Whistleblower Susan Fowler, 2020-02-18 A powerful illustration of the obstacles our society continues to throw up in the paths of ambitious young women The New York Times Book Review Important empowering Gayle King CBS This Morning That Fowler became a whistle blower and a pioneer of a social movement almost seems inevitable once you get to know her Uber should have seen her coming San Francisco Chronicle

Named a Best Book of 2020 by NPR Susan Fowler was just twenty five years old when her blog post describing the sexual harassment and retaliation she d experienced at Uber riveted the nation Her post would eventually lead to the ousting of Uber s powerful CEO but its ripples extended far beyond that as her courageous choice to attach her name to the post inspired other women to speak publicly about their experiences In the year that followed an unprecedented number of women came forward and Fowler was recognized by Time as one of the Silence Breakers who ignited the MeToo movement Here she shares her full story a story of extraordinary determination and resilience that reveals what it takes and what it means to be a whistleblower Long before she arrived at Uber Fowler s life had been defined by her refusal to accept her circumstances She propelled herself from an impoverished childhood with little formal education to the Ivy League and then to a coveted position at one of the most valuable companies in the history of Silicon Valley Each time she was mistreated she fought back or found a way to reinvent herself all she wanted was the opportunity to define her own dreams and work to achieve them But when she discovered Uber s pervasive culture of sexism racism harassment and abuse and that the company would do nothing about it she knew she had to speak out no matter what it cost her Whistleblower takes us deep inside this shockingly toxic workplace and reveals new details about the aftermath of the blog post in which Fowler was investigated and followed hacked and threatened to the point that she feared for her life But even as it illuminates how the deck is stacked in favor of the status quo Fowler s story serves as a crucial reminder that we can take our power back Both moving personal narrative and rallying cry Whistleblower urges us to be the heroes of our own stories and to keep fighting for a more just and equitable world

That's Not Hay in My Hair Juliette Turner, 2016-03-08 New York City life had crammed sidewalks gasoline filled puddles and angry taxi drivers but Juliette enjoyed the towering sky scrapers the half block walk to school and the restaurant smells wafting into her bedroom She had never cared for a horse let alone a long horn when her mother announced their imminent move to a 300 acre ranch in Texas where they would be caring for three horses five dogs twenty five longhorns and a cat all by themselves Juliette couldn t help feeling excited even though she d have to climb a hill to get a bar of cell phone service Soon she was running from bats and snakes rescuing a calf from a twenty foot ditch medicating ponies and having adventures so crazy it s hard to believe they re for real but it all did exactly how it s written Get ready for side splitting laughs heart wrenching tears and surprising life lessons learned down on the farm and shared by fourteen year old Juliette Turner
