Spirit World Breakthrough:

Breakthrough Fast Guillermo Maldonado, 2018-12-18 If today's believers only knew the spiritual power for breakthrough that comes through fasting they would practice it more. A breakthrough is a sudden spiritual burst that pushes us beyond our limitations and into deliverance and freedom. Many Christians are struggling with a need for guidance, deliverance from long-term issues and answers to perplexing circumstances, and they desperately need breakthroughs. Furthermore, as the second coming of the Lord draws near, we are dealing with demonic powers that have never before been seen on the earth. Our need to pray and fast has intensified because this is the only way we can be prepared to confront these destructive powers. Now is the time to press through to breakthrough by developing a lifestyle of fasting and prayer. Learn what fasting is, the different types of fasts, and their benefits, and how to fast effectively. Fasting is one of the keys to entering the presence of God. Allow God to deliver you, transform you, and use you as a vessel of His supernatural power in the world as you discover how to enter into a Breakthrough Fast. Your Father, who sees your fasting in secret, will reward you openly. Matthew 6:18 *Know Your Spiritual Enemies and Destroy Their Kingdom of Darkness* Gilbert Enyidah-Okey Ordu, 2007

Spiritual Breakthroughs, *Spirit World Breakthrough* Jack Perry, 1969 *Fasting for Spiritual Breakthrough* Elmer L. Towns, 2017-11-07 This time-tested book will strengthen your faith, drawing you closer to God. This comprehensive book is for you if you seek a closer walk with God, whether you wonder how to fast or you've been practicing this spiritual discipline for years. As you learn the clear biblical reasons for fasting, you'll also be introduced to nine biblical fasts that God can use for specific physical and spiritual outcomes. These include The Disciple's Fast to free yourself and others from addictions to sin; The Ezra Fast to solve problems, inviting the Holy Spirit's aid; The Saint Paul Fast to bring clearer perspective and insight in critical decision making; The Daniel Fast to gain a healthier life or healing. Each fast includes its purpose and biblical basis, why or when to practice this fast, and a practical step-by-step guide as you prepare for it. Now included in the book are new stories from people who have found spiritual breakthroughs in fasting, study questions for individuals or groups, biblical references to fasting, a fasting glossary, and more. **Breakthrough Prayer** Guillermo Maldonado, 2018-10-02

Prayer is not a practice or a ritual. It is a place. A secret place in the Spirit. A place of divine encounters with our heavenly Father, where we express our love for Him and enter the dimensions of His glory and power. Where we welcome His presence, receive His revelation and guidance for our life, and are empowered to serve His purposes on earth while experiencing the outpouring of His grace through miracles, healings, deliverances, and salvations. With a scriptural foundation, the conviction of personal experience, and the evidence of many testimonies, Guillermo Maldonado passionately reveals how to enter this place in the Spirit so we, as the body of Christ, can become a house of prayer. Discover the joy of two-way communication with the Father. Learn not only to hear His voice but to listen and act on what He is saying to you. See how to build momentum in your prayer life, creating a spiritual atmosphere in which God moves powerfully on behalf of His people. Discover essential keys for

breakthrough and how to have all your prayers answered according to God's will and Word. There has never been a more vital time to find our place in prayer. We are in a period of increased opposition from the enemy as we draw closer to the day of Christ's return. This requires us to attain a higher level of spiritual power and authority which can only come through breakthrough prayer that ushers us into God's presence. Nothing else will prepare us to meet the challenges that are coming our way. Nothing else will prepare us for the second coming of Christ. Now is the time to be spiritually vigilant. Now is the time to watch and pray.

Experiencing Spiritual Breakthroughs Bruce Wilkinson, 2012-04-04 It happens in almost every part of life. We wear down, burn out, and lose hope. While nothing is fail-safe, there are things you can do to halt the downward slide in your family. This book gives dynamic biblical solutions to people who are asking, "Why don't I have passion in my spiritual life? Is it still possible to restore my marriage? Can I raise my children to be on fire for God? Where do I start?" Bruce Wilkinson shows how, in the midst of a society without morals, a passionate relationship with Jesus is possible, not just a mountaintop experience but an everyday vibrant relationship. This popular book is newly released with an updated cover.

