The Last Diary Of Tsaritsa Alexandra

Julia P. Gelardi

The Last Diary Of Tsaritsa Alexandra:

The Last Diary of Tsaritsa Alexandra Empress Alexandra (consort of Nicholas II, Emperor of Russia), Alexandra Feodorovna (impératrice de Russie), Tsaritsa Alexandra, Empress Alexandra, consort of Nicholas II, 1997-01-01 The recently declassified diary reveals the Empress's thoughts up until her execution **Alexandra: The Last Tsarina** Carolly Erickson, 2013-02-07 The lives and deaths of the Romanov family are redolent with colour and drama but the personal life of the beautiful Tsarina Alexandra has remained enigmatic Under Erickson's masterful scrutiny the full dimensions of the Empress's singular psychology are revealed her childhood bereavement her long struggle to attain her romantic goal of marriage to her handsome cousin Nicholas anguishing shyness the struggles with her in-laws a false pregnancy her increasing eccentricities as she became more preoccupied with matters of faith and her growing dependence on a series of occult mentors the most notorious of whom was Rasputin With meticulous care long practised skill and generous imagination Erickson has brought Alexandra and her family back to life Taking advantage of material unavailable until the fall of the Soviet Union Erickson portrays Alexandra's story as a closely observed enthrallingly documented progressive psychological retreat from reality **The Last of the Tsars** Robert Service, 2017-09-05 A riveting account of the last eighteen months of Tsar Nicholas II's life and reign from one of the finest Russian historians writing today In March 1917 Nicholas II the last Tsar of All the Russias abdicated and the dynasty that had ruled an empire for three hundred years was forced from power by revolution Now Robert Service the eminent historian of Russia examines Nicholas's life and thought from the months before his momentous abdication to his death with his family in Ekaterinburg in July 1918 The story has been told many times but Service's deep understanding of the period and his forensic examination of previously untapped sources including the Tsar's diaries and recorded conversations as well as the testimonies of the official inquiry shed remarkable new light on his troubled reign also revealing the kind of Russia that Nicholas wanted to emerge from the Great War The Last of the Tsars is a masterful study of a man who was almost entirely out of his depth perhaps even willfully so It is also a compelling account of the social economic and political ferment in Russia that followed the February Revolution the Bolshevik seizure of power in October 1917 and the beginnings of Lenin's Soviet socialist republic **The Romanovs' Murder Case** T. G. Bolen, 2018-06-28 Every fairy tale contains the story of a prince and once the prince meets his princess they often live happily ever after But for Nicholas II tsar of all the Russias and his wife Princess Alexandra of Hesse the ending would be different At age fifty brutally murdered by his subjects Nicholass body was mutilated and thrown into an unmarked mass grave with eight other people in a swampy bog in the middle of a remote forest The Romanovs Murder Case takes a detailed look at the infamous mass murder of this Russian imperial family stripped of its claim to the throne before being executed in 1918 following the February Revolution Author T G Bolen investigates the evidence from the site of the murders the Ipatiev House ultimately refuting investigator Nicholas Sokolov's report that locates the murders in the home's basement Bolen also provides for the

first time details of the United States intelligence officer Homer Slaughter who was in the Ipatiev House within twenty four hours of the murders This study shows that the Romanov murders may very well have occurred in different rooms in the house and that there was no eleven person massacre And although this story will never end happily ever after revealing new evidence to refute the prevailing story will shed new light on the truth The Last Days of the Romanovs Helen

Rappaport,2009-02-03 The brutal murder of the Russian Imperial family was both a human tragedy anda turning point in world history This work gives a riveting moment by momentaccount of the last 13 days of their lives b w photo insert

