Wintz, Angela Boswell, Adrian
Anderson, Ernest Wallace**

Spindletop Boom Days:

Spindletop Boom Days Paul N. Spellman, 2025-12-08 Spindletop The word conjures images of Texas oil roustabouts roughnecks oil barons and endless rows of wooden derricks The discovery of oil at Spindletop in 1901 revolutionized the oil and drilling industry in the United States before Spindletop s seventy thousand barrels of oil a day no other well in the United States had produced more than three thousand barrels in a whole month In *Spindletop Boom Days* Paul Spellman weaves together first person narratives to tell the story of this moment in history and to describe the day to day life of those involved with the Spindletop gusher These are stories of people men and women of differing backgrounds and ethnicity who touched the lodestone of the American frontier character Some were culturally polished most were ragged and forthright and completely honest They were self reliant to a fault but they knew exactly when and how to cooperate in the necessities of the moment They were fiercely independent and democratic in their beliefs Although many stayed most were transient in their lifestyle arriving with great expectations working with compulsive diligence and moving on some without a trace when the next horizon beckoned Spellman provides informative accounts of innovation in the petroleum industry such as new drilling techniques the use of drilling mud and improvements in derrick construction Through the experiences of the men and women who lived it from Big Hill to Sour Lake to Batson we learn about the deadly fires and other dangers of working on the oil rigs unruliness in the streets and the comedy and tragedy of daily life And Spellman entertains with stories of characters such as former Texas governor Jim Hogg and other legendary names in Texas oil industry including Walter and Jim Sharp David Beatty and Joseph Cullinan Like no other story of Spindletop and the oil boom this narrative history is a slice of life seen through the eyes of the men and women who lived through those rowdy entertaining exciting days in Southeast Texas

The Kings of Casino Park Thomas Aiello, 2011-08-07 In the 1930s Monroe Louisiana was a town of twenty six thousand in the northeastern corner of the state an area described by the New Orleans Item as the lynch law center of Louisiana race relations were bad and the Depression was pitiless for most especially for the working class a great many of whom had no work at all or seasonal work at best Yet for a few years in the early 1930s this unlikely spot was home to the Monarchs a national caliber Negro League baseball team Crowds of black and white fans eagerly filled their segregated grandstand seats to see the players who would become the only World Series team Louisiana would ever generate and the first from the American South By 1932 the team had as good a claim to the national baseball championship of black America as any other Partisans claim with merit that league officials awarded the National Championship to the Chicago American Giants in flagrant violation of the league s own rules times were hard and more people would pay to see a Chicago team than an outfit from the Louisiana back country Black newspapers in the South rallied to support Monroe s cause railing against the league and the bias of black newspapers in the North but the decision unfair though it may have been was also the only financially feasible option for the league s besieged leadership who were struggling to maintain a black baseball league in the midst of

the Great Depression Aiello addresses long held misunderstandings and misinterpretations of the Monarchs 1932 season He tells the almost unknown story of the team its time its fortunes its hometown and positions black baseball in the context of American racial discrimination He illuminates the culture changing power of a baseball team and the importance of sport in cultural and social history Historic Texas from the Air David Buisseret,Richard Francaviglia,Gerald Saxon,Jack W. Graves, Jr.,2009-06-01 The extremely varied geography of Texas ranging from lush piney woods to arid mountainous deserts has played a major role in the settlement and development of the state To gain full perspective on the influence of the land on the people of Texas you really have to take to the air and the authors of Historic Texas from the Air have done just that In this beautiful book dramatic aerial photography provides a complete panorama of seventy three historic sites from around the state showing them in extensive geographic context and revealing details unavailable to a ground based observer Each site in Historic Texas from the Air appears in a full page color photograph accompanied by a concise description of the site s history and importance Contemporary and historical photographs vintage postcard images and maps offer further visual information about the sites The book opens with images of significant natural landforms such as the Chisos Mountains and the Big Thicket then shows the development of Texas history through Indian spiritual sites including Caddo Mounds and Enchanted Rock relics from the French and Spanish occupation such as the wreck of the Belle and the Alamo Anglo forts and methods of communication including Fort Davis and Salado s Stagecoach Inn nineteenth century settlements and industries such as Granbury s courthouse square and Kreische Brewery in La Grange and significant twentieth century locales including Spindletop the LBJ Ranch and the Dallas Fort Worth International Airport For anyone seeking a visual vital overview of Texas history Historic Texas from the Air is the perfect place to begin **The Oil Weekly** ,1926 Oilfield Trash Bobby D. Weaver,2010-08-24 Oilfield Trash is written in a charming flowing style that any reader will enjoy In Weaver s capable hands the gypsy lives of a generation of young men unfold on the rigorous stage of drilling fields Paul Spellman author of Spindletop Boom Days *Texas* Rupert N. Richardson,Cary D. Wintz,Angela Boswell,Adrian Anderson,Ernest Wallace,2021-05-31 Now in its 11th edition Texas The Lone Star State offers a balanced scholarly overview of the second largest state in the United States spanning from prehistory to the twenty first century Organized chronologically this comprehensive survey introduces undergraduates to the varied history of Texas with an accessible narrative and over 100 illustrations and maps This new edition broadens the discussion of postwar social and political dynamics within the state including the development of key industries and changing demographics Other new features include New maps reflecting county by county results for the most recent presidential elections Expanded discussions on immigration and border security The effects of the COVID 19 pandemic in Texas and a look to the future Updated bibliographies to reflect the most recent scholarship This textbook is essential reading for students of American history **Early Beaumont** Rob Blain,2014-07-21 Beaumont was born when the thickly wooded banks of the Neches River were settled in the 1820s Businessmen and

