Holy Spirit through whose Divine Omnipotence this inner revelation of the Son and the Father in the life and the likeness of the believer is to take place is not known or acknowledged in the Church as He should be In our preaching and in our practice He does not hold that place of prominence which He has in God s plan and in His promises While our creed on the Holy Spirit is orthodox and scriptural His presence and power in the life of believers in the ministry of the word in the witness of the Church to the world is not what the word promises or God s plan requires About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
