Don't Stop Tyler Feller, 2024-06-04 Don't give up on God's dream for you Many of us long to pursue the dream God has placed on our hearts but along the way the path has become littered with unmet expectations unpassable roadblocks and failure stopping us short of our unique purpose and destiny What if you're one try away from the breakthrough you've been praying for The obstacles you face don't have to be the end of your story Pastor Tyler Feller integrates his experiences and biblical wisdom with practical steps to boost your resilience and endurance improve your decisions and grow your faith No matter how impossible your dream feels Don't Stop can help you identify what's keeping you stuck activate strengths God has placed in you see God for who he really is listen for the Lord's direction and flourish in your fullest potential Even the greatest struggle is an opportunity Launch into your calling with renewed passion and vision equipped with the confidence that God goes with you

The Trouble with Principle Stanley Fish, 2001-03-02 Stanley Fish is an equal opportunity antagonist A theorist who has taken on theorists an academician who has riled the academy a legal

scholar and political pundit who has ruffled feathers left and right Fish here turns with customary gusto to the trouble with principle Specifically Fish has a quarrel with neutral principles The trouble They operate by sacrificing everything people care about to their own purity And they are deployed with equal highmindedness and equally absurd results by liberals and conservatives alike In this bracing book Fish argues that there is no realm of higher order impartiality no neutral or fair territory on which to stake a claim and that those who invoke one are always making a rhetorical and political gesture In the end it is history and context the very substance against which a purportedly abstract principle defines itself that determines a principle s content and power In the course of making this argument Fish takes up questions about academic freedom and hate speech affirmative action and multiculturalism the boundaries between church and state and much more Sparing no one he shows how our notions of intellectual and religious liberty cherished by those at both ends of the political spectrum are artifacts of the very partisan politics they supposedly transcend The Trouble with Principle offers a provocative challenge to the debates of our day that no intellectually honest citizen can afford to ignore **A Killer Among Us** Janice A.

Davison,2018-12-07 When the body of a Sun Devil cheerleader is discovered on the campus of Arizona State University after a home football game the college community is shocked and saddened When a second cheerleader s body is found after the next home game police are fearful they have a serial killer on their hands And when two investigators Tempe Police Lead Detective Boston Blair and her partner Robin Bower arrive to examine this second murder scene the crime gets personal Robin s daughter Katie is also a member of the ASU cheerleading squad As the investigation progresses not only does it appear Katie and her fellow cheerleaders are likely future targets of the killer her brother emerges as a potential suspect Playing the killer s depraved cravings and desire for attention against the Brower family s Christian values of acceptance and understanding A Killer Among Us links a thrilling police drama to an exploration of social dynamics and faith