Diaries of Girls and Women Suzanne L. Bunkers,2001-05-30 *Diaries of Girls and Women* captures and preserves the diverse lives of forty seven girls and women who lived in Minnesota Iowa and Wisconsin between 1837 and 1999 young schoolgirls adolescents coming of age newlywed wives mothers grieving the loss of children teachers nurses elderly women Luxembourger immigrant nuns and women traveling abroad A compelling work of living history it brings together both diaries from historical society archives and diaries still in possession of the diarists or their descendents Editor Suzanne L Bunkers has selected these excerpts from more than 450 diaries she examined Some diaries were kept only briefly others through an entire lifetime some diaries are the intensely private record of a life others tell the story of an entire family and were meant to be saved and appreciated by future generations By approaching diaries as historical documents therapeutic tools and a form of literature Bunkers offers readers insight into the self images of girls and women the dynamics of families and communities and the kinds of contributions that girls and women have made past and present As a representation of the girls and women of varied historical eras locales races and economic circumstances who settled and populated the Midwest *Diaries of Girls and Women* adds texture and pattern to the fabric of American history Secret Cables of the Comintern,

1933-1943 Fridrikh Igorevich Firsov,Harvey Klehr,John Earl Haynes,2014-05-28 Drawing on secret and therefore candid coded telegraphs exchanged between Communist Party leaders around the world and their overseers at the Communist International Comintern headquarters in Moscow this book uncovers key aspects of the history of the Comintern and its significant role in the Stalinist ruling system during the years 1933 to 1943 New information on aspects of the People s Front in France civil wars in Spain and China World War II and the extent of the Comintern s cooperation with Soviet intelligence is brought to light through these archival records never examined before Katyn Anna M. Cienciala,Natalia S.

Lebedeva,Wojciech Materski,2008-10-01 In the spring of 1940 the Soviet Union carried out the mass executions of 14 500 Polish prisoners of war army officers police gendarmes and civilians taken by the Red Army when it invaded eastern Poland in September 1939 This work details the Soviet killings the elaborate cover up of the crime and the subsequent revelations

Born to Rule Julia P. Gelardi,2007-04-01 Julia Gelardi s *Born to Rule* is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria These five women were all married to reigning European monarchs during the early part of the 20th century and it was their reaction to the First World War that

shaped the fate of a continent and the future of the modern world Here are the stories of Alexandra whose enduring love story controversial faith in Rasputin and tragic end have become the stuff of legend Marie the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania Victoria Eugenie Spain's very English queen who like Alexandra introduced hemophilia into her husband's family with devastating consequences for her marriage Maud King Edward VII's daughter who was independent Norway's reluctant queen and Sophie Kaiser Wilhelm II's much maligned sister daughter of an Emperor and herself the mother of no less than three kings and a queen who ended her days in bitter exile Born to Rule evokes a world of luxury wealth and power in a bygone era while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty exile and death Praised in their lifetimes for their legendary beauty many of these women were also lauded and reviled for their political influence Using never before published letters memoirs diplomatic documents secondary sources and interviews with descendants of the subjects Julia Gelardi's Born to Rule is an astonishing and memorable work of popular history

The Many Deaths of Tsar Nicholas II Wendy Slater, 2007-06-26 How did Nicholas II Russia's last Tsar meet his death Shot point blank in a bungled execution by radical Bolsheviks in the Urals Nicholas and his family disappeared from history in the Soviet era But in the 1970s a local geologist and a crime fiction writer discovered the location of their clandestine mass grave and secretly removed three skulls before reburying them afraid of the consequences of their find Yet the history of Nicholas execution and the discovery of his remains are not the only stories connected with the death of the last Tsar This book recounts the horrific details of his death and the thrilling discovery of the bones and also investigates the alternative narratives that have grown up around these events Stories include the contention that the Tsar's killing was a Jewish plot in which Nicholas severed head was taken to Moscow as proof of his death tales of would be survivors of the execution self confessed children of the Tsar claiming their true identity and accounts of miracles performed by Nicholas who was made a saint by the Russian church in 2000 Not least among these alternative narratives is the romanticization of the Romanovs epitomized by the numerous photographs of the family released from the Russian archives [Russia at War](#) Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish

Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration **The Romanovs: The Final Chapter** Robert K.

