Spirit In The Flesh Removing Limiting Beliefs About Our Psyche And Our Soul:

Genesis: Your Journey Home, 2Nd Edition Terry L. Newbegin, 2011-04-21 Genesis Your Journey Home is a groundbreaking book that goes far beyond the usual levels of biblical interpretations and the ideas taught by religion that are difficult to understand. It bypasses word definition, root studies, historical explanations, and the ideas taught by religion that are difficult to understand but are important. This book examines the first twenty-five chapters verse by verse, exploring and revealing the deeper metaphysical beyond the literal meaning of the text. Most people know that there are multiple levels of truth contained within the Bible, but until now, none have brought forth the ultimate Truth hidden within the mundane semi-historical writings. Rather than creating new doctrines, this book gently peels back ALL levels of dogmatic views to reveal the true core essence of God, humanity, and the nature of reality. Deep within the ancient biblical text is found the true story, record of creation, the reason for our very existence, and the history of All That IS. This book is for those that are searching for authenticity, purpose, and a sense that truth lies somewhere beyond religious teachings but who are reluctant to discard the inherent value of scripture. This book brings comfort, personal empowerment, a new understanding of God, and fosters a renewed sense of responsibility for life. It is a book whose time has come at last as it brings humanity to a deeper understanding of God and a realization of their ultimate purpose.

Genesis Terry L. Newbegin, 2008-08-06 Genesis is not just the story of Adam and Eve; it's your own story and a roadmap helping you understand why you are here and how you can return home.

Tobago in Print The Tobago Writers Guild, 2015-11-03 Where on earth is this place called Tobago, in which twenty-six authors have come together to produce an anthology called Tobago in Print vol 1? While the geographical location of this precious, unique, and serene island can be easily placed at the near southernmost tip of the Caribbean chain of islands, its soul and spirit shine out in the pages of this riveting book. Perhaps the soul of the island is best captured by Crystal Skeete, Tobago's champion spoken word artist, who writes: Bago is the place that we win wars with our mouth, not with guns and knife. Whatever the island of Tobago is, the Tobago Writers Guild production of this book is a work of love, unity, and excellence. Members thank the group's guru, Marlene Nourbese Phillips, herself an award-winning author of the book *Harriet's Daughter*, who nurtured in them the belief that they can accomplish this book. She has herself written a very fitting foreword to the book, declaring that it illustrates the breadth of English expression, that is, the linguistic reality and heritage of Tobago. The work of each of the 26 contributors to this book is a study of creativity and original thought. It reflects an exciting array of themes, styles, and perspectives. It answers the question of exactly what are the concerns of Caribbean people and its writers. Is it for good health care, as so graphically presented by Gloria Austin in *Heart to Heart*, or for the preservation of the island's traditions explored by Milca Robinson Reid in *Heritage Beginnings*, or the age-old prejudices of skin colour recorded by Laureen Burris Phillip in *Growing Up Red*, or for the future of its youth in *De African Dimension* of Deborah Moore Miggins. In

this book it is all these things and more Reginald O Phillips also took time to pay tribute to Tobagos icon and internationally recognized statesman in the person of deceased former Prime Minister and President of Trinidad and Tobago Arthur Napoleon Raymond Robinson Indeed this book is a collectors item for Caribbean people and those interested in Caribbean literature
