Louis Massignon Dorothy C. Buck, 2017-06-01 The root of the word Badaliya in Arabic means to replace or exchange one thing for another The French scholar and spiritual seeker Louis Massignon 1883 1962 interpreted the word as a willingness to put oneself in the place of another to give one's own life for the sake of someone else This offering of himself for the well being of his Muslim brothers and sisters was the inspiration for Massignon's entire life In 1947 the renowned orientalist who had regained his Christian faith and identity while on a research expedition in Baghdad in present day Iraq established an international prayer association that he named the Badaliya and for which he remained the organizer until his death in 1962 The fifteen annual letters and ninety one monthly convocations of the Badaliya are as much invitations to prayer and a consecration of individual lives as they are a witness to the incarnational spirit active and alive in our contemporary world today These letters read like a diary that follows the events and conflicts of the time but also due to the genius of Massignon's mystical reading of history these precious documents reveal fifteen years of a singular spiritual adventure Framed by an introduction presenting the context and genesis of the prayer movement and completed with a description of the Badaliya today this book permits the reader to grasp the fruitfulness of the spirit of the Badaliya No other text has yet permitted us to so deeply penetrate the heart of the spirituality and the struggles of Louis Massignon who remains even today a master for our time

**The Role of Faith and Religious Diversity in Educational Practices** DeHart, Jason, 2023-08-25. The neglect of faith and religious diversity within educational practices poses a significant challenge in fostering inclusive learning environments. The current educational landscape often overlooks the profound impact of religion on individuals' identities and beliefs, leading to a lack of understanding and appreciation for diverse faith perspectives. This omission limits the potential for meaningful dialogue and hinders the development of equitable educational spaces. *The Role of Faith and Religious Diversity in Educational Practices*, edited by Jason DeHart, offers a compelling solution to address this critical issue. This transformative book explores the intersections between faith and educational practices, drawing on research-based narratives and studies to illuminate the implications of policy and practice through a faith-based lens. By embracing a broad definition of religion and faith, it fosters diverse perspectives and encourages critical reflection on the importance of religious diversity in education. Through practical insights and evidence-based guidance, this book empowers researchers and educators to create inclusive spaces for faith-related discussions and develop policies that honor and respect religious identities. By engaging with this book, scholars and educators can take tangible steps toward cultivating inclusive and enriching learning environments that value and celebrate the diverse religious perspectives of all students.
