**Mark Levene, George Loizou**

## The Last Chase:

'80s Action Movies on the Cheap Daniel R. Budnik, 2017-03-21 The 1980s was the decade when the action film as it is now known came into being. Nonstop big budget excitement became the standard as epic adventures like *Raiders of the Lost Ark* and *The Road Warrior* set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger and Chuck Norris. Homages and ripoffs made with lesser budgets followed every hit, especially with the advent of direct to video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity and sheer weirdness of 80s low budget action cinema from the American Ninja series to dime a dozen barbarian pictures to such bargain basement productions as *The Courier of Death*, *Kill Squad* and *Samurai Cop*.

**Alien Zone** Annette Kuhn, 1990-05-17 A collection of essays bringing science fiction cinema into the ambit of film and cultural theory.

Semantics in Databases Bernhard Thalheim, Leonid Libkin, 1998-02-25 This book presents a coherent survey on exciting developments in database semantics. The origins of the volume date back to a workshop held in Prague, Czech Republic, in 1995. The nine revised full papers and surveys presented were carefully reviewed for inclusion in the book. They address more traditional aspects like dealing with integrity constraints and conceptual modeling as well as new areas of databases: object orientation, incomplete information, database transformations and other issues are investigated by applying formal semantics, e.g. the evolving algebra semantics.

*A Guided Tour of Relational Databases and Beyond* Mark Levene, George Loizou, 2012-09-18 Database theory is now in a mature state and this book addresses important extensions of the relational database model such as deductive, temporal and object oriented databases. It provides an overview of database modelling with the Entity Relationship (ER) model and the relational model, providing the pivot on which the material revolves. The main body of the book focuses on the primary achievements of relational database theory including query languages, integrity constraints, database design, computable queries and concurrency control. The most important extensions of the relational model are covered in separate chapters. This book will be useful to third year computer science undergraduates and postgraduates studying database theory and will also be of interest to researchers and database practitioners who would like to know more about the ideas underlying relational database management systems and the problems that confront database researchers.

**Betrayed** Adrienne

Woods, 2025-08-14 Sophie Emerson faces an impossible choice: love Drake Evans and die, or save herself and walk away from him forever. Her year has been a whirlwind. First Sophie discovers she is a spirit fae with powers that a Dark Griffin wants to use as his weapon. Then she sacrifices part of herself to cure her cursed boyfriend Drake, a phoenix griffin. Now things are spiraling out of control. Sophie is not just gifted with one domain, but all three, marking her as a key figure in a future filled with darkness, destined to become part of the SCRY. Adding to the chaos, a fae identical to Sophie killed Drake and Chase's father, Philip Evans. She can't tell Drake the truth or he'll kill her. But she also can't keep the dangers waiting for him at Concordia a secret. To love him, she must leave him. To save him, she must die.

**Fire Mountain** Norman

Springer,2022-07-31 In *Fire Mountain* Norman Springer weaves a gripping narrative that explores the intersection of personal struggle and larger socio political dynamics set against a backdrop of vivid landscapes The novel employs a lyrical yet incisive literary style employing rich imagery and a nuanced use of symbolism to evoke the tension and beauty inherent in the human experience Set amid scenes of volcanic activity both literal and metaphorical the story unfolds through characters grappling with their identities desires and the haunting consequences of history drawing on themes such as resilience community and transformation Norman Springer an acclaimed author with a deep appreciation for the complexities of human existence has cultivated a distinguished career that seamlessly intertwines his passion for storytelling with his background in anthropology and sociology His academic pursuits and personal experiences birthing narratives rooted in the intricate relationship between individuals and their environments inform the evocative prose in *Fire Mountain* Springer s intimate knowledge of cultural dynamics adds layers of depth to the characters making their struggles resonate even more deeply This novel is highly recommended for readers who appreciate literature that transcends mere storytelling inviting them to ponder profound questions about humanity and society *Fire Mountain* is not just a book it is a catalyst for introspection and a testament to the resilience of the human spirit ensuring its lasting impact on all who delve into its pages

**The naval war of 1812** Theodore Roosevelt,1882 **Broadway Actors in Films, 1894-2015** Roy Liebman,2017-02-07 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry includes highlights of the performer s career a list of stage appearances and a filmography

