The Works of Saint Augustine Saint Augustine (of Hippo), 1990 In 1990 New

City Press in conjunction with the Augustinian Heritage Institute began the project known as The Works of Saint Augustine A Translation for the 21st Century The plan is to translate and publish all 132 works of Saint Augustine his entire corpus into modern English This represents the first time in which The Works of Saint Augustine will all be translated into English Many existing translations were often archaic or faulty and the scholarship was outdated New City Press is proud to offer the best modern translations available The Works of Saint Augustine A Translation for the 21st Century will be translated into 49 published books To date 41 books have been published by NCP containing 93 of The Works of Saint Augustine A Translation for the 21st Century Augustine s writings are useful to anyone interested in patristics church history theology and Western civilization Publisher *Life in Christ* William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it
