Spices, Rices, and Other Vices Beverly Johnson Penzell, Marcia Rabinowitz, Jacqueline Simkin, 1993 Recipes for soups salads vegetables rice and pasta seafood poultry meats breads and desserts reflect Miami s many cultures The Publishers Weekly ,1993 *Forthcoming Books* Rose Army,1994-02 *Chef* ,1995 **American Book Publishing Record** **Cumulative 1993** R R Bowker Publishing,1994-03 Cited in BCL3 Sheehy and Walford Compiled from the 12 monthly issues of the ABPR this edition of the annual cumulation lists by Dewey sequence some 41 700 titles for books published or distributed in the US Entry information is derived from MARC II tapes and books submitted to R R Bowker an Popular science ,1979 **Cue** ,1976 *Money* ,1981 *Popular Mechanics* ,1976 *Miami Spice* Steven Raichlen,1993-01-11 The new star of the culinary galaxy is South Florida declares The New York Times And no wonder Out of America s tropical melting pot comes an inventive cuisine bursting with flavor and now Steven Raichlen an award winning food writer shares the best of it in Miami Spice With 200 recipes and firsthand reports from around the state Miami Spice captures the irresistible convergence of Latin Caribbean and Cuban influences with Florida s cornucopia of stone crabs snapper plantains star fruit and other exotic native ingredients most of which can be found today in supermarkets around the country Main selection of the Book of the Month Club s HomeStyle Books Winner of a 1993 IACP Julia Child Cookbook Award *Rice and Spice Cookbook* Aur Beck,2012-11-23 On May 8th 2009 a derecho struck a terrible blow to Southern Illinois knocking out power to many in the region for almost a week Founder of Rice and Spice Aur Beck was one of the few people in town who DID have power Armed with his trusty solar generator to power freezer and refrigeration storage he and many others took their food to Gaia House and spent many nights eating dinner together Once the power returned people didn t want to stop meeting for dinner and so Rice and Spice International Slow Foods dinner was born This cookbook is a collection of recipes from those dinners Review First impression very visually pleasing this is a warm friendly book that invites the reader to relax and really take a good look At first I was a little rushed as usual but as I read the story of how R S started I found myself slowing down b c the story was so interesting The friendly graphics really made this more of an experience than just reading something The R S posters and Gaia House event log pics were neat to look at they create a sense of real history The recipes themselves are really interesting and exotic and it s nice that they are organized by event nationality so we can know where some of these come from I never would have guessed collard greens had anything to do with Cinco de Mayo and I would never have thought to try them in a soup with chickpeas Good timing on the inserts just as I was starting to get really curious about some of these recipes I came to page 20 where a description of the recipe is the first thing you see It s not too in your face as it would be if you had these descriptions for every dish as some of the dishes are self explanatory Neat touch The pics of each event are heartwarming and really gives me a sense of familiarity almost like I could be there myself It makes the dishes seem like they could be cooked enjoyed by anyone even though they are exciting and exotic and out of the ordinary it s

really neat how you guys used the metric and english measurements for those of us who don't know how much a gram or a ml really is I'm sure the reverse is true for the rest of the world Final take each recipe was obviously given by individuals making this a very unique and interesting book that I personally would be glad to own It was a real pleasure to be able to see this before it comes out especially since I have been hearing about it for a while now The book reads like people are standing there talking to you telling how to make this stuff step by step but not in an overbearing way The overall spirit of Rice Spice definitely comes through in this book It would also make a very unique gift for anyone who is curious and loves food especially food with a story behind it
