Writing North Carolina History Jeffrey J. Crow, Larry E. Tise, 2017-10-10 Writing North Carolina History is the first book to assess fully the historical literature of North Carolina It combines the talents and insights of eight noted scholars of state and southern history William S Powell Alan D Watson Robert M Calhoon Harry L Watson Sarah M Lemmon and H G Jones Their essays are arranged in chronological order from the founding of the first English colony in North America in 1585 to the present Traditionally North Carolina has not received the same scholarly attention as Virginia and South Carolina despite the excellent resources available on Tar Heel history This study derived from a symposium sponsored by the North Carolina Division of Archives and History in 1977 asks questions and describes methodologies needed to redress past neglect Besides providing a comprehensive evaluation of what has been written about North Carolina the essayists offer perspectives on how historians have interpreted the state s history and what directions future historians need to take Particularly important the book provides a bibliography and suggests opportunities for future historical investigation by discussing topics themes and source materials that remain untapped or underused North Carolina s unique and colorful culture folklore geography politics and growth demand new and creative historical analysis Collectively the authors and editors of Writing North Carolina History offer a welcome necessary guide to the study of Tar Heel history Originally published in 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *My Roman History* Alizah Holstein, 2024-06-25 A lyrical and moving exploration of the ways in which the heart governs even the pursuit of a life of the mind this is a book for anyone who has ever loved Rome as well as anyone who shares the experience of having found in an unfamiliar history their own unexpected home Rebecca Mead author of *My Life in Middlemarch* and *Home Land* Brilliant A personal intellectual history a poignant account of how an expected life veers and a boldly structured piece of writing Frances Mayes author of *Under the Tuscan Sun* via Instagram In this exquisite and profound memoir a medieval historian traces her lifelong obsession with Rome and the encounters with the city s past and present that became fulcrum points in her life From the time she first felt called to its gates as a high school student fascinated by Dante and Italian thanks to a life changing teacher Rome has been a fixed star around which Alizah Holstein s life has rotated despite the fact that she bears no Italian heritage and has never lived there long enough to call it home In this kaleidoscopic yet intimate memoir her

shifting relationship to a vibrant city layered with human history becomes a lens on why we look to the past on the mysteries of affinity and desire and on what it means to grow up Holstein weaves the stories of Romans past and present and encounters with the city of historical figures from Petrarch to Freud into the narrative of her evolution from a curious student abuzz with the thrill of discovery to a lonely researcher in a city to which she feels she belongs despite knowing no one to an ambitious young historian struggling to find her place in the halls of academia Following a trail of memories that first taste of a tartufo cioccolato in Piazza Navona the ancient walls of the Via Appia blurring from the back of a motorcycle the smudge of ink on a manuscript left by a scribe s hand over seven hundred years before she explores what it means to be romana Roman and to find solace and self knowledge in the presence of the past An enveloping original and deeply resonant account set against one of the world s most beguiling cities of the unexpected things that give our lives meaning My Roman History is a profound depiction of the winding path to self realization which much like history itself is mysterious captivating and ever unfolding
