# The Last Man Out Of Saigon A Novel

**Bob Drury, Tom Clavin**

## **The Last Man Out Of Saigon A Novel:**

**The Last Man Out of Saigon** Chris Mullin, 1988-01-01 Spionroman      **The Last Man Out of Saigon** Chris Mullin, 1986      **Last Men Out** Bob Drury, Tom Clavin, 2012-04-03 Last Men Out tells the riveting story of the last 11 United States soldiers to escape South Vietnam on April 30 1975 the day America ended its combat presence      **New Socialist**, 1986      *Error of Judgement* Chris Mullin, 2024-02-15 Very occasionally a journalist starts an avalanche with a single gunshot Chris Mullin and his TV colleagues belong in the glorious company The Observer One of the greatest feats ever achieved by an investigative reporter Sebastian Faulks the Independent on Sunday Whoever planted the bombs in Birmingham also planted a bomb under the British legal establishment Robert Harris Sunday Times Error of Judgment lit a fire under the establishment when it was first published shattering the prosecution case against six Irishmen charged with the Birmingham Bombings and going on to change the course of British legal history On the evening of 21st November 1974 bombs planted by the IRA in two crowded Birmingham pubs exploded killing 21 people and injuring at least 170 Within a day of the explosion six men Paddy Hill Gerry Hunter Richard McIlkenny Billy Power Johnny Walker and Hughie Callaghan were arrested and charged All were found guilty Methodically with total clarity and a tone that is both gripping and impassioned then investigative journalist Mullin unpicked every detail of the case revealing gaping holes in the prosecution case and the horrifying consequences of an establishment determined to close ranks Now 50 years on from the Birmingham Bombings and with new writing from Mullin this classic edition of Error of Judgement tells the complete story of one of the most significant miscarriages of justice ever As relevant now as it was when it was first published it s an essential text on corruption violence and bias in British policing and justice      **Lost Crusader** John Prados, 2003 John Prados is a senior researcher at the National Security Archive in Washington      *William Colby and the CIA* John Prados, 2009-10-08 It is surprising that no one previous to John Prados attempted a biography of quintessential cold warrior William Colby because his story is in many ways also the story of the CIA From Italy to Vietnam to the military coup in Indonesia to Watergate the prosecution of Richard Helms investigations of CIA assassination plots and the drugging and surveillance of unwitting Americans Colby was there on the ground or deeply involved at headquarters The Guardian William E Colby was one of the most enigmatic figures of the Cold War and a central player in the operations of the Central Intelligence Agency While publicly appearing as a calm bureaucrat behind the scenes Colby helped orchestrate some of CIA s most controversial operations His mysterious death even added to the aura In the wake of new questions relating to CIA activities since 9 11 which John Prados discusses in his new preface Colby s story provides crucial lessons for a nation that still struggles to reconcile intelligence methods with democratic principles Prados tracks Colby s life and career from early years in the OSS to his tumultuous tenure as Director of Central Intelligence in the 1970s Reviled by many outside the CIA for his role in Vietnam and inside it for his cooperation with probes of the agency Colby was cast as a scapegoat by the Ford White House during the Church and Pike congressional

investigations In addition Prados offers fresh insights and new perspectives on Colby s involvement in the notorious Phoenix program in Vietnam and in the bloody Indonesian coup of 1965 that overthrew President Sukarno and brought General Suharto to power as well as on the CIA s role in the 1963 assassination of President Ngo Dinh Diem of South Vietnam and on the actions of high level CIA officials during the final demise of South Vietnam in 1975 A masterful study of a master spy William Colby and the CIA also offers a vital and timely history of the inner workings of the Company for which he worked Originally published in a cloth edition under the title *Lost Crusader* and retitled for this first paperback edition *William Colby and the CIA* explores dilemmas of intelligence that are of renewed importance today **Far Eastern Economic Review**, 1986-10 Hinterland Chris Mullin, 2016-09-22 All serious politicians are supposed to possess a hinterland but not all do Chris Mullin was one who did By the time he entered parliament he had reported from the wars in Vietnam Laos and Cambodia and tracked down the survivors of the CIA operation in Tibet He was the author of three novels including the classic *A Very British Coup* His successful campaign to free the innocent people convicted of the Birmingham bombings was described as one of the greatest feats ever achieved by an investigative reporter Elected to parliament aged 39 he quickly established himself as a fearless inquisitor before going on to become a minister in three departments His three volumes of diaries have been widely acclaimed as the best account of the Blair years and the rise and fall New Labour He left parliament in 2010 better to go while people are still asking why rather than when These are his memoirs **Tribune**, 2001 The British National Bibliography Arthur James Wells, 2003 **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature *The International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters *A Walk-On Part* Chris Mullin, 2011-08-18 The third and final volume of Chris Mullin s acclaimed diaries begins on the night John Smith died in May 1994 and continues until the moment of Mullin s assumption into government in July 1999 Together with the bestselling *A View from the Foothills* and *Decline Fall* the complete trilogy covers the rise and fall of New Labour from start to finish Witty elegant and wickedly indiscreet the Mullin diaries are widely reckoned to be the best account of the New Labour era Every once in a while wrote David Cameron political diaries emerge that are so irreverent and insightful that they are destined to be handed out as leaving presents across Whitehall for years to come The British Library General Catalogue of Printed

Books, 1986 to 1987 British Library, 1988      *New Statesman and Nation*, 1986-09      **Assault from the Sky** Dick Camp, 2013-08-26 Action packed he brings the reader artfully through the fog of war with clarity 20th Century Aviation Magazine Vietnam has often been called our first helicopter war and indeed the US Marine Corps as well as Army had to feel its way forward during the initial combats But by 1967 the combat was raging across South Vietnam with confrontational battles against the NVA on a scale comparable to the great campaigns of WWII In 1968 when the Communists launched their mammoth counteroffensive the Marines were forced to fight on all sides with the helicopter giving them the additional dimension that proved decisive in repelling the enemy The author of this book a Vietnam veteran and Purple Heart recipient who has also worked at the USMC History Division and National Museum of the Marine Corps in Quantico uses his experiences as a company commander to bring the story to life by weaving personal accounts after action reports and official documents into a compellingly readable narrative of service and sacrifice by Marine pilots and crewmen The entire story of the war is depicted through the prism of Marine helicopter operations from the first deployments to support the Army of the Republic of Vietnam against the Viet Cong through the rapid US buildup to stop the North Vietnamese Army until the final withdrawal from our Embassy Superlative research Leatherneck      A Reader's Guide to the Spy and Thriller Novel Nancy-Stephanie Stone, 1997 This essential sourcebook to the spy and thriller novel offers mystery fans fully annotated entries on more than 1 300 titles by over 150 authors in the genre The perfect companion to early classics by Ian Fleming Somerset Maugham and Graham Greene this volume also covers more recent works by Len Deighton John le Carre and Tom Clancy BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      *The Vietnam Run* Michael Gillen, 2023-03-28 On the same day the Japanese surrender ended World War II Vietnamese nationalists declared independence from France Within weeks France sought to reestablish colonial rule American merchant seamen arriving in French ports to ship GIs back to the U S were dismayed when French troops bound for Vietnam came aboard instead Many of these seamen objected because American veterans awaited transport home and because they flew in the face of Allied war aims of national self determination Later with the Vietnam War effort dependent on Merchant Marine logistical support seamen were among the first to protest U S involvement With firsthand recollections this book tells the story from deadly encounters with mines rockets and gunfire to evacuations of refugees and to rescues of boat people in the South China Sea      *Teaching the Vietnam War* Joe P. Dunn, 1990      A Checklist of Vietnam War Literature, 1994