Massie,2012-09-18 A masterful The Washington Post Book World account of the quest to solve one of the great mysteries in Russian history from the Pulitzer Prize winning author of Peter the Great Nicholas and Alexandra and Catherine the Great Riveting unfolds like a detective story Los Angeles Times Book Review In July 1991 nine skeletons were exhumed from a shallow mass grave near Ekaterinburg Siberia a few miles from the infamous cellar room where the last tsar and his family had been murdered seventy three years before But were these the bones of the Romanovs And if these were their remains where were the bones of the two younger Romanovs supposedly murdered with the rest of the family Was Anna Anderson celebrated for more than sixty years in newspapers books and film really Grand Duchess Anastasia The Romanovs provides the answers describing in suspenseful detail the dramatic efforts to discover the truth Pulitzer Prize winner Robert K Massie presents a colorful panorama of contemporary characters illuminating the major scientific dispute between Russian experts and a team of Americans whose findings along with those of DNA scientists from Russia America and Great Britain all contributed to solving one of the great mysteries of the twentieth century **Former People** Douglas Smith,2025-09-23

Epic in scope precise in detail and heart breaking in its human drama Former People is the first book to recount the history of the aristocracy caught up in the maelstrom of the Bolshevik Revolution and the creation of Stalin s Russia Filled with chilling tales of looted palaces and burning estates of desperate flights in the night from marauding peasants and Red Army soldiers of imprisonment exile and execution it is the story of how a centuries old elite famous for its glittering wealth its service to the Tsar and Empire and its promotion of the arts and culture was dispossessed and destroyed along with the rest of old Russia Yet Former People is also a story of survival and accommodation of how many of the tsarist ruling class so called former people and class enemies overcame the psychological wounds inflicted by the loss of their world and decades of repression as they struggled to find a place for themselves and their families in the new hostile order of the Soviet Union Chronicling the fate of two great aristocratic families the Sheremetevs and the Golitsyns it reveals how even in the darkest depths of the terror daily life went on Told with sensitivity and nuance by acclaimed historian Douglas Smith Former People is the dramatic portrait of two of Russia s most powerful aristocratic families and a sweeping account of their homeland in violent transition **The Lives and Deaths of the Princesses of Hesse** Frances Welch,2024-11-07 A gripping family saga and a portrait of a world in turmoil The Princesses of Hesse were Queen Victoria s grandchildren After the sudden death of her daughter Alice Queen Victoria took an obsessive interest in the marriage prospects of the four girls she left behind Very little went according to plan Fortunately Queen Victoria did not live to see her direst fears for the girls spouses being realised She died in January 1901 just before her beloved Hesse granddaughters became caught up in the maelstrom of early

20th century Europe The youngest sister Alix married Tsar Nicholas II of Russia she was assassinated along with the rest of her family in a cellar in Ekaterinburg The second Ella married the Russian Grand Duke Serge After he was assassinated she became a nun only to be assassinated by the Bolsheviks twenty four hours after Alix in 1918 The third Irene married the Kaiser's brother Prince Henry and was entangled in the 1918 German uprisings The eldest sister Princess Victoria married Prince Louis Battenberg and became the mother of Lord Louis Mountbatten and grandmother of Prince Philip Duke of Edinburgh Their lives were all dramatic and this group biography shows how they interacted as sisters forever jostling for status and relaying the politics and intrigues that surrounded them Drawing on hundreds of previously unseen letters from the sisters as well as from their grandmother Queen Victoria The Princesses of Hesse takes us on a sweeping journey across the tumultuous landscape of the turn of the century from the dramas of the Russian Court to the Russian Revolution and through both World Wars in which they often found themselves on opposing sides Both intimate and epic in scope Frances Welch's biography sheds new light on the four sisters' lives illuminating a remarkable period of history in the process

