**Church** Mary Grace Becker, 2006 12 pick up and do lessons for the elementary or Sunday school classroom     The Intensified Life Lekesha R. Christman, 2024-10-17 He took the blind man by the hand and when he had spit on his eyes and laid his hands on him he asked him Do you see anything He said I see men but they look like trees walking Then Jesus laid his hands on his eyes again and he saw everything clearly Mark's account of a blind man needing two healing touches from Jesus graphically depicts the stubborn blindness of his disciples Peter epitomized this blindness when he was tempted by the popular view that Jesus was the Rome conquering savior of Israel rather than the suffering Servant of God Also the disciples didn't understand that Jesus miraculously fed the famished crowds with a few loaves and fish to meet immediate need and provide leftover fragments of food for future need Salvation was pictured for all time Essentially Mark's Gospel gathered leftovers historical fragments of Jesus' life to convey God's salvation across history to those Kierkegaard called the follower at second hand Like Peter disciples and even the crowds are tempted to false salvations where self is lost But ironically persons only become a self by taking up their own cross enabled by Jesus' second touch     The Lavish Hospitality of God Jim Reynolds, 2009-06 The Lavish Hospitality of God is the compelling journey of a pastor who enters the church through the side door from a legalistic childhood church into a more biblical vision of the kingdom of God The author recounts the blessings of his heritage along with his struggle in allowing God to reshape his understanding of water baptism the role of the Holy Spirit and the Lord's Supper in a way that reflects the apostolic church's teachings Through a careful study of how the early disciples ate together the book dispels the way the evangelical church has turned the love feasts and common meal into a Jesus and me moment of silence This is a call to rethink the Lord's Supper and other church ordinances as an expression of the outrageous and sometimes scandalous hospitality of God and a sign of His kingdom presence Jim Reynolds holds a bachelor's and a master of divinity degree from Abilene Christian University 1964-1967 a doctorate from the Graduate Theological University Berkeley

Calif 1974 and a law degree from SMU 1981 He has been a licensed marriage and family counselor and has published numerous articles and books including *Secrets of Eden God and Human Sexuality* 1974 and *The Lepers Among Us* 2007 Jim has taught religion theology philosophy and biblical studies at Pepperdine University and the University of Texas and presently is an adjunct professor at Dallas Christian College He also does mediation for Dale O Neall and Associates in Fort Worth Texas From 1981 to 2007 Jim was a family lawyer and partner with the Whitaker Chalk law firm in Fort Worth Texas Since 1984 he has been pastor of Lake Highlands Church in Dallas Texas Jim and his wife Donna have two children and eight grandchildren

*God in 3D* Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can't be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God Fresh Light Joseph Pollard,2006

**Strengthened in the Presence of El Gibbor** Riaan Engelbrecht,2024-02-20 If we look at the life of Moses we find numerous spiritual lessons that will benefit any disciple of Jesus Is his life important Most assuredly as this volume of work explores He was a murderer yet God used him mightily He was almost killed as an infant yet survived to do great things for God leading a life of worth and value for 120 years He survived the harshness of two wilderness journeys totalling 80 years and rightly takes his place even though human as one of the great heroes of the Bible Moses as a prophet played a vital role in pointing towards the life and the ministry of Jesus Moses is of great importance in the Bible for he is recognised as a deliverer Exodus 3 7 10 covenant mediator Exodus 34 27 priest Psalm 99 6 and ruler Exodus 2 13 14 Acts 7 27 Moses's larger than life status as prophet was designed by God as a template from which all other prophets would be measured Enjoy this journey as covered in volumes one and two to know more about Moses and how we can spiritually grow on our journey with God
