Hubbard, 2002-07-11 As a biblical motif new creation resonates throughout the pages of the Jewish and Christian scriptures and occupies a central place in the apostle Paul's vision of the Christian life Yet the biblical and extra biblical occurrences of this theme vary widely in meaning referring to either a new cosmos a new community or a new individual Beginning with the Old Testament and working through the important texts of Second Temple Judaism Moyer V Hubbard focuses on how the motif functions in the argument strategy and literary structure of these documents highlighting its role as the solution to the perceived plight He then explores in detail which senses of the term Paul intends in Galatians 6:15 and 2 Corinthians 5:17
