Gilmore, 2007-02-05 A Z spirits Talking Demons guarantees the reader a better understanding of the origin of sin and evil and how it negatively affects the entire world For this Book I had to first envision an angel society of workers a quarrel or conflict taking place between God and Satan the war between good and evil spirits and Satan and his angels expulsion from heaven The Bible does not record Satan s words because the Bible is the word of God However knowing of the devil s hateful spirit I could only imagine the words of Satan After reading this book you will find that all of what he has to say is so familiar

**THE TRANSFERENCE OF SPIRITS** Samson Ajilore, 2015-12-19 The Bible speaks differently of the transference of spirits from the secular world It speaks of the transference of the anointing of the Holy Spirit from one person to another person or people This will result in the person or people to whom the spirit has been transferred walking in similar or even greater manifestation of the Spirit than the person from whom it was transferred We see this in Elisha who did twice as much miracles as his spiritual father Elijah after he received the mantle or transference of his twain spirit The Bible records that exactly twice as much miracles were done in the ministry of Elisha to that of Elijah Elijah s last miracle the parting of River Jordan was Elisha s first Consequently he took off from where his spiritual father had stopped and advanced further beyond him **Break That Curse! Get Rid of the Evil Spirits, Demons, and Ghost.** Crowell Ramsey, 2006-06 **Spirits and Letters** Thomas G. Kirsch, 2011 This work offers a substantial intervention into broader debates about religion media and materiality Strategic Weapons of our Warfare , **What the Bible Says about Speaking in Tongues** John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached

to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

**Demons and Spirits in Biblical Theology** John H. Walton, J. Harvey Walton, 2019-05-10 Some people believe that a battle of cosmic proportions is raging as Satan and his demons seek to destroy Christians and undermine God's plans Others believe that all talk of demons in the Bible and theology only reflects pre modern superstitions that should be re interpreted in philosophical and psychological terms Despite their contrasts both believe that the Bible directly or indirectly intends to teach readers about reality Another path is possible What if references to demons in the Bible are similar to references about the shape and structure of the cosmos representing the beliefs familiar to the ancient audience but used only as a framework for teaching about the plans and purposes of God This approach is here worked out through detailed examination of hermeneutical method the ancient Near Eastern and Greco Roman contexts each of the biblical terms and passages and the essentials of biblical and systematic theology Unlike many scholarly treatments of demons readers will not find an assessment of the metaphysical realities Instead they will be introduced to a hermeneutical exegetical and theological feast regarding what the Bible understood in its ancient context teaches

The Spirit World Clarence Larkin, 1921 In this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits The Bible has much to say about the Spirit World and if we will carefully search its pages we shall know all there is to be known in this life of the World to Come For if men will not listen to Moses and the Prophets they will not be persuaded though one rose or came back from the dead Luke 16:31

Foreword The Seven Spirits for the Local Churches Witness Lee, Today we need the intensified Spirit because of the degradation of the church When the book of Revelation was written the church had become degraded The Lord became the intensified Spirit because of the degradation of the church The history of the church tells us that even in the last part of the first century while the apostle John was still alive the church had degraded from the Spirit to religion The church had fallen from the living Spirit to dead religion It was in such a situation that the Lord wrote this book to the seven local churches using the title of the sevenfold Spirit Under the degradation of the church what we need is not religion or doctrines but the intensified Spirit

**To Hell and Back** Shawn J. Lyons, 2009-12-29 This is a story about a wager between an angel and a demon over the direction a man's life will take All of the stories in this book are based on true events that occurred in

the life of the author or in Biblical history There have been many testimonials written that describe the lifestyles that people have been delivered from but very few address the struggles that ordinary Christians face when they begin their walk with God Most people will struggle with the flesh and with wrong attitudes and will not know how to deal with the demons that will come to tempt discourage and oppress them I want people who read this book to be able to identify with some of the struggles faced by the characters and be encouraged that they are not alone in their own personal struggles Salvation is instant but holiness is a lifelong journey that requires constant maintenance checks I want to assure them that God loves them despite their shortcomings and still wants to use them to build His kingdom The purpose of this book is to entertain educate and equip I put the story into a fiction format to attract the average reader who is interested in God angels and demons but doesn't necessarily attend church services I tried to fill the stories with information about God and the benefits of being a Christian I want to make them aware of the demonic forces arrayed against them and teach them about the power that is available to them to combat these forces of darkness There are many scripture references and Biblical reenactments that should spark curiosity and provoke the reader to further bible study on their own For the serious Bible student there is a wealth of information from the Book of Enoch and the Testament of Solomon Although this is a work of fiction there was a lot of research done and the information found in this book can be used to help you make the right decisions in life to protect yourself from demonic entities and to have a more satisfying relationship with God and enjoy the benefits of being in covenant with Him

The Seven Spirits of God Paul A Lindberg, 2018-06-05 You know that God is one in three persons You also know that the third person God's Holy Spirit is one Spirit the Scriptures make that very clear But did you know that the Bible also speaks of the Seven Spirits of God Rev 1 4 3 1 4 5 5 6 Could this be an error in Scripture Or is it possible that God is bigger than we humans can comprehend and that breaking up the aspect of the Holy Spirit into seven functions could make it easier for us to get to know Him I believe that is exactly what God is doing because He really is too big for us yet He really does want us to know Him So for those of us who are hungry to get to know God better an in depth study of His Seven Spirits becomes a valuable help in our road to becoming sons of God and the bride of Christ