The Tsars Alexander Ivanov, 2018-12-15 The tsars of Russia reigned as absolute monarchs long past the time when the authority of other sovereigns had been curtailed Here historian Alexander Ivanov reveals their fears and betrayals privilege and debauchery conspiracies and rivalries love and tragedy as they forged Russia into one of the world's greatest empires No ruler in history has embodied the oppressive domination of these rulers more vividly than Alexander Ivanov's opening subject Tsar Ivan IV the first of all the Russian tsars known to history as Ivan the Terrible Although a gifted ruler who did much to unite and improve the conditions in his primitive country Ivan was also a notorious sadist who delighted in torturing and murdering anyone who displeased him Ivan's death in 1584 ushered in the Time of Troubles thirty five years of famine plague and war that crippled the nation A series of rulers attempted to cope with the devastation beginning with Ivan's successor Boris Godunov Finally grasping for stability Russia's nobles begged young Michael Romanov the great nephew of Ivan's beloved wife Anastasia to take the throne Michael successfully united the war torn and ravaged nation and founded a dynasty that would rule for 300 years The Romanov line produced Russia's most brilliant yet most unconventional sovereign Peter the Great a towering figure of a man whose restless creative mind led him on an inexorable quest to modernize and civilize the still backward nation The reforms he enacted so enraged nobles and peasants alike that Peter had to quash a series of rebellions to keep his crown Ruthlessly stifling dissent and massacring rebels he ultimately cowed the Russian people into submission achieving a legacy that nearly equaled his ambitions It was left to a woman and a foreigner at that to lead the nation further out of the darkness German princess Sophie Friederike Auguste of Anhalt Zerbst known to the world as Catherine the Great absorbed the principles of the eighteenth century Enlightenment and applied them to a country built on the backs of millions of serfs However ineffective some of her policies in the end she made Russia a major player on the European stage Serfdom was finally abolished in the nineteenth century but it would be decades before Russian peasants

could own land of their own and learn to farm it productively The boyars and tsars clung to power until the Bolshevik revolution of 1917 The sad fate of the last tsar Nicholas II and his family marked the end of the absolute power that Ivan the Terrible had so exploited The abuses would continue but under a new and drastically different form of government

European Elites and Ideas of Empire, 1917-1957 Dina Gusejnova, 2016-06-16 Explores European civilisation as a concept of twentieth century political practice and the project of a transnational network of European elites This title is available as Open Access

The Race to Save the Romanovs Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin's autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs

The Lost Crown Sarah Miller, 2012-07-10 In alternating chapters Grand Duchesses Olga Tatiana Maria and Anastasia tell how their privileged lives as the daughters of the Tsar in early twentieth century Russia are transformed by World War and revolution

Princesses on the Wards Coryne Hall, 2014-09-01 Queens and princesses have always shown care and compassion but many went much further They were not afraid to roll up their sleeves work in wards or help in field hospitals and operating theatres despite their sheltered upbringings Through wars and revolutions across Europe their experiences were similar to those of thousands of other nurses but this is the first time that their involvement in nursing and the extent of their influence on the profession has been detailed in full Beginning with two daughters of Queen Victoria Princess Alice and Princess Helena *Princesses on the Wards* looks at the difficulties these royals faced while carving a worthwhile role in an age when the place of a well born woman was considered to be in the home Empress Alexandra of Russia Queen Marie of Romania Princess Marina Duchess of Kent and Princess Alice of Greece mother of the Duke of Edinburgh were just a few of Queen Victoria's relatives who set an example of service well beyond that

considered necessary for their rank Not all of them were fully trained nurses but each made a positive contribution towards alleviating suffering which cannot be overestimated

Numerical Notation Stephen Chrisomalis, 2010-01-18 This book is a cross cultural reference volume of all attested numerical notation systems graphic non phonetic systems for representing numbers encompassing more than 100 such systems used over the past 5 500 years Using a typology that defies progressive unilinear evolutionary models of change Stephen Chrisomalis identifies five basic types of numerical notation systems using a cultural phylogenetic framework to show relationships between systems and to create a general theory of change in numerical systems Numerical notation systems are primarily representational systems not computational technologies Cognitive factors that help explain how numerical systems change relate to general principles such as conciseness or avoidance of ambiguity which apply also to writing systems The transformation and replacement of numerical notation systems relates to specific social economic and technological changes such as the development of the printing press or the expansion of the global world system

The Last Diary Of Tsaritsa Alexandra Introduction

In today's digital age, the availability of The Last Diary Of Tsaritsa Alexandra books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Last Diary Of Tsaritsa Alexandra books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Last Diary Of Tsaritsa Alexandra books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Last Diary Of Tsaritsa Alexandra versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Last Diary Of Tsaritsa Alexandra books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Last Diary Of Tsaritsa Alexandra books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Last Diary Of Tsaritsa Alexandra books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Last Diary Of Tsaritsa Alexandra books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Last Diary Of Tsaritsa Alexandra books and manuals for download and embark on your journey of knowledge?

FAQs About The Last Diary Of Tsaritsa Alexandra Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
