

The background of the slide is a photograph of a sunset or sunrise over a body of water. The sun is low on the horizon, creating a bright, glowing reflection that stretches vertically down the center of the image. The sky is a mix of soft orange and pale yellow, while the water below is dark with a shimmering path of light from the sun's reflection.

terms of an expanded awareness than with socio cultural explanations She combines her own subjective insights gained from magical practice with practitioners in depth accounts and sustained academic theory on the process of magic She also tracks magical consciousness in philosophy myth folklore story telling and the hi tech discourse of postmodernity and asks important questions concerning nature religion s environmental credentials such as whether it is as inherently ecological as many of its practitioners claim

guidance from the Nature Spirits I have had the great pleasure of not only experiencing the fairies but have been blessed with the opportunity to view them through my photography Secular Beats Spiritual Steve Bruce,2017 The decline of the Christian churches in the West is undeniable but commentators differ in their understanding of what this represents For some it shows a decline in interest in religion as such for others religion has not declined it has only changed its shape Possible candidates for Christianity s replacement are the new religious movements of the late 1960s and what is variously called New Age alternative or contemporary spirituality Secular Beats Spiritual offers a detailed study of the religious and spiritual innovations of the last 50 years It assesses their popularity in the UK and concludes that the not decline just change view cannot be sustained Serious interest in spirituality has grown far less quickly than has the number of us who have no religious or spiritual interest The most popular and enduring movements have been the least religious ones and those that have survived have done so by becoming more this worldly and less patently religious or spiritual Yoga is popular but as a secular exercise program Transcendental Meditation now markets its meditational technique as a purely secular therapy British Buddhists now offer the secular Mindfulness and the Findhorn Foundation Europe s oldest New Age center is no longer the germ of a counter cultural communalism but sells its expertise to major corporations Steve Bruce also demonstrates that although eastern religious themes such as reincarnation and karma have become more popular as the power of the Christian churches to stigmatize them has declined such themes have also been significantly altered so that what superficially looks like the easternization of the West might better be described as the westernization of the easternization of the West **The Findhorn Garden Story** The Findhorn Community,2012-06-01 Updated to showcase color photographs this spiritual classic presents the history and philosophy of Scotland s Findhorn Community Findhorn was founded more than 40 years ago in far northeast Scotland on windswept and barren sand dunes that happened to sprout a miraculous garden Plants flowers trees and organic vegetables of enormous sizes began to grow in a small plot around the 30 foot caravan trailer inhabited by three adults and three children living on meager unemployment benefits Guidance by God and absolute faith in the art of manifestation led the occupants to this unlikely locale to create a magnetic center that would draw people from all over the world Their discovery of how to contact and cooperate with the nature spirits and devas that made the garden possible sparked a phenomenon that continues today as Findhorn has grown into a thriving village housing hundreds of people from all over the world and an internationally recognized spiritual learning center Chakras Beyond Beginners David Pond,2025-08-05 Discover the path to your energetic core and bring each chakra into its full potential with Chakras Beyond Beginners Building on concepts presented in Chakras for Beginners David Pond takes you past basic understanding to explore the many ways chakras can enhance the flow of vital energy in all aspects of your life Learn how to identify and remove the obstacles that inhibit your energy as well as how to keep that flow open Raise your awareness of other people s energy fields and use it to improve your relationships Find fulfillment security and happiness by balancing

Globalization of Communes Yaacov Oved,2017-09-08 After World War II communes and cooperative communities became internationally oriented in their membership and networking began to develop Unlike earlier such enterprises these groups shared an openness to international relationships This was evident both in the groups social composition and in the extension of networks beyond their own country Such globalization opened up the possibility of comparative analysis which has become a trend in research since the 1950s The dynamism and speed with which voluntary communities have spread throughout the world is impressive In the 1950s there were only a few hundred such societies but by the end of the last century there were thousands These have taken a variety of forms There are religious and secular communes intentional communities ecological communities co housing projects various types of Christian communities communities of Eastern religions and spiritual communities inspired by New Age thought Yaacov Oved shows that such societies maintain a community based on cooperation and expand their influence through newspapers television and the Internet Their chief characteristic is their openness to the outside world and their search for a way to move beyond a world of individualism and competitiveness To accomplish this they embrace all the tools of the modern world Oved observes that those who predicted the failure of communes and intentional communities failed to appreciate the extent to which people in today s society aspire to communal life This book answers the doubters and does so with a sense of deep historical understanding
