The Land That Drank The Rain:

The Epistle to the Hebrews. A Justification of Its National Title and Character, and an Exposition of Controverted Passages in Conformity Therewith. The Donnellan Lectures, Preached Before the University of Dublin, in the Years 1871 & 1872 John Leech (M.A.), 1874 The Epistle to the Hebrews. Donellan lects., 1871 and 1872 John Leech (M.A.), 1874

The Epistle to the Hebrews Gareth Lee Cockerill, 2012-04-12 This commentary by Gareth Lee Cockerill offers fresh insight into the Epistle to the Hebrews a well constructed sermon that encourages its hearers to persevere despite persecution and hardships in light of Christ's unique sufficiency as Savior Cockerill analyzes the book's rhetorical chiasmic shape and interprets each passage in light of this overarching structure He also offers a new analysis of the epistle's use of the Old Testament continuity and fulfillment rather than continuity and discontinuity and shows how this consistent usage is relevant for contemporary biblical interpretation Written in a clear engaging and accessible style this commentary will benefit pastors laypeople students and scholars alike An American Commentary on the New Testament, 1890 **The Expositor's Bible Commentary - Abridged Edition: Old Testament** Kenneth L. Chambers's twentieth century dictionary of the English language, ed. by T. Davidson Chambers W. and R., Ltd, 1901 **Divine Hygiene; Sanitary Science and Sanitarians of the Sacred Scriptures and Mosaic Code** Alexander Rattray, 1903 **Perseverance and Apostasy in the New Testament** Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God's sovereignty and human responsibility the role of the Holy Spirit for the believer's perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy **ENDORSEMENTS** The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot

afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with the book of Revelation One s theological presuppositions will of course affect how he she receives and responds to Kim s case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim s exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers engagements with apostasy are consonant with the Scriptures declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and

distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary **The Mission Field** ,1916
