieth Century Antony Best,2004 Using their thematic and regional expertise four prominent authors have produced an authoritative yet accessible account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas **The Middle East** Keshav Bhattarai,Mahmoud Yousef,2025-03-10 The Middle East and North Africa MENA region stands as a remarkable crossroads of tradition and modernity shaped by millennia of history under empires colonial powers and global influences This book unpacks the intricate dynamics of the region examining how historical resource exploitation border manipulation and cultural impositions have profoundly impacted its languages traditions and geopolitical identity The rich tapestry of Arabic Farsi Kurdish and regional dialects reflects a deep cultural resilience that has resisted globalization often

fueled anti Western sentiments and prioritized the preservation of heritage over rapid economic development Central to the region s geopolitical importance is its vast oil wealth which has positioned MENA as a cornerstone of the global energy market and a continuous focus of Western interest This book explores how oil exploitation has economically empowered the region while simultaneously fostering political tension external interventions and instability As the global shift toward green technologies accelerates the book examines how this transition might redefine MENA s role in the global energy market offering both challenges and opportunities for transformation These dynamics unfold against the backdrop of water scarcity and a scorching inhospitable climate that further complicates the region s path forward Grounded in real life case studies and an interdisciplinary blend of historical cultural and economic analysis this book offers an unparalleled exploration of the MENA region s past present and future in the context of advanced technological development Co authored by a Palestinian native it brings a unique perspective by dissecting ongoing identity crises through unbiased insights and true life conversations with individuals who have embraced diverse religious and political ideologies By intertwining these narratives with the region s deeply rooted cultural practices the book presents a compelling human lens to understand MENA s complexities This rare and thought provoking study seamlessly balances traditional and modern perspectives emphasizing the MENA region s pivotal role at the intersection of Western powers and the Global South For readers seeking to grasp the intricate dynamics of a region that continues to influence and adapt to an ever changing global order this book serves as an indispensable resource

Jews and the Law Ari Mermelstein, Victoria Saker Woeste, Ethan Zadoff, Marc

Galanter, 2014-06-10 Jews are a people of law and law defines who the Jewish people are and what they believe This anthology engages with the growing complexity of what it is to be Jewish and more problematically what it means to be at once Jewish and participate in secular legal systems as lawyers judges legal thinkers civil rights advocates and teachers The essays in this book trace the history and chart the sociology of the Jewish legal profession over time revealing new stories and dimensions of this significant aspect of the American Jewish experience and at the same time exploring the impact of Jewish lawyers and law firms on American legal practice This superb collection reveals what an older focus on assimilation obscured Jewish lawyers wanted to make it but they also wanted to make law and the legal profession different and better These fascinating essays show how despite considerable obstacles they succeeded Daniel R Ernst Professor of Law Georgetown University Law Center Author of Tocqueville s Nightmare The Administrative State Emerges in America 1900 1940 This fascinating collection of essays by distinguished scholars illuminates the distinctive and intricate relationship between Jews and law Exploring the various roles of Jewish lawyers in the United States Germany and Israel they reveal how the practice of law has variously expressed reinforced or muted Jewish identity as lawyers demonstrated their commitments to the public interest social justice Jewish tradition or personal ambition Any student of law lawyers or Jewish values will be engaged by the questions asked and answered Jerold S Auerbach Professor Emeritus of History Wellesley College Author of

Unequal Justice and Rabbis and Lawyers Whose Holy Land? Michael Wolffsohn, 2021-10-15 This book explains the historical roots of the conflict between Jews and Arabs which has lost none of its explosiveness to the present day in a comprehensive and easy to understand manner The question of who owns the Holy Land is more relevant today than ever The debates on this topic are often characterized by ignorance and strong emotions while partiality and power interests still obscure the view on the political situation in the Middle East Shaking up old myths and prejudices this book presents an overall historical as well as political analysis of the Jewish Christian and Muslim structures actors and actions from the very beginning to this very day as well as a topical analysis It combines history with theology and political science Thus the book is a must read for scholars and students of political science history and international relations as well as policy makers interested in a better understanding of the historical background and current political situation in the Middle East

