Spirit That Gives Life:

The Letter Kills, but the Spirit Gives Life Sky Takemoto, 2025-02-16 The divine life is not knowledge doctrines or anything else but the Spirit The letter kills but the Spirit gives life As the Redeemer Christ Himself became a life giving Spirit We receive Christ as the Savior the Redeemer and also as the life giving Spirit He alone gives us the Spirit of life In order to receive life we need to contact the Spirit as the pneuma by breathing Him in Romans 8 2 says The law of the Spirit of life has freed me in Christ Jesus from the law of sin and of death The Spirit is the releasing Spirit who sets us free Second Corinthians 3 17 says The Lord is the Spirit and where the Spirit of the Lord is there is freedom This law of life releases us from Moses law the law of sin and of death The function of the law is to expose transgressions Without the law we would not know what sin is But whenever our heart turns to the Lord who is the releasing Spirit the veil is taken away The mind set on the spirit is life By setting our mind on the spirit spontaneously the divine life sets us free The Collected Works of Witness Lee, 1982, volume 2 Witness Lee, The Collected Works of Witness Lee 1982 volume 2 contains messages given by Brother Witness Lee from October 11 1982 through June 15 1983 From December 22 1982 through January 1 1983 Brother Lee spoke twenty nine messages that were published in Life study of 1 Peter Life study of 2 Peter and Life study of Jude The Life study messages are not included in The Collected Works of Witness Lee From the beginning of August until the end of November 1982 Brother Lee remained in Anaheim California except for one day visits to the nearby localities of Cerritos and Huntington Beach California at the end of October At the end of November he traveled to Irving Texas and remained there until the first week of January 1983 The contents of this volume are divided into four sections as follows 1 A message given in Anaheim California on October 11 This message is included in this volume under the title Fellowship concerning the Translation of Watchman Nee s Writings 2 Six messages given in Irving Texas on November 28 through December 27 These messages are included in this volume under the title Experiencing the Processed All inclusive Life giving Spirit and Raising Up the Young People and the Children for the Increase of the Church 3 A message given in Cerritos California on October 28 This message was translated from Chinese and is included in this volume under the title Eating and Drinking in Remembrance of the Lord and Six Items Related to the Church Life 4 Sixty three messages given in Anaheim and Huntington Beach California Irving Texas and Stuttgart and Tübingen Germany on October 31 1982 through June 15 1983 These messages were previously published in a book entitled The Fulfillment of the Tabernacle and the Offerings in the Writings of John and are included in this volume under the same title The Spirit of Truth Haitham A. Issak, 2023-09-12 The fourth century was different than the previous centuries due to two big heresies The first one was the heresy of Arius who denied the divinity of the Son This heresy led to the Council of Nicaea in 325 in which the church fathers affirmed the divinity of the Son of one substance with the Father The second heresy was that of the Tropicists who denied the divinity of the Holy Spirit and said that the Holy Spirit was a creature or an angel At that time Athanasius was one of the most important leaders in the life

of the church He wrote against the Tropicci as he addressed them in his letters to Serapion These letters are the major work of Athanasius concerning the Holy Spirit The Spirit of Truth explains the way that Athanasius dealt with the heresy and elucidates the pneumatology of Athanasius s use of the Gospel of John and 1 John It also discusses Athanasius s understanding of tradition Scripture and hermeneutical principles in his defense of the Godhead particularly the divinity of the Holy Spirit For Athanasius the Holy Spirit is eternal divine uncreated and one with the Father and the Son **The Collected Works of Witness Lee, 1961-1962, volume 3** Witness Lee, The Collected Works of Witness Lee 1961 1962 volume 3 contains messages given and personal notes written by Brother Witness Lee in June 1961 through September 9 1962 Historical information concerning Brother Lee s travels and the content of his ministry in 1961 and 1962 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into ten sections as follows 1 Fifteen messages given in June 1961 Messages 1 through 12 were given in Taipei Taiwan and Messages 13 through 15 were given in an unknown location The fifteen messages were previously published in a book entitled The Exercise of the Spirit and the Building of God and are included in this volume under the same title 2 Nine messages given in Taipei Taiwan on August 3 through 19 1961 These messages were previously published in a book entitled How God Becomes Man s Enjoyment and are included in this volume under the same title 3 Twenty four messages given in Taipei Taiwan in the autumn of 1961 These messages were previously published only in Chinese in a book entitled The Visions of Ezekiel Later these messages were translated and combined with another set of twenty four messages on Ezekiel given in Los Angeles California in the summer of 1971 The combined set of messages was published as the Life study of Ezekiel Neither the Life study of Ezekiel nor the messages that were previously published in Chinese in the book entitled The Visions of Ezekiel are included in The Collected Works of Witness Lee 4 A set of entries made in Brother Lee s personal diary while he was in the Philippines and in New York City from October 29 1961 through January 14 1962 These notes are included in this volume under the title Witness Lee s Diary 5 Three messages given in New York City in December 1961 These messages are included in this volume under the title The Riches and the Fullness of Christ 6 Three personal letters written in New York City on December 18 1961 and in Seattle Washington on March 31 and June 22 1962 These letters were originally published in two issues of Church News on January 14 and September 9 1962 They are included in this volume under the title Church News 7 Three messages given in New York City on January 26 through 28 1962 These messages are included in this volume under the title Christ and the Church 8 Seven messages given in New York City and in San Francisco California on February 11 through 25 1962 These messages are included in this volume under the title Various Meetings in New York City and San Francisco 9 Six messages given at an unknown time and place These messages were originally published in The Ministry of the Word in April and June 1962 and were also previously published in a book entitled Fellowshiping with the Lord for the Mingling of God with Man They are included in this volume under the same title as that of the book 10 Eleven messages

Reeves,2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning **The Teacher; The Free Choice of the Will;**
