

SPINE POETRY

Students often have a difficult time writing poetry. Spine poetry is a fun way to show students that poems can be found almost anywhere.

Directions

- Divide students into groups of 3 or 4.
- Students will look through library shelves to find titles (1-8) that go together in some way.
- Students will pull the books and stack them on a table in the order that works best for their poem.
- Ask students how their titles fit together. What is their overall poem?
- Take pictures of the poems.

There are poems for children, teens and adult poetry shelves.

Suggestion

- Ask librarians how often it takes a day from what is asked.
- Ask librarians if they want your students to return books or put them in a special place so they can have them returned to shelves correctly.
