The DNA of a Christian Soul
Asisat Lamina,2019-07-25 Have you ever questioned why Christianity is so hard at times or why those on the other side of the fence look like they re having so much more fun Have you ever wondered how much you could get away with and still go to heaven If so you ve come to the right place There s nothing to hide we all think like this at some point or another The DNA of a Christian Soul mirrors the poetic rhythms of the Psalms Its language will resonate with your soul transforming the holy of

holies into something digestible tangible and relatable and giving a voice to the often unspoken frustrations and bewilderments of the Christian life It articulates the thoughts you thought only you had allowing your mind to finally exhale as you realize that other Christians find this hard too It gives you the blessing to forgive yourself plus the tools to move on and unravel what is divine and unique about you It will challenge and excite you but above all else it will give you permission to be your God given self and to live the life Christ died to give you Endure and enjoy The Spirit-Led Heart Suzanne Eller,2018-05-01 New from Bestselling Proverbs 31 Author Suzanne Eller Without realizing it we ve gotten lost in our own little lives We ve settled for good enough and days that run together in an unmemorable blur We long for something to shake us up but we re exhausted by the thought of it too In her warm vulnerable style bestselling Proverbs 31 author Suzanne Eller shows how living and loving without limits has nothing to do with your own efforts and it has everything to do with God s Holy Spirit Unpacking the promises and teachings Jesus shared with the disciples about the Holy Spirit Suzanne shows how you can stop settling and start truly living When you learn to unwrap the gift of his presence you ll find the world changing foundation shaking soul stirring life of passion and purpose God is waiting to give you **Spirit-Led Evangelism** Ché Ahn,2008-05 Most Christians know they should share their faith in Jesus Christ with unbelievers but not everyone is on the same footing Some hardly know where to start Others move with confidence but want to explore areas of greater effectiveness In the body of Christ the call to evangelism is clear but the gifting is different Now available in trade paper Spirit Led Evangelism helps remove any barriers to answering that call With practical teaching and personal illustrations Ché Ahn explains the priority of evangelism and equips readers to move to higher levels of success With a special emphasis on power evangelism this book helps both hesitant and on fire Christians deepen their skills for following Christ into all the world *Paranormal Perspectives: Where the Spirit Led* Brad Burkholder,2025-06-24 In Where the Spirit Led author Brad Burkholder tells the story of five individuals including himself who were assembled and directed by the God oriented channeled spirit of Ramoth who taught them each of their past lives together at key junctures in history to perform several important spiritual tasks in the present to help prepare the way for a coming age Besides sharing the learning he had acquired during his readings with Ramoth Brad Burkholder makes a compelling connection involving Mary Magdalene King Arthur and Christianity as we know it today as well as aliens the nature of demons the overlooked mistake that has brought about a schism between science and religion and the author s life as a reincarnated poet **The God DNA.** Glenford G. Christie,2010-12 In the book THE GOD DNA The author affirms that the God DNA is not found in the molecules of man s cells but in the genetic composition of the new nature that produces the fruit of the Spirit It is through this DNA that our spiritual paternity bears witness with the Holy Spirit that we are the children of God our birth certificate therefore has the family name of God and as such we are entitled to all that is in the kingdom of God The book exposes us to godlike traits found in the efficiency of the blood Christ transmitted to us by the radical experience called regeneration God teaches us what is

Uncomfortable Brett McCracken,2017-09-15 Does your church make you uncomfortable It s easy to dream about the perfect church a church that sings just the right songs set to just the right music before the pastor preaches just the right sermon to a room filled with just the right mix of people who happen to agree with you on just about everything Chances are your church doesn t quite look like that But what if instead of searching for a church that makes us comfortable we learned to love our church even when it s challenging What if some of the discomfort that we often experience is actually good for us This book is a call to embrace the uncomfortable aspects of Christian community whether that means believing difficult truths pursuing difficult holiness or loving difficult people all for the sake of the gospel God s glory and our joy

Decoding Spacetime Eric Carlson, 2010-11-08 This is a book about science religion and being yours and mine The study of being is called Ontology Our culture is dominated by a naturalist ontology The question is does ontology include a supernatural component Or is that idea a relic of our primeval past sort of like appendix and adenoids parts that can be excised from the body of our belief system The author argues for the primacy of the transcendent supernatural ontology by means of two books the book of nature and the book of transcendency the Bible each containing its own portion of the evidence Mr Carlson argues for the following The universe represents a small portion of God s ontology a small reality devoted to redemption The signet of redemption is the number 7 its appearance within chronology is deliberate instructive and compelling The Creation Week account reflects a two fold metaphor 1 space time itself was created to support the redemptive act and 2 mankind s history will unfold in a series of seven ages later quantified as millennia The interval between Adam and Abraham literally filled one redemptive bi millennium but the catastrophic effects of 3 realities the Cainite civilization Noah and the break up of Pangaea contribute to the appearance of myth as viewed by the uniformitarian geologist for whom catastrophes appear invisible The 2nd bi millennium Abraham to Messiah was also fulfilled exactly in redemptive time The termination of our age is imminent and dependent upon the chronology of Israel mankind s chronograph A detailed chronology of the history of Israel is flavored

with the redemptive signet especially 70 yrs or 70 heptads of yrs By decoding Israel s history in redemptive time and employing the single concept of the favor of God the author derives a Biblical based proof that modern Israel is the same and identical state founded by Samuel in 1096 BC Three independent proofs of this foundational date are provided These proofs show that the Monarchy existed for exactly 511 yrs which period is exactly equal to 73 heptads Israel is an heptadic state The author concludes that the redemptive corollary to Israel s ontology is also proven we have actually entered the end times and the events associated with the last days will soon unfold Because the reality of Israel is visible to all it is apparent that the redemptive offer made to mankind is also real and visible such as that appearing in John 3 16 John 6 40 and Romans 10 9 13 There is much to learn about our world Start now Tomorrow may be too late **Being Transformed from Glory to Glory**
