Spirit Warrior Peter Zindler,2006-05-18 Fortified with their overwhelming verbal support Megog dipped his muscled shoulder and shot forward Quickly I dodged to the right but he had anticipated my very move and crashed straight into my chest He had guessed my path of escape With a loud thud my back slammed the mat and my head bounced off the hard rubber surface Starbursts of pain rocketed through my brain like a meteor shower I lay there dazed unable to move The crowd jumped to their feet and cheered Megog had executed a brilliant combination move This society s love of violence in sport was particularly keen Pulling myself to my knees I couldn t breathe My eyes refused to focus and all I could see was a colorful kaleidoscope of fuzzy objects My head felt like it was in a hot steel vice that someone was tightening Again I gasped for air but none came I knew what would happen next and tried to raise my arms to defend myself but my body rebelled My brain couldn t activate my muscles Dear Jesus was all I could say before I fell to the mat in an unconscious heap

Science of Spirit Robert Donald Tonelli,2011-01-17 Beyond the Secret Beyond the Power of Now is the Science of Spirit a Deeper look at life Why are we here alive on planet earth trapped in a life of 9 to 5 wage slavery Science of Spirit Lost Keys to the Kingdom of Heaven on Earth shows that all life on planet earth and in the universe is based on an evolution of consciousness from the beginning of timethe Big Bang It clarifies the connectedness of all life with Science and to Spirit through the understanding of world old Hermetic Teachings in a balance of Reason and Faith Consciousness is the very fabric that all form is made out of and is the ground of all beingness of life Consciousness and the energy that makes up matter are inextricably combined or linked emerging in a sequence of events called occasions of experience that ultimately create our experiences in life and our reality The universe isnt made of things or particles Its a process Its made up of events The result of this evolution of consciousness is an Analogical Awareness of life living in the now moment of unlimited potentials for the growth of a new super conscious species of humanity moving through an Omega Point in time between 2011 2013 These Hermetic Teachings were clarified for me through the teaching of Ramtha and his Ancient Gnostic School much of what I have learned in 20 years my philosophy of life has its foundation in Ramthas philosophy Our accelerating consciousness is

moving to a quantum existence of Spirit in Mass God Man realized alive with all the lower species of life specifically the Sheeple of Economic Western Society The Science of Spirit is based on my personal experience my research and my understanding of the ancient philosophy that this work comes from It uses from research the philosophy and experience of other very credible people that have studied different aspects of a Science of Spirit as a philosophy to live by I use this eclectic approach to build an accurate model of reality based in consciousness that allows us to create our own reality once we rid ourselves of the illusions of society This approach gives credibility to my overall viewpoint a modern interpretation of a very old philosophy and way of life A Science of Spirit that is inherent in Mother Nature It goes in depth about understanding What Consciousness Is An Analogical State of Awareness that is continuously evolving faster and faster to the eternal Now Moment It uses the discovery of a new perspective of the Mayan Calendar that is supposed to end in a religious Apocalypse at The Omega Point in time around 2012 as its foundational understanding of an Evolution of Consciousness on earth This philosophy and research show an Evolution of Consciousness a rising of an Analogical Awareness of life revealing a Science to the nature of Spirit It explains from a new perspective this battle between the Forces of Good and Evil at The End of Time This Ancient Science of Spirit philosophy explains how the primeval forces of life Spirit that are inherent in Mother Earth growing for 16 4 billion years are pitted against the dogmatic stagnant god fearing personalities that runs the Engines of Commerce of our Global Society with their focus on monetary control of the people and the planet This is a real life battle between evolving evolutionary beings against the Anti Christ Social Consciousness of The Multi National Corporations Religious dogmas talk about an Apocalypse at the end of time to help warn us of our impending doom the remarkable thing is that the word Apocalypse means the lifting of a veil or a disclosure to certain privileged persons of something hidden from the majority of humankind I will show in this book that the lifting of a veil is a rising of consciousness that knows no fear of the unknown and clarifies ancient predictions of the end days and the real battle of Armageddon This ancient Science Interview with a Spiritual Warrior George Macias,2020-06-24 This book documents my unique firsthand experiences as a spiritual warrior for the Lord Jesus Christ For the past fifteen years I have been battling evil entities in the spiritual realm and thanks to the Lord I have successfully overcome them To begin the Lord had to teach me how to enter the spiritual dimension and travel outside of my physical body This book details my becoming a spiritual warrior of the Lord The Lord called me to my mission in 1984 when I was visited by the Blessed Mother who gave me the Lord s graces and blessings and awakened me to my spirituality Since then the Holy Spirit has guided me increasing my acceptance that I had a special gift As a truly charismatic Christian I have been blessed with the miraculous gift of being groomed by the Holy Spirit to fight spiritual battles on behalf of those whom the Lord has guided to me The Holy Spirit has taught me how to fight these battles not in the physical world but in the spiritual realm of our Lord Through this miracle I have traveled to the stars and beyond to far distant planets and to other dimensions outside of our galaxy to do the work of our Lord This book documents my

fifteen years of experience as a spiritual warrior In a world full of ever increasing reports about people who have had spiritual encounters I have experienced life after death and as a warrior I have personally battled evil entities In 2014 I received a message from the Lord that instead of visiting people in their homes to pray for them I needed to write a book on my spiritual battles By writing the book it would enable me to help not just hundreds of people but literally thousands throughout the world I believe our salvation depends on having a deep awareness and understanding of our spirituality People also need to connect with their spiritual side in order to become successful and fulfilled in life We all want to live life to the fullest This book will help the reader to accept the Lord s blessings and the Lord s graces unlocking the secrets of your spirituality It will give people hope and increase their faith *The Return* Angus McMillan,2015-02-27 A great power has awoken one that will change the face of The Crescent forever A prophecy foretold a thousand years ago will soon come to pass Max Akurai watched his entire life get destroyed when he was ten years old Since then all he wants to do is live long enough to become a member of a deadly group of assassins called the Ajnin But he has to survive their training first and try to unravel the mysteries of a strange creature that haunts his dreams Will he ever learn the truth for himself Or will fate be denied for another generation Spiritual Warrior John-Roger, DSS,2009-04-01 Presenting keys for mastering relationships and combating fear and addictions this perceptive meditation reflects on methods for creating abundance and love Examining the question How do we live rewarding inner spiritual lives in a constantly changing world this useful guide offers successful tips for countering negative habits and living more successfully each day Full of wisdom humor and common sense the book portrays conscious individuals as warriors battling the anxieties of modern life through intention and impeccability as opposed to violent means A practical journal of spiritual convergence is also included Spiritual Warrior Part III B.
