## **Spinsters Lesbians:**

Spinsters and Lesbians Trisha Franzen, 1996 Americans have long held fast to a rigid definition of womanhood revolving around husband home and children Women who rebelled against this definition and carved out independent lives for themselves have often been rendered invisible in U S history In this unusual comparative study Trisha Franzen brings to light the remarkable lives of two generations of autonomous women Progressive Era spinsters and mid twentieth century lesbians While both groups of women followed similar paths to independence separating from their families pursuing education finding work and creating woman centered communities they faced different material and cultural challenge and came to claim very different identities Many of the turn of the century women were prominent during their time from internationally recognized classicist Edith Hamilton through two early Directors of the Women s Bureau Mary Anderson and Freida Miller Maturing during the time of a broad and powerful women s movement they were among that era s new women the often single women who were viewed as in the vanguard of women s struggle for equality In contrast never married women after World War II especially lesbians were considered beyond the pale of real womanhood Before the women s and gay lesbian liberation movements they had no positive contemporary images of alternative lives for women Highlighting the similarities and differences between women oriented women confronting changing gender and sexuality systems Spinsters and Lesbians thus traces a continuum among women who constructed lives outside institutionalized heterosexuality **Lesbian**

**Feminism** Niharika Banerjea, Kath Browne, Eduarda Ferreira, Marta Olasik, Julie Podmore, 2019-08-15 Drawing on the incredible wealth of diversity of languages cultures and movements in which lesbian feminisms have been articulated this book confronts the historic devaluation of lesbian feminist politics within Anglo American discourse and ignites a transnational and transgenerational discussion regarding the relevance of lesbian feminisms in today s world a discussion that challenges the view of lesbian feminism as static and essentialist Through careful consideration of contemporary debates these writers theorists academics and activists consider the wider place of lesbian feminisms within queer theory post colonial feminism and the movement for LGBT rights It considers how lesbian feminisms can contribute to discussions on intersectionality engage with trans activism and the need for trans inclusion to ultimately show how lesbian feminisms can offer a transformative approach to today s sexual and gender politics *Leather Spinsters and Their Degrees of Asexuality* ,

**The Spinster and Her Enemies** Sheila Jeffreys, 1997 Annotation This feminist text is released here with a revised and updated introduction It examines the activities of feminist campaigners around such issues as child abuse and prostitution and how these campaigns shaped social purity in the 1880s and 1890s **The Reveal** Mark Ratcliffe, 2021-10-24 Bonus story free inside Would your family murder you There s been a murder Standard The family are suspects Standard Detective Inspector Forest is investigating Not standard He isn t one for too much police procedure It gets in the way of proper investigation Poor Mary is dead Thrown from a window Forest needs to find her killer but he d quite like a pint and he really

likes Detective Sergeant Senga McLean Can he solve the case get the girl and sink a pint From the fans a fast moving rollercoaster of how police investigations actually happen Gripping and funny deliciously dark humour combined with an edginess that made for a fantastically fast paced thriller Interview with the author So why crime fiction As a former UK police officer police procedurals mysteries and crime fiction were the obvious choices I mean who better to write thrillers about serial killers than someone who was in the life As a cop that is not as a killer What spurred you on to write Well there are many great British and Irish crime fiction writers and the Scottish crime fiction market is burgeoning As a boy I was an avid reader Mysteries and thrillers to begin with before graduating on to crime fiction When I eventually gave in to my burning desire to write it was inevitable given my police background that detective fiction was the stand I d hang my author s hat on How would you define your genre Humorous Scottish crime fiction There are a multitude of fantastic police procedurals out there with a lot of focus on the actual police processes and there s a tendency to assume that murder fiction noir crime mysteries thrillers etc have to be serious books But trust me the reality is that murder detectives rely on their humour to get them through the day Without it they d probably end up serial killers themselves *Odd women?* Emma Liggins,2016-05-16 This genealogy of the odd woman compares representations of spinsters lesbians and widows in British women s fiction and auto biography from the 1850s to the 1930s Women outside heterosexual marriage in this period were seen as abnormal superfluous incomplete and threatening yet were also hailed as women of the future Before 1850 odd women were marginalised minor characters in British women s fiction yet by the 1930s spinsters lesbians and widows had become heroines This book examines how women writers including Charlotte Bront Elisabeth Gaskell Ella Hepworth Dixon May Sinclair E H Young Radclyffe Hall Winifred Holtby and Virginia Woolf challenged dominant perceptions of singleness and lesbianism in their novels stories and autobiographies Drawing on advice literature medical texts and feminist polemic it demonstrates how these narratives responded to contemporary political controversies around the vote women s work sexual inversion and birth control as well as examining the impact of the First World War **Mapping Desire** David Bell,Gill Valentine,1995 This is the first book to explore sexualities from a geographical perspective The nature of place and notions of space are of increasing centrality to cultural and social theory Mapping Desire presents the rich and diverse world of contemporary sexuality exploring how the heterosexual body has been appropriated and resisted on the individual community and city scales The geographies presented here range across Europe America Australasia Africa the Pacific and the imaginary cutting across city and country and analysing the positions of gay men lesbians bisexuals and heterosexuals The contributors ring different interests and approaches to bear on theoretical and empirical material from a wide range of sources The book is divided into four sections cartographies identities sexualised spaces global local sexualised spaces local global sites of resistance Each section is separately introduced Beyond the bibliography an annotated guide to further reading is also provided to help the reader map their own way through the literature Single Lives Katherine Fama,Jorie

