## **The Last Days Of Il Duce:**

**Mussolini** Ray Moseley,2004-06-30 Mussolini chronicles the last twenty months of the despot's life beginning with his July 1943 arrest and overthrow      [The Last Days of Il Duce](#) Domenic Stansberry,1998 The Last Days of Il Duce is a dark elegantly written thriller set in North Beach the old Italian neighborhood of San Francisco It tells the story of Niccolo Jones an ex lawyer obsessed with his brother's wife an obsession he won't give up even though it implicates him in murder and leads him into the intricate and tangled history of the neighborhood Aging Italian fascists vengeful Chinese landlords senile Beat poets who mutter into the ruins of abandoned hotels all inhabit the shadows as Niccolo pursues Marie Donnatelli the woman at the heart of his obsession Such passion exacts its price however and in the end The Last Days of Il Duce builds to an unflinching conclusion reminiscent of the classic noir mysteries of the 1940's      *The Last Days of Il Duce* Domenic Stansberry,1998-02-01      **The Last Days of the Ottoman Empire** Ryan Gingeras,2022-10-27 A tour de force of accessible scholarship The Guardian Impressive It is a complicated story that still reverberates and Gingeras narrates it with lucid authority New Statesman The Ottoman Empire had been one of the major facts in European history since the Middle Ages Stretching from the Adriatic to the Indian Ocean the Empire was both a great political entity and a religious one with the Sultan ruling over the Holy Sites and as Caliph the successor to Mohammed Yet the Empire's fateful decision to support Germany and Austria Hungary in 1914 doomed it to disaster breaking it up into a series of European colonies and what emerged as an independent Saudi Arabia Ryan Gingeras's superb new book explains how these epochal events came about and shows how much we still live in the shadow of decisions taken so long ago Would all of the Empire fall to marauding Allied armies or could something be saved In such an ethnically and religiously entangled region what would be the price paid to create a cohesive and independent new state The story of the creation of modern Turkey is an extraordinary bitter epic brilliantly told here      **The Infernal Library** Daniel Kalder,2018-03-06 A mesmerizing study of books by despots great and small from the familiar to the largely unknown The Washington Post A darkly humorous tour of dictator literature in the twentieth century featuring the soul killing prose and poetry of Hitler Mao and many more which shows how books have sometimes shaped the world for the worse Since the days of the Roman Empire dictators have written books But in the twentieth century despots enjoyed unprecedented print runs to literally captive audiences The titans of the genre Stalin Mussolini and Khomeini among them produced theoretical works spiritual manifestos poetry memoirs and even the occasional romance novel and established a literary tradition of boundless tedium that continues to this day How did the production of literature become central to the running of regimes What do these books reveal about the dictatorial soul And how can books and literacy most often viewed as inherently positive cause immense and lasting harm Putting daunting research to revelatory use Daniel Kalder asks and brilliantly answers these questions Marshalled upon the beleaguered shelves of The Infernal Library are the books and commissioned works of the century's most notorious figures Their words

led to the deaths of millions Their conviction in the significance of their own thoughts brooked no argument It is perhaps no wonder then as Kalder argues that many dictators began their careers as writers      **The Nazis, the Vatican, and the Jews of Rome** Patrick J. Gallo,2023-02-15 On October 16 1943 the Jews of Rome were targeted for arrest and deportation The Nazis the Vatican and the Jews of Rome examines why and more importantly how it could have been avoided featuring new evidence and insight into the Vatican s involvement At the time Rome was within reach of the Allies but the overwhelming force of the Wehrmacht Gestapo and SS in Rome precluded direct confrontation Moral condemnations would not have worked nor would direct confrontation by the Italians Jewish leadership or even the Vatican Gallo underscores the necessity of determining what courses of actions most likely would have spared Italian Jews from the gas chambers Examining the historical context and avoiding normative or counterfactual assertions this book draws upon archival sources ranging from diaries to intelligence intercepts in English Italian and German With antisemitism on the rise today and the last remaining witnesses passing away it is essential to understand what happened in 1943 The Nazis the Vatican and the Jews of Rome grapples with this particular awful episode within the larger horrifying story of the Holocaust Despite the inadequacy of memory we must continue to attempt to make sense of the inexplicable      **The Death of Sigmund Freud** Mark Edmundson,2007-09-18 An account of the final two years in the life of Sigmund Freud and their legacy describes how in 1938 the elderly ailing Jewish Freud was rescued from Nazi occupied Vienna and brought to London where he finally found acclaim for his achievements battled terminal cancer and wrote his most provocative book Moses and Monotheism