Seven Steps to Heaven Joyce Keller, 2007-11-01 Say Good-bye One More Time. Have you ever experienced a breeze in a closed room? A brush on the cheek when no one is there? A whisper that sounds like the voice of someone who has passed away? Perhaps it is coincidence or perhaps it is the beginning of spirit communication. In *Seven Steps to Heaven*, noted psychic Joyce Keller clears up misconceptions about the afterlife and reveals the various ways in which those who have crossed over make contact with us. With clarity and compassion, she shares for the first time her successful Connection Technique that makes it possible for anyone to bridge the divide between the living and the dead. Developed over a period of twenty years, Keller's Connection Technique involves seven simple and safe tools: angels and spirit teachers, prayer and affirmations, meditation, dreams, a spirit space, sound, a labyrinth. *Seven Steps to Heaven* offers comfort and hope to everyone who has experienced the profound loneliness and sadness that comes with the death of a family member, a dear friend, or a pet.

Chasing Ghosts Marc Hartzman, 2021-09-28 A fantastic book. Ben Kissel, co-host of *Last Podcast on the Left*, takes a spirited tour through the supernatural history of America, from haunted sites and famous ghosts to the paranormal investigations of The Conjuring's real-life Ed and Lorraine Warren. Ghosts are everywhere, whether you believe in them or not. Every town has its local legends, and countless books, movies, and TV shows are haunted by their presence. But our obsession with ghosts runs deeper than we know and is embedded in the very fabric of American history. Writer and historian Marc Hartzman dons the mantle of tour guide, taking readers on a fascinating journey through supernatural history, including The Fox Sisters and the rise of Spiritualism; the supernatural obsessions of famous figures like Sir Arthur Conan Doyle; haunted sites like Eastern State Penitentiary in Philadelphia and LaLaurie House in New Orleans; famous ghosts like the Bell Witch of Tennessee; the Greenbrier Ghost of West Virginia; and Paranormal Investigators Ed and Lorraine Warren. Deeply researched and highly entertaining, with archival images and black and white illustrations, *Chasing Ghosts* will satisfy believers and skeptics alike. If