Lagerwey,2022-05-13 Inspired by the current public fascination with single women *Single Lives* traces the relationship between modern and contemporary representations of single women The original essays collected here analyze a broad range of texts that examine the ways films cookbooks archives popular literature and other British and American texts express norms ideals and challenges for single women and their relationship to dominant ideals of marriage and the family This volume looks backwards to constellate existing scholarship constituent fields and unrecognized single voices and forward to consider new methods for interdisciplinary singles studies      **Fiction and Poetry to Help Us Age** Laurence W.

Mazzeno,Sue Norton,2025-09-09 This volume explores the theme of age and aging uniquely combining personal reflections from literature professors with sound scholarly analysis of a range of fiction and poetry Bringing together leading literary scholars this collection of essays covers a range of writers and texts representing both the canon and new voices By combining the chapter authors expertise as literary and cultural critics with their own responses to novels short stories and poems the book offers new insights into the life trajectories made available to fiction and poetry readers through compelling narrative and vivid literary representation      The Sexuality Debates Sheila Jeffreys,2013-11-05 First published in 1987 From the 1870 s to the 1920 s feminists actively campaigned against men s sexual abuse of women This collection brings together the major articles which fuelled the feminist campaigns and helped to bring about significant reforms      **Old Maids to**

**Radical Spinsters** Laura L. Doan,1991 Among the authors whose works are studied in 13 contributions are Ivy Compton Burnett E M Forster Barbara Pym May Sarton Gail Godwin Toni Morrison Virginia Woolf The theme is the cultural stereotyping of unmarried women and the evolution of that image Annotation copyrighted by Book News Inc Portland OR

*Current Issues in Women's History* Arina Angerman,Geerte Binnema,Annemieke Keunen,Vefie Poels,Jacqueline Zirkzee,2013 This lively collection of essays originally published in 1989 illustrated recent developments in the area with chapters by contributors from many different countries and disciplines Asking new questions and using sources in a challenging way the contributors reflect 1980s debates about politics and academic research in women s studies They cover a wide range of topics dealing for example with opportunities and obstacles for women within male defined power structures and institutions such as science religious communities and ancient Roman industry They discuss feminists and feminist movements analyse the utterances of women and men in medieval literature and in defamation cases and give insights into the ways femaleness and femininity are given meaning The essays on theory deal with such important issues as women s historiography and androcentrism and ethnocentrism in history      Lesbian Love and Relationships Suzanna

Rose,2013-09-13 Explore the broad range of healthy lesbian attitudes and behaviors in love friendship self image and society This pioneering book makes a revolutionary assumption that lesbian and bisexual women are normal if not average Instead of focusing on which family or genetic quirks might produce lesbians these studies turn attention to describing the healthy ways lesbians interact with each other with heterosexual women and with society The result is a significant exploration of

uncharted territory Lesbian Love and Relationships examines the lives of lesbian and bisexual women from adolescence to old age addressing issues of class and race as well as sexual orientation It encompasses theory empirical research and memoir on such diverse topics as physical appearance cross generational friendships butch femme issues and lesbian sexuality It also looks at such difficult and painful issues as lesbian domestic violence and the impact of homophobia on lesbian couples Lesbian Love and Relationships asks personal political and psychological questions including how do young lesbians find each other what makes successful lesbian relationships last how does social class affect African American lesbian relationships what was it like growing up lesbian in the South during World War II does lesbian bed death exist This compendium offers exciting original research in a neglected field Lesbian Love and Relationships is an essential resource for anyone interested in women s lives and sexuality as well as scholars in the field

**Encyclopedia of Lesbian and Gay Histories and Cultures** Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Gyn/Ecology Mary Daly, 2016-07-26 This revised edition includes a New Intergalactic Introduction by the Author Mary Daly s New Intergalactic Introduction explores her process as a Crafty Pirate on the Journey of Writing Gyn Ecology and reveals the autobiographical context of this Thunderbolt of Rage that she first hurled against the patriarchs in 1979 and no hurls again in the Re Surging Movement of Radical Feminism in the Be Dazzling Nineties

