

Spetskorr Roman

VM Jensen

Spetskor Roman:

In the Labyrinth of the KGB Olga Bertelsen, 2022-02-15 2024 Winner Kjetil Hatlebrekke Memorial Book Prize King's College Centre for the Study of Intelligence This book focuses on the generation of the sixties and seventies in Kharkiv Soviet Ukraine a milieu of writers who lived through the Thaw and the processes of de Stalinization and re Stalinization Special attention is paid to KGB operations against what came to be known as the dissident milieu and the interaction of Ukrainians Jews and Russians in the movement their persona friendships formal and informal interactions and the ways they dealt with repression and arrests This study demonstrates that the KGB unintentionally facilitated the transnational and intercultural links among the Kharkiv multi ethnic community of writers and their mutual enrichment Post Khrushchev Kharkiv is analyzed as a political space and a place of state violence aimed at combating Ukrainian nationalism and Zionism two major targets in the 1960s 1970s Despite their various cultural and social backgrounds the Kharkiv literati might be identified as a distinct bohemian group possessing shared aesthetic and political values that emerged as the result of de Stalinization under Khrushchev Archival documents diaries and memoirs suggest that the 1960s 1970s was a period of intense KGB operations active measures designed to disrupt a community of intellectuals and to fragment friendships bonds and support among Ukrainians Russians and Jews along ethnic lines domestically and abroad Shchit i Mech : Roman V.
