Rangacharulu,1895 Spirit Teachings William Stainton Moses,M. A. Oxon,2018-08-08 William Stainton Moses an Anglican priest authored *Spirit Teachings* in 1883 nine years before his passing It is now considered a classic in the Spiritualist genre Initially Moses was antagonistic toward spirit communication calling the mediumship of D D Home the dreariest twaddle However in 1872 he attended a sance for the first time and five months later became aware he had psychic abilities which eventually manifested as automatic writing Later that same year a communicator writing through his hand introduced himself as Imperator Servus Dei claiming he was the leader of a band of 49 spirits communicating from the seventh sphere their purpose to work out the will of the Almighty Much of the communication came via a spirit named Rector who claimed to reside in a lower sphere than Imperator s team one closer to our physical vibration which enabled dialogue Imperator and the other communicators answered many questions Moses put to them such as the nature of reality life after physical life spirit influence skepticism Jesus the Second Coming prayer disposal of the body and much more Moses found his Christian dogma constantly challenged by what came through his hand During one sitting Imperator explained Friend you must discriminate between God s truths and man s glosses Stainton Moses writings have become essential reading for truth seekers with an interest in life and death and despite the nineteenth century vernacular the messages of wisdom are timeless and appeal to reason **The Sufficiency of the Spirit's Teaching Without Human Learning** Samuel How,1792 *Understanding the Holy Spirit* Lola Stradford Richey,2011-09-02 What is the Holy Spirit Many differing names and interpretations surround this frequently misunderstood subject Even Christians who go to church every Sunday cannot seem to agree on what the Holy Spirit means to them Through concise study of biblical passages that clearly teach about the Holy Spirits identity and purpose *Understanding the Holy Spirit* throws light on misplaced notions of the Holy Spirit exposing its true meaning as the power of God Youll walk away knowing what importance the Holy Spirit holds in your everyday life why the Holy Spirit doesnt pertain to just one Christian denomination and how a clear understanding of the Holy Spirit can improve your spiritual health Discover how the Holy Spirit relates to God the Father and the Son and how the Holy Spirit reveals Gods presence Whether you are a new Christian a lifelong

Dunbar, 2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the eons of time Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities Oriental Christians viewed pneumatology as being a significant part of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity Although both groups have a history of singling out this distinction over the years theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity It is concertedly understood that neither of the two can be studied or taught without the other Their inseparable existence makes Christianity a complete whole The authors exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community Whether a secular or non secular intellectual you will find the information in this book to be rewarding resourceful and informative You will come across comments from some of humanity's and Christendom's finest and brightest academics in an eclectic form Join the author now on his literary expedition Welcome