Fallen Among Reformers Professor Janet Lee, 2020-06-01 Fallen Among Reformers focuses on Stella Miles Franklin s New Woman protest literature written during her time in Chicago with the National Women s Trade Union League 1906 1915 This time away from literary pursuits enriched Franklin s literary productivity and provided a feminist social justice ethics which shaped her writing Close readings of Franklin s mostly unpublished short stories plays and novels contextualises them in the personal politics of her everyday life and historicises them in the socio economic and literary realities of early twentieth century Australia and United States themes embedded in broader cultural patterns of socialism pacifism and feminism

**Bright, Catholic and Gay**

Danton Remoto, 2017-09-22 A collection of award winning writer and activist Danton Remoto's short essays on popular culture politics and other important and controversial national issues Remoto has taught English and Literature for more than twenty years and is a multimedia personality as host of a radio and a TV show and a columnist for a daily and an online news portal He founded the Ladlad Party List in 2003 whose accreditation was refused by the Commission on Elections This led to the historic decision affirming the equality of LGBT rights and opening the door to representation in Philippine Congress

*Lesbian Modernism* Elizabeth English, 2014-11-11 The first book length study to explore the importance of genre fiction for the body of literature we call lesbian modernism Elizabeth English explores the aesthetic dilemma prompted by the censorship of Radclyffe Hall's novel *The Well of Loneliness* in 1928 Faced with legal and financial reprisals women writers were forced to question how they might represent lesbian identity and desire Modernist experimentation has often been seen as a response to this problem but English breaks new ground by arguing that popular genre fictions offered a creative strategy against the threat of detection and punishment Her study examines a range of responses to this dilemma by offering illuminating close readings of fantasy crime and historical fictions written by both mainstream and modernist authors English introduces hitherto neglected women writers from diverse backgrounds and draws on archival material examined here for the first time to remap the topography of 1920s 1940s lesbian literature and to reevaluate the definition of lesbian modernism

**Key Features** Rethinks the lesbian modernist project to demonstrate that genre fiction not only influenced modernist writers such as Woolf and Stein but also found its way into their ostensibly highbrow work Brings to light hitherto neglected mainstream writers working in popular genres who contributed to the lesbian modernist aesthetic Situates Katharine Burdekin within the context of lesbian modernism for the first time employing hitherto unseen archive material including letters and manuscripts Divided into three broad multi author genres fantasy historical and detective fictions the study covers popular fictions such as utopian writing the supernatural historical biography historical romance and the classic country house crime novel

**The Lesbian Revolution** Sheila Jeffreys, 2018-09-03 The *Lesbian Revolution* argues that lesbian feminists were a vital force in the Women's Liberation Movement WLM They did not just play a fundamental role in the important changes wrought by second wave feminism but created a powerful revolution in lesbian theory culture and practice Yet this lesbian revolution is undocumented The book shows that lesbian feminists were founders of feminist institutions such as resources for women survivors of men's violence including refuges and rape crisis centres and that they were central to campaigns against this violence They created a feminist squatting movement theatre groups bands art and poetry and conducted campaigns for lesbian rights They also created a profound and challenging analysis of sexuality which has disappeared from the historical record They analysed heterosexuality as a political institution arguing that lesbianism was a political choice for feminists and indeed a form of resistance in itself Using interviews with prominent lesbian feminists from the time of the WLM and informed by the author's personal experience this book aims to challenge the way the work

and ideas of lesbian feminists have been eclipsed and to document the lesbian revolution The book will be of key interest to scholars and students of women s history the history of feminism the politics of sexuality women s studies gender studies lesbian and gay studies queer studies and cultural studies as well as to the lay reader interested in the WLM and feminism more generally

**Lesbian, Gay, Bisexual, and Transgender Aging** Douglas C. Kimmel, 2006 This volume fills a unique gap Gerontologists seldom focus on special concerns of gay and lesbian older adults lesbian gay bisexual and transgender aging organizations rarely address issues of aging and the mental health field has demonstrated an ability to marginalize both aging and homosexuality This book lays out the state of knowledge with respect to lesbian gay bisexual and transgender aging physical health sexuality family ties victimization and legal and financial concerns The references at the end of individual chapters and the bibliographical material at the end of the book provide an invaluable resource For any gerontologist intrigued by the interplay of historical changes and individual aging it is difficult to imagine a more powerful example than Lesbian Gay Bisexual and Transgender Aging Evolution of attitudes toward homosexuality the emergence of HIV AIDS and legal protections beginning to be afforded to same sex relationships are all part of the changing world that has shaped and been shaped by lesbian gay bisexual and transgender individuals who are now old
