## Spinning Straw:

*From Girl to Goddess* Valerie Estelle Frankel, 2014-01-10 Many are familiar with Joseph Campbell's theory of the hero's journey, the idea that every man from Moses to Hercules grows to adulthood while battling his alter ego. This book explores the universal heroine's journey as she quests through world myth. Numerous stories from cultures as varied as Chile and Vietnam reveal heroines who battle for safety and identity, thereby upsetting popular notions of the passive, gentle heroine. Only after she has defeated her dark side and reintegrated can the heroine become the bestower of wisdom, the protecting queen, and arch crone. Instructors considering this book for use in a course may request an examination copy here.

*Five Golden Books of Child Hans*

Christian Andersen et al.,2015-11-27 Ten years ago when I became a father I started thinking about how to help children grow up Of course the book is an important element in the growth of children But how to choose What are the books to be able to make them happy but also to enlighten them Experience of their predecessors is the best reference So I chose to Aesop s Fables Arabian fairy tale Hans Christian Andersen Green Fairy and Greek mythology with this five books help me to guide their children For decades I have found not only benefit the children in reading even I also have a new re reading experience Now I put five books digitized and build this into a collection I named it Five Golden Books of Child I hope you not only like but also as to help children grow through it help you enjoy reading again the new experience Grimms' Fairy Tales Grimm brothers,2015-09-28 About Grimms Fairy Tales Children s and Household Tales German Kinder und Hausm rchen is a collection of German fairy tales first published in 1812 by the Grimm brothers Jacob and Wilhelm The collection is commonly known in English as Grimm s Fairy Tales Composition The first volume of the first edition was published in 1812 containing 86 stories the second volume of 70 stories followed in 1815 For the second edition two volumes were issued in 1819 and a third in 1822 totalling 170 tales The third edition appeared in 1837 fourth edition 1840 fifth edition 1843 sixth edition 1850 seventh edition 1857 Stories were added and also subtracted from one edition to the next until the seventh held 211 tales All editions were extensively illustrated first by Philipp Grot Johann and after his death in 1892 by German illustrator Robert Leinweber The first volumes were much criticized because although they were called Children s Tales they were not regarded as suitable for children both for the scholarly information included and the subject matter Many changes through the editions such as turning the wicked mother of the first edition in Snow White and Hansel and Gretel shown in original Grimm stories as H nsel and Grethel to a stepmother were probably made with an eye to such suitability They removed sexual references such as Rapunzel s innocently asking why her dress was getting tight around her belly and thus na vely revealing to her stepmother her pregnancy and the prince s visits but in many respects violence particularly when punishing villains was increased In 1825 the Brothers published their Kleine Ausgabe or small edition a selection of 50 tales designed for child readers This children s version went through ten editions between 1825 and 1858 Influence The influence of these books was widespread W H Auden praised the collection during World War II as one of the founding works of Western culture The tales themselves have been put to many uses Hitler praised them as folkish tales showing children with sound racial instincts seeking racially pure marriage partners and so strongly that the Allied forces warned against them for instance Cinderella with the heroine as racially pure the stepmother as an alien and the prince with an unspoiled instinct being able to distinguish Writers who have written about the Holocaust have combined the tales with their memoirs as Jane Yolen in her Briar Rose The work of the Brothers Grimm influenced other collectors both inspiring them to collect tales and leading them to similarly believe in a spirit of romantic nationalism that the fairy tales of a country were particularly representative of it to the neglect of cross cultural influence Among those influenced were the Russian Alexander Afanasyev

the Norwegians Peter Christen Asbjørnsen and Jørgen Moe the English Joseph Jacobs and Jeremiah Curtin an American who collected Irish tales There was not always a pleased reaction to their collection Joseph Jacobs was in part inspired by his complaint that English children did not read English fairy tales in his own words What Perrault began the Grimms completed Three individual works of Wilhelm Grimm include *Altdeutsche Heldenlieder Balladen und Märchen* Old Danish Heroic Songs Ballads and Folktales in 1811 *Über deutsche Runen* On German Runes in 1821 and *Die deutsche Heldensage* The German Heroic Saga in 1829 thirty four popular Collections In this book we collect thirty four popular Grimms fairy tales so you can accompany the children a pleasant stay *Happy Hour Stories - Stories From Grimm's Fairy Tales - Illustrated by J Monsell* Brothers Grimm, 2013-04-16 This lovely collection of fairy tales is profusely illustrated with pictures by J Monsell It contains the classic tales Briar Rose The Brave Little Tailor Rumpelstiltskin Snow White and Rose Red Rapunzel among others
