A Dynamic Reading of the Holy Spirit in Revelation Hee Youl Lee, 2014-04-07 A Dynamic Reading of the Holy Spirit in Revelation attempts to read the book of Revelation in a new way as a narrative embracing literary elements such as plot point of view narrative voice character and story structure to help readers discover its meanings by tracing the story anew Lee's unique narrative perspective offers readers a bird's eye view to experience four levels of the story heaven earth abyss and the lake of fire Lee develops a theological account of John's pneumatology and surely extends Christian pneumatology a doctrine inseparable from the life of the church Readers will come away with a greater understanding of the role of the Holy Spirit which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before Lee portrays the book of Revelation as a mission oriented book that tells how the kingdom of God will be built in this world through spiritual warfare rather than as a book of eschatology Lee's book will serve as a spiritual wake up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare

Deliverance From the Spirit of Destructive Anger Olusegun Festus Remilekun,2018-07-24

INTRODUCTION Handling anger is an important life skill Christian counselors report that 85 percents of people who come in for counseling have problems dealing with anger Anger can shatter communication and tear apart relationships and it ruins both the joy and health of many Sadly people tend to justify their anger instead of accepting responsibility for it Everyone struggles to varying degrees with anger Thankfully God s Word contains principles regarding how to handle anger in a godly manner and how to overcome destructive anger Overcoming the spirit of destructive anger is not accomplished overnight But through prayer Bible study and reliance upon God s Holy Spirit the spirit of destructive anger can be overcome We may have allowed anger to become entrenched in our lives by habitual practice but we can also practice responding correctly until that too becomes a habit and God is glorified in our response If you want the great and mighty things God has for you in life to manifest you must get to the root of destructive anger and deal with it Everybody has to deal with anger from time to time But what s the best way to handle it To answer that question we must first understand what destructive anger really is Destructive anger is an intense emotional response rooted in annoyance displeasure indignation wrath vengeance or hostility which is usually irrationally Ephesians 4 26 27 Be ye angry and sin not let not the

In an explanation of the mysteries in the Feast of Trumpets on the first day of the seventh month. Wherein is shewn the approaching manifestation of our Lord, etc Richard CLARKE (Curate of Cheshunt.),1760 The Spirit in the Epistles Witness Lee,2001-02 From Romans to the seven epistles in the book of Revelation the life giving Spirit spoken of in 1 Corinthians 15 45 is the general subject of all the New Testament Epistles In the Gospels the Lord Jesus is presented as the Word who became flesh while in the Epistles He is presented as the One who became the life giving Spirit in resurrection for us to receive experience and enjoy *Quest* Denise Linn,Meadow Linn,2012-08-01 A personalized spiritual program for growth and healing drawn from Native American practices and other cultural traditions from around the world For centuries ancient cultures embarked on rites of passage to gain entrance to the spiritual realms and attain self knowledge Now international lecturer and healer Denise Linn and Meadow Linn draw on their Native American roots as well as the teachings of other cultures to create a carefully crafted spiritual program for anyone wishing to venture on a retreat or create a uniquely personal Quest of his or her own This practical engaging book will show you how to Discover your life s purpose Find mystery at the core of your life Release limiting beliefs about yourself Call for a vision Harness the power of the Sacred Circle Confront and free yourself from fears Heal emotional wounds Develop peace of mind This book gives you the necessary tools to prepare for a Vision Quest that will take you to the center of your soul

Some Chinese Ghosts Lafcadio Hearn,2018-08-14 Lafcadio Hearn was one of the most extraordinary figures in America literature a journalist and novelist who became later in life a major literary icon in his adopted nation of Japan Some Chinese Ghosts 1887 a stylized retelling of ancient legends was one of his earliest books a foreshadowing of his later fascination with Asian themes This collection of six stories reveals his deep fascination with the weird beauty of Chinese folk tales Because he

himself knew little of the Chinese language Hearn relied on European Sinologists to help him create his own versions and understand the historical and linguistic allusions To such great explorers he acknowledged in a preface the realm of Cathayan story belongs by right of discovery and conquest yet the humbler traveller who follows wonderingly after them into the vast and mysterious pleasure grounds of Chinese fancy may surely be permitted to cull a few of the marvellous flowers there growing *Ancient Egypt - Light Of The World, Volume 2* Gerald Massey, This is part 2 of the Gerald Masseys work about the comparisons between the Judeo Christian religion and the Egyptian religion No one ever understood the mythology and ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best of its kind and a must have for every student of Egyptian mythology and history **Isaiah** John Calvin,2000-03-24 Original works by godly writers tailored for the understanding of today s readers For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentary Series carefully adapted for maximum understanding and usefulness presents the very best work on individual Bible books for today s believers Rich imagery and glimpses of God s character abound in the book of Isaiah Even as the prophet cried out against Judah s empty idolatry and warned of the judgment they would receive he stressed God s holiness patience and mercy Redemption is Isaiah s central theme evidenced in his declarations about Judah s temporal need for salvation and every soul s eternal one Consequently Isaiah more than any other prophet foretold the coming of the Messiah and all that would follow John Calvin delights to point out the numerous passages that were fulfilled during Christ s earthly ministry and with anticipation expounds upon those that are yet to be realized Accordingly he explains Isaiah s emphasis on God s attributes and the prophet s message that salvation is God s chief work The lessons in Isaiah are powerful and with Calvin s insightful commentary are sure to inspire every believer

The Power and Vulnerability of Love Elizabeth O'Donnell Gandolfo,2015-02-01 Gandolfo constructs a theological anthropology that begins with the condition of human vulnerability as a site to answer why human beings experience and inflict terrible suffering This volume argues that vulnerability is a dimension of human existence that causes us great anxiety which forms the basis for violence but also affords the possibility of human openness to the redemptive work of divine love Poised paradoxically between tragic and redemptive vulnerability human beings need existential resources and empowering practices to cope with and manage our vulnerability in more compassionate ways **The Doctrine of the New Jerusalem Concerning the Lord: which Answers to the Questions Proposed by the Rev. T. Hartley ... Ninth Edition** Emanuel Swedenborg,1846 **Isaiah** Dr. Brian J. Bailey,2017-08-07 The Book of Isaiah is a book of dramatic prophecies expressing in a beautiful literary language the very heart of God towards His people In his commentary on this exceptional book Dr Brian Bailey presents us with insight and revelation that shows us the ways of God more perfectly explaining the meanings of Isaiah s prophetic messages to natural Israel as well as to the Church Therefore an in depth study of this book is essential for