adventurers stayed in the area once they saw the advantages of the river and the regions abundance of timber and other agricultural resources By 1880 Beaumont was a lumber ranching farming and shipping center The railroad spurred population growth from 2 500 to 5 000 then Providence intervened the Lucas Gusher at Spindletop blew in on January 10 1901 and suddenly more oil than had ever been seen ushered in a new world The Rockefeller Standard Oil monopoly may have ended in the courts but Spindletops oil dwarfed the known world supply creating companies like Humble Oil now ExxonMobil Gulf and Texaco Beaumont continued to grow and with a second boom in 1925 flowing oil brought more people and the building of a gracious city

Texas Oil and Gas Jeff A. Spencer, 2013-09-16 Texas Oil and Gas documents in postcards the rapid growth of the Texas petroleum industry from its beginnings near Corsicana in the 1890s through the next several decades of oil booms throughout the state The young 20th century opened with the Lucas Gusher at Spindletop in 1901 Thousands rushed from the oilfields of Pennsylvania Ohio and West Virginia to find work and riches Continued drilling success along the Texas Gulf Coast transformed Houston into a major city and the Beaumont area into a major petrochemical center Through the 1910s and 1920s oil booms occurred in North Texas the Panhandle Central Texas and West Texas The giant East Texas oilfield the second largest North American oilfield to Alaskas North Slope was discovered in 1930 Texas oil replaced coal as fuel for the nations railroads and provided fuel for our military in two world wars

Time of the Rangers Mike Cox, 2025-09-23 The second installment of a no holds barred look at the history of the famed Texas Rangers from western author Mike Cox Following up on his magnificent history of the 19th century Texas Rangers Mike Cox now takes us from 1900 through the present From horseback to helicopters from the frontier cattle days through the crime ridden boom or bust oil field era from Prohibition to World War II espionage to the violent ethnic turbulence of the 50s and 60s which sometimes led to demands that the Texas Rangers be disbanded Cox takes readers through the modern history of the famed Texas lawmen Cox s position as a spokesperson for the Texas department of Public Safety allowed him to comb the archives and conduct extensive personal interviews to give us this remarkable account of how a tough group of horse borne lawmen too prone to hand out roadside justice critics complained to one of the world s premier investigative agencies respected and admired worldwide At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Explorer's Guide Galveston, South Padre Island & The Texas Gulf Coast Alex Wukman, 2008-01-07 Consistently rated the best guides to the regions covered Readable tasteful appealingly designed Strong on dining lodging culture and history National Geographic Traveler Distinctive for their accuracy simplicity and conversational tone the diverse travel guides in our Explorer s Great Destinations series meet the conflicting demands of the modern traveler They re packed full of up to date information to help plan the perfect getaway And they re compact and light enough to come along for the ride A tool you ll turn to before during and after your trip these guides include Chapters on lodging dining transportation history shopping recreation and more A section packed with practical information such as lists of banks hospitals post offices

laundry mats numbers for police fire and rescue and other relevant information Maps of regions and locales From the sea border with Mexico to the Louisiana shore the coast of Texas is rich in history recreation and natural and architectural beauty and is a major destination for both Texans and non Texans alike
