Whitehead,2025-02-25 I need a flood in my soul to carry off all the old drift and the flimsy habits that have extended down to the water s edge Harlan Hubbard Journals Writer artist and sustainability pioneer Harlan Hubbard 1900 1988 lived a quiet unassuming life and yet he is thoroughly embedded in Kentucky s historical memory While some may know of Hubbard s shantyboat sojourn on the Ohio and Mississippi Rivers with his wife Anna or of Payne Hollow their hand built homestead few know the full story After four decades of transformation Hubbard emerged in middle age as the rightful heir to the Transcendentalist ethos ready to envision a unique existence of simplicity and wild beauty akin to that of the revered Henry David Thoreau In this comprehensive biography Jessica K Whitehead reveals why Hubbard is beloved by his fellow Kentuckians and has been an inspiration to generations of readers interested in art adventure and environmentalism

Driftwood delves into Hubbard's family background, education, and relationships, and into his theories on art, writing, music, and philosophy. Using journals, letters, paintings, manuscripts, and sketches, Whitehead pieces together the distinct phases of Hubbard's life, providing new insights into his character and legacy. By examining his perspectives on creativity and responsible living, Whitehead connects the early Hubbard who grappled with his identity and yearned for travel with the confident and intentional Hubbard of Payne Hollow. *Driftwood: The Life of Harlan Hubbard* is a complex portrait of a person who deserves a place alongside other iconic American thinkers and artists in the nation's broad cultural history. It offers a vivid depiction of Hubbard, the traces he left behind, and his template for sustainability in our modern ecological landscape.

School for Spirits: Final Test Aron Lewes, 2020-01-03 Alyx Keating failed at life. Now she's failed at death. She thought she was done with spirit guide school, but she's not. She's not even close. Because she graduated with a colossally bad rating, she's called back for another round of lessons with a new instructor. Her teacher, Phineas, is a pompous angel with a terrible attitude and little patience for her slacker attitude. Meanwhile, the lead singer of Alyx's favorite band might be more attainable than she thinks. Alyx Leigh and Taishi all return in this sequel to *School for Spirits: A Dead Girl and a Samurai*.

In *Southern Strategies: Narrative Negotiation in an Evangelical Region*, Michael Odom argues that through the narrative strategies of resistance, satire, and negotiation, a multigenerational group of twentieth-century white Southern writers provides unique insight into the central role evangelical religion has played in shaping the sociopolitical culture of the American South. Odom investigates how W. J. Cash and Lillian Smith confront both the racist culture of their time and the religious institutions that enabled white supremacy to flourish. Insider-outsider Catholic writers Flannery O'Connor and Walker Percy satirize American consumption and the antithetical imperative of evangelical Christianity subsumed within the same culture. Doris Betts and Dennis Covington engage evangelical religion with curiosity and compassion, redefining spirituality with the aim of providing a sense of community, vision, and selfhood. *Southern Strategies* concludes with an analysis of contemporary responses to the evangelical activism that animates the base of American conservatism today. *From Kongo Central to the Americas via Europe* Adrien Ngudiankama MPhil., Ph.D., 2021-04-14 *From Kongo Central to the Americas via Europe: A Cultural Overview* By Adrien Ngudiankama MPhil., Ph.D. *From Kongo Central to the Americas via Europe: A Cultural Overview* is an odyssey. An autobiographical ethnography of dialogues with cultures and social dynamics in three different continents that are Africa, Europe, and the US. Caribbeans and African Americans Always based on his ethnography he dialogues with scholars such as Philippe Wamba Nemata Blyden and Ali Mazrui The author speaks of the urgency of a pan African emotional harmony in our global village
