May,2009-03-31 Although secular psychology addressed a great deal about how we come to be the way we are and how we might live more efficiently it can offer nothing in terms of why we exist or how we should use our lives writes Gerald May in this classic discussion of the nature of contemporary spiritual guidance and its relationship to counseling and psychiatry For millions turning for answers to the world of the spirit May shows how psychiatry and spiritual direction are alike how they complement one another and how they ultimately diverge      **Body, Mind, Spirit** Charles T. Tart,1997 Addressing the split between practitioners of science and those of spirituality Charles Tart presents the considerations of well known researchers and authors such as William Roll Ramakrishna Rao Michael Grosso and Jeffrey Mishlove on such subjects as God life after death channeling and other dimensions A ground breaking work that may surprise many readers      *By His Word* Al 'Vojslav' Karanovich,2006 Something cannot be created from nothing unless absolute truth first exists with intelligence of infinite wisdom designing things for specific purposes in a physical reality *By His Word*      *Dawn of the Awakened Mind* John Sumpter King,1920      All Shades Between D.F. treatments in order to help minimize the current confusion There is a detailed treatment of the history of sciences both ancient and modern as it is required for understanding the present situation As examples the ancient treatments of Traditional Chinese medicine TCM for a few psychological disorders are provided in some depth There is also an extensive discussion on Evolution Theory Darwinism and Progressivism as the historical background that has lead to the current situation

**Discipleship** Anton Labuschagne,2023-03-28 Are you 100 percent convinced of the true heart of God who loves you unconditionally unmerited and undeserved Do you have a deep revelation of what the finished work of the cross means and how you can apply that every day to live a victorious life Do you have an intimate relationship with the most important person on earth the Holy Spirit Do you have a clear understanding of what kingdom life entails What does it mean to you that you are positioned in Christ What part do you believe you can play in effectively expanding this powerful kingdom we are a part off The lack of true discipleship undermines everything that we seek to accomplish as believers in this life Many Christians never commit to a growing relationship with the Lord and because of this become unfit to face the challenges in life This book will inspire every believer and give practical guidelines to help discover the significance of our authority and identity in Christ It brings dispensational understanding that allows every child of God to possess everything which Jesus paid for on the cross After all it makes you fall in love with God all over again

**Three Proofs for the Existence of God** Uchemadu Chée Kamanu,2020-12-24 Three Proofs for the Existence of God gives scientific historic and prophetic proofs for the existence of God If we do not think that a computer or even a bicycle could have come up by chance without a designer could we think that man who made the computer could have come up by chance without a designer Chance and design are mutually exclusive the disproof of the one is the proof of the other There is no third option In biogenesis genetics dendrochronology geophysics and thermodynamics evolution theory has been disproved experimentally and observationally By default therefore design has been proven Any attempt by evolutionists to experimentally disprove design or prove chance ends up proving design The one conducting the experiment is the designer of that experiment and the result is his design If the experiment is left to chance nothing happens With historic data from the Bible added up we show the year God created man and other things Acts and relationships between God and his creation show up in other chapters to remind us that the Creator God lives and wills One of these chapters Black History in Scripture disproves the saying that Christianity is the white man s religion We show that the scriptures were translated into three African languages for ten centuries before there was an English Bible among other facts Did Jesus not live in Israel and Africa only