Mussolini and the Salò Republic, 1943-1945 H. James Burgwyn,2018-05-31 This book is a long overdue in depth study of the Italian Social Republic Set up in 1943 by Hitler in the town of Sal on Lake Garda and ruled by Mussolini this makeshift government was a last ditch effort to ensure the survival of Fascism ending with the murder of Mussolini by partisans in 1945 The RSI was a loosely organized regime made up of professed patriots apostles of law and order and rogue militias who committed atrocities against presumed and real enemies H James Burgwyn narrates the history of the RSI with vivid portraits of key figures and thoughtful analysis of how radical fascists managed to take the Sal regime from a dictatorship in Italy to a Continental nazifascismo hand in hand with the Third Reich This book stands as an essential bookend to the life of Mussolini with new insights into the man who duped the Italian people and provoked a war that ended in catastrophic defeat

**Christian Fundamentalism and the Culture of Disenchantment** Paul Maltby, 2013-02-05 Within the familiar clash of religious conservatism and secular liberalism Paul Maltby finds a deeper discord an antipathy between Christian fundamentalism and the postmodern culture of disenchantment Arguing that each camp represents the poles of America s virulent culture wars he shows how the cultural identity lifestyle and political commitments of many Americans match either the fundamentalist profile of one who cleaves to metaphysical and authoritarian beliefs or the postmodern profile of one who is disposed to critical inquiry and radical democratic values Maltby offers a critique that operates in both directions His use of the resources of postmodern theory to contest fundamentalism s doctrinal claims ultra right politics anti environmentalism and conservative aesthetics informs his engagement with contemporary fundamentalist painting spiritual warfare fiction dominionist attitudes to nature and a profoundly undemocratic interpretation of Christianity At the same time Maltby identifies some of fundamentalism s legitimate spiritual concerns assesses the cost of perpetual critique and exposes the deficit of spiritual meaning that haunts the culture of disenchantment

**The Last Lion** Paul Reid, William Manchester, 2012-11-06 The long awaited final volume of William Manchester s legendary biography of Winston Churchill Spanning the years of 1940 1965 The Last Lion picks up shortly after Winston Churchill became Prime Minister when his tiny island nation stood alone against the overwhelming might of Nazi Germany The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage lightning fast intellect and an irresistible will to action The Last Lion brilliantly recounts how Churchill organized his nation s military response and defense compelled FDR into supporting America s beleaguered cousins and personified the never surrender ethos that helped the Allies win the war while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States More than twenty years in the making The Last Lion presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic leader This is popular history at its most stirring

**Claretta** R. J. B. Bosworth, 2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini Italy s fascist dictator and Claretta or Clara Petacci his much younger lover Shot dead by Italian partisans after attempting to flee the country in 1945 the couple s bodies were then hanged upside down in Milan s main square in ignominious public display This provocative book is the first to mine Clara s extensive diaries family correspondence and other sources to discover how the last in Mussolini s long line of lovers became his intimate and how she came to her violent fate at his side R J B Bosworth explores the social climbing of Claretta s family her na ve and self interested commitment to fascism her diary s graphically detailed accounts of sexual life with Mussolini and much more

Brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself Editor & Publisher ,1927 The fourth estate
