Includes case studies and primary readings at the end of each section alongside comprehensive glossaries of key theologians, developments and terminology. Supported by additional resources available on publication at [www.wiley.com/go/mcgrath](http://www.wiley.com/go/mcgrath). The Holy Spirit and the Church Thomas Hughson, 2019-10-28. Advancing strong scholarly discussion on the Holy Spirit and the church in the context of the ecumenical movement, six theologians in five different churches offer new theological and pastoral insights into the work of the Holy Spirit in the churches of Christianity in ecumenism and in witness. With *The Church Towards a Common Vision*, World Council of Churches document serving as a common point of reference, a pastoral perspective is distinctive throughout. Relating theology to non-theological knowledge of the contemporary cultural context as well as application to pastoral practice, this book draws from and is applicable to clergy formation, preaching, lay discipleship, church-world relations, social mission, congregational life, grass roots, ecumenical cooperation and witness to Christ and the gospel by racial minorities.