**Edge of Chaos** Molly E. Lee,2024-09-23 Newly edited Prepare to be blown away Two storm chasers must decide what they re willing to risk even if it s themselves in this emotional highly charged adrenaline rush of a romance that fuses *Twisters* with *It Ends with Us* Blake Caster has spent most of her life living under storm clouds Growing up and listening to her parents fight their terrible divorce and most of all her troubled romantic life is it any wonder Blake can sense when dangerous weather starts rolling in It s like a sixth sense knowing how the sky will change before anyone else But it also has a dark side one Blake tries to hide One that keeps her from living the life she s always wanted Then she meets pro storm chaser Dash Lexington and electricity sparks between them Bright Crackling Dangerous It s like he is the storm and Blake can t seem to stay away Suddenly Blake s experiencing the world from a whole new side A world where the Oklahoma skies are filled with rolling black clouds and the promise of tornados But the power of the storm is nothing compared to the thrill of excitement that ignites when she s too close to Dash For the first time Blake knows exactly where she belongs But Dash s obsession with chasing is as hazardous and unpredictable as the storms themselves And

playing it safe might be the most dangerous thing Blake can do      **A JOURNEY IN ENGLAND** Frank Binder,2011-01-27  
Frank Binder's book *Journey in England* was first published to critical acclaim in 1932. His writing was also lauded in Eric Partridge's *Usage and Abusage*. The book describes in gloriously extravagant style a tour of parts of England by train and on foot, starting with his journey from Bonn across north Germany to Harwich. He went on by train to see the great churches and other historic buildings at Ely, Peterborough, Lincoln, Liverpool, Chester, Stratford-on-Avon, Leamington and Warwick, then on foot through Kenilworth, Oxford and Thames towns and villages such as Reading, Maidenhead, Bray, Stoke Poges, Windsor and Runnymede, before hitching a lift into London. But now at last the genius of this remarkable man is belatedly being acknowledged and his well-deserved place in the Pantheon of the great prose writers of English literature will be assured.

Outdoor Life, 1907      Steven Spielberg's America Frederick Wasser,2013-05-07 Steven Spielberg is known as the most powerful man in New Hollywood and a pioneer of the contemporary blockbuster. America's most successful export. His career began a new chapter in mass culture. At the same time, American post-war liberalism was breaking down. This fascinating new book explains the complex relationship between film and politics through the prism of an iconic filmmaker. Spielberg's early films were a triumphant emergence of the Sunbelt aesthetic that valued visceral kicks and basic emotions over the ambiguities of history. Such blockbusters have inspired much debate about their negative effect on politics and have been charged as being an expression of the corporatization of life. Here Frederick Wasser argues that the older Spielberg has not fully gone this way, suggesting that the filmmaker recycles the populist vision of older Hollywood because he sincerely believes in both big-time moviemaking and liberal democracy. Nonetheless, his stories are burdened by his generation's hostility to public life, and the book shows how he uses filmmaking tricks to keep his audience with him and to smooth over the ideological contradictions. His audiences have become more global as his films engage history. This fresh and provocative take on Spielberg in the context of globalization, rampant market capitalism and the hardening socio-political landscape of the United States will be fascinating reading for students of film and for anyone interested in contemporary America and its culture.      **Winning Love** Abby Niles,2014-08-26 *Winning Love* by Abby Niles. Mac The Snake Hannon has spent years throwing himself into cage fighting as a way to lash back at the natural disaster that destroyed his future. A call for help has Mac returning to the one place he swore never to return: Kansas, in the height of tornado season. There he meets free-spirited Gayle Matthews. At first he wants nothing to do with the infuriatingly persistent woman, but the crazy challenges she tosses his way are impossible to resist. As she thaws years of bitterness, bringing back the Mac he believed long gone, he starts to make peace with the past and see the future again. Until he learns she chases his worst nightmare, then he can't get away fast enough. Meteorologist and storm chaser Gayle Matthews is no stranger to being left behind and now believes in living in the moment. She wants to do just that with the handsome extreme fighter with the achingly sad eyes. As she works to replace the sorrow with desire, she finds herself breaking her one rule: have fun but don't fall in love. When he suddenly pushes her away

and she discovers the horrifying reason why she issues one more challenge face his fear and come on a chase with her Will squaring off with the past lead to a victory for heartache or love **Focus On: 100 Most Popular Tony Award Winners**