you care about ghosts this is the guide you've been waiting for Grady Hendrix New York Times bestselling author of *The Final Girl Support Group* *Operating in the Courts of Heaven (Revised and Expanded)* Robert Henderson, 2021-09-21 *Operating in the Courts of Heaven* has become an international bestseller that has supernaturally transformed lives all over the world It's not another prayer strategy it's a blueprint for engaging a spiritual dimension called the Courts of Heaven Robert Henderson Biblically teaches believers how to come before the Court and *30 Days to Experiencing Spiritual Breakthroughs* Bruce Wilkinson, 2011-04-27 This thirty day tool for spiritual growth presents practical articles written by some of the nation's best known Christian authors that show readers how to experience breakthroughs in their Christian lives marriages families and walks with God Their contributions a combination of helpful insights from the Bible and personal experience will revitalize anyone looking for life transforming change The book also serves as a resource guide for Dr Bruce Wilkinson's *Experiencing Spiritual Breakthroughs* based on the internationally renowned Three Chairs series Newly revised and updated **Down to Earth** Robert Brown, 2019-10-31 *Down to Earth* is a story about a group in the spirit world motivated to help mankind live good and purposeful lives who develop the technology to show people what spirit world is like with live interactive views We follow this group from the first break through to full stadiums streaming to a live television audience seeing heaven for the first time The Earth is introduced to the awe inspiring higher realms and also the dark ugly and hideous lower realms The outreach from heaven and the response creates a dramatic and heart inspiring story Forward by David and Takeko Hose Authors of *Every Day God* Edited by Joy Pople **2019 DELIVERANCE & TRANSFORMATION BIBLE PRAYER GUIDE** Hlompho Phamodi, 2018-11-21 Make 2019 your year of DELIVERANCE TRANSFORMATION with this 365 Daily Word Warfare Prayer Devotions Once a Week all Year Fasting with the Author Fasting and Prayer coach manual and Daily One year Bible reading **The Future of Christian Mission in India** Augustine Kanjamala SVD, 2014-08-21 Colonial missionaries both Catholic and Protestant arrived in India with the grandiose vision of converting the pagans because like St Peter Acts 4:12 and most of the church fathers they honestly believed that there is no salvation outside the church *extra ecclesiam nulla salus* At the end of the great Protestant century however Christians made up less than 3 percent of the population in India and the hope of the missionary was nearly shattered But if one looks at mission in India qualitatively rather than quantitatively one sees a number of positive outcomes Missionaries in India particularly Protestant missionaries espousing the social gospel in collaboration with a few British evangelical administrators dared to challenge numerous social evils and even began to eradicate them The scientific and liberal English education began to enlighten and transform the Indian mindset Converts belonging to the upper caste although small in number laid the foundation stone of Indian theology and an inculturated church using Indian genius The end of colonialism in India coincided with the painful death of colonial mission theology Now the power of the Word of God extricated from political power is slowly and peacefully gaining ground like the mustard seed of the parable A paradigm shift from the ecclesio centric mission

to missio Dei offers reason for further optimism In short the future of mission in India is as bright as the kingdom of God In today s new context theologians despite objections from some quarters are struggling to discover the Asian face of Jesus disfigured by the Greco Roman Church And the missionary is challenged to become a living Bible that undoubtedly everyone will read

Spiritual Initiation and the Breakthrough of Consciousness Joseph Chilton Pearce,2003-07-23 Explains the phenomenon of shaktipat the spiritual transmission of power from a teacher to a devotee Shows how technology has eroded personal power and how insight and awareness can play a higher role in our lives Reveals how insight is the vehicle for profound self transformation Shakti is the creative force the bonding power that holds the universe together Shaktipat is the moment when enlightenment is conferred upon a student instantaneously by his master s touch The guru conferring shaktipat creates a bond of power in those who have accepted him or her as their teacher In Spiritual Initiation and the Breakthrough of Consciousness Joseph Chilton Pearce describes his experience of shaktipat from his teacher Swami Muktananda From this awakening Pearce experiences a dramatic shift of mind and comes to the realization that perception is reality and that insight is our only vehicle for profound self transformation Oneness with God is the birthright of every individual though we are culturally vaccinated to resist experiencing this higher consciousness Our search for objective truth has lead us not to wholeness but instead to the belief that we have no bond to each other to God or to an inanimate physical world Our technology reduces our ability to experience revelation and leads us instead toward the chatter of confused thinking The challenge faced by modern humanity which is the challenge Muktananda gave to his students is to passionately gather up the scattered fragments of our lives and channel them into the creative realm where with insight or revelation we will be able to become more than ourselves

The Way To Be Free John Godolphin Bennett,2012-04-02 The central theme of this book is the difference between work from the mind and work from the essence Work from the mind produces skillful prisoners of illusion but prisoners all the same Work from the essence is the way to be free It is centered in the heart This book is compiled from conversations that took place between Bennett and his students and includes several sections from previously unpublished notes that were to be used in a definitive work on a complete system of Gurdjieff study It includes an essay on the Octave of Salvation written in the 1940s which shows Bennett s remarkable familiarity with the spiritual traditions of Buddhism Hinduism and Christianity and which is a significant treatise in its own right Bennett was a master of structural thinking but always remained closely in touch with the concrete detail of experience This 2006 edition has a new foreword by Anthony Blake and was compiled and edited by Anthony Blake