Identity of England Robert Colls, 2002-06-20 The English stand now in need of a new sense of home and belonging a reassessment of who they are This is a history of who they were written from the perspective of the twenty first century It begins by considering how the English state identified an English nation which from very early days seems to have seen itself as not simply the creature of state or king It considers also how in modern times the English nation survived shattering revolutions in technology urban living and global conflict while at the same time retaining a softer more human vision of themselves as a people in touch with their nature and their land They claimed that there was more to living in England than work and wages there was more to running a vast empire than just exploiting it For all its faults and inequalities they identified with their state For all their shortcomings they were confident of their place in history As little as forty years ago these ideas were not much in doubt Though vague and often contradictory they held together as the English people held together as a whole Indeed Englishness was hardly recognized as a subject for analysis except perhaps in a rather ironic and self mocking vein But now the national question is back and history is at the top of the agenda From a rich store of historical memory and possibility Robert Colls connects the identity of England in the past with the changing and uncertain identity of England today **Kicking the Hornet's Nest** Daniel E Zoughbie, 2025-10-07 The compelling groundbreaking investigation of how the choices of twelve US presidents from Truman to Trump have fueled turbulence and turmoil in the Middle East And the one president who chose a better way Kicking the Hornet's Nest is a riveting exploration of how twelve US presidents have shaped the Middle East often unleashing instability and conflict along the way It is also the story of one US president who successfully charted a better course From Truman to Trump Daniel Zoughbie meticulously unpacks the decisions that have set the stage for today's unrest But this book is more than just a history lesson it's a sharp analysis of presidential decision making and its far reaching consequences Today the Middle East stands as a volatile landscape more tumultuous than at any time since the fall of the Ottoman Empire Zoughbie paints a vivid picture of how nearly every major nation state in the Middle East and North Africa has grappled with existential crises in the recent years paving the way for terrorist

groups to threaten national sovereignty and for local conflicts to destabilize world order Drawing on a vast array of primary sources and interviews with world leaders the narrative explores pressing issues like nuclear proliferation genocide and nationalist conflicts fueled by sectarian fervor that have triggered global refugee waves Kicking the Hornet's Nest is an eye opening study of US presidential decision making and foreign policy With compassion and insight Zoughbie reveals the essential information necessary for anyone seeking to understand eight decades of US foreign policy and its profound impact on billions of lives worldwide

The Rise and Fall of a Palestinian Dynasty Ilan Pappé, 2010 In this deeply researched political biography Ilan Pappé traces the rise of the Husayni family of Jerusalem who dominated Palestinian history from the early 1700s until the second half of the twentieth century Viewing this sweeping saga through the prism of one family the book sheds new light on crucial events the invasion of Palestine by Napoleon the decline of the Ottoman Empire World War I western colonialism and the advent of Zionism and provides an unforgettable picture of the Palestinian tragedy in its entirety The Rise and Fall of a Palestinian Dynasty is the history of Palestinian politics before national movements and political parties at the height of the Husaynis influence positions in Jerusalem and Palestine could only be obtained through the family's power base In telling the story of one family the book highlights the continuity between periods customarily divided into pre modern and modern pre Zionist and Zionist illuminating history as it was actually lived

Printing Class R. Michael Bracy, 2011 This book explores the manners and challenges in which alternating constructions of national identity were articulated in the writings of Issa al Issa and his newspaper Filastin The time period under consideration will be limited to Issa's work between 1911 and 1931

Essential Papers on Zionism Jehuda Reinharz, Anita Shapira, 1996 Zionism more than any other social and political movement in the modern era has completely and fundamentally altered the self image of the Jewish people and its relations with the non Jewish world As the dominant expression of Jewish nationalism Zionism revolutionized the very concept of Jewish peoplehood taking upon itself the transformation of the Jewish people from a minority into a majority and from a diaspora community into a territorial one Bringing together for the first time the work of the most distinguished historians of Zionism and the Yishuv pre state Israeli society many never before translated into English this volume offers a comprehensive treatment of the history of Zionism The contributions are diverse examining such topics as the ideological development of the Jewish nationalist movement Zionist trends in the Land of Israel and relations between Jews Arabs and the British in Palestine Contributors include Jacob Katz Shmuel Almog Yosef Salmon David Vital Steven J Zipperstein Michael Heymann Jonathan Frankel George L Berlin Israel Oppenheim Gershon Shaked Joseph Heller Hagit Lavsky and Bernard Wasserstein
