continuance of their religious values As the adopted son of Mose Michelle a hereditary Pend O Reille chief Verne Dusenberry moved easily within Indian circles as an accepted participant observer in many religious ceremonies His ethnographic study provides detailed descriptions of ceremonies the Shaking Tent Ghost Dance and Sun Dance which are seldom accurately described elsewhere

Mysticism Jess Hollenback, 1996-09-15 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new category of sources that more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic s interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic s experience as well Hollenback also explores the linkage between the mystic s practice of recollection and the onset of other unusual or supernatural manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience

The Prairie Provinces of Canada Henry J. Boam, 1914 *The Arapaho Sun Dance* George Amos Dorsey, 1903

Life with a Cosmos Clearance Daniel M. Salter, 2003-06-01 On May 9 2001 the Disclosure Project hosted a major event at the National Press Club in Washington D C This historic event had witness testimony from twenty to twenty five military intelligence government and corporate individuals involved with UFO projects over the past fifty years who presented their information before a worldwide group of media correspondents Those of us who were military witnesses of UFO history showed official government documentation with detailed testimony Our focus was and is on the facts and documents Our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry We who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial occupants We need to declassify the advanced electromagnetic propulsion systems in use by the secret government start producing them for the world to use and thereby help save this planet The people who had been employed in agencies within the military and knew the truth about UFOs were sworn to secrecy Now I am finally relieved to speak the truth We military men who hold on to this knowledge are getting old and dying and we want the truth to come out We will either do it ourselves or leave it for our children and wives to do Personally I have told those on Capitol Hill

that I am being led to do it by the aliens themselves They have convinced me that it is time They have been waiting on the government and if the government does not come forward with the truth then the aliens will take a more public role in disclosure
