his adversaries and outwitting conspirators Mia is increasingly drawn to use her skills to achieve her personal interests which include a newfound love Separated then reunited the sibling s individual journeys diverge allowing the evil to fill the void between them Intent on reclaiming his sister and preserve innocent lives Cage must face the dark warrior in a realm where neither of them are fighting in their own bodies The question will be if you die when in another form is it forever

Spirit Warrior Peter Zindler,2006-05-18 Fortified with their overwhelming verbal support Megog dipped his muscled shoulder and shot forward Quickly I dodged to the right but he had anticipated my very move and crashed straight into my chest He had guessed my path of escape With a loud thud my back slammed the mat and my head bounced off the hard rubber surface Starbursts of pain rocketed through my brain like a meteor shower I lay there dazed unable to move The crowd jumped to their feet and cheered Megog had executed a brilliant combination move This society s love of violence in sport was particularly keen Pulling myself to my knees I couldn t breathe My eyes refused to focus and all I could see was a colorful kaleidoscope of fuzzy objects My head felt like it was in a hot steel vice that someone was tightening Again I gasped for air but none came I knew what would happen next and tried to raise my arms to defend myself but my body rebelled My brain couldn t activate my muscles Dear Jesus was all I could say before I fell to the mat in an unconscious heap
