Sargent writes In my academic and personal research I came upon the concept of the Guardian Angel a number of times over the years I was amazed to discover instructions on how to meet your Guardian Angel that were thousands of years old This changed my entire life I no longer had to look to others for spiritual authority or wisdom Then I discovered that every culture had within it the concept of a Guardian Angel or Guardian Spirit or Ally The idea transcends time and culture it is universal I felt that this secret should not be left hidden and obscure but should be dusted off simplified and offered to all Your Guardian Angel and You is a thoroughly intriguing read about the fascinating history of the Guardian Angel why you need one and how to prepare to meet yours In fact if a feeling of dread ever kept you from taking a turn down a certain road getting in a car or taking a certain flight you may already have met your Guardian Angel Once you establish nurture and expand your relationship with your Guardian Angel you can expect terrific things in return Ask specific questions and receive specific answers Define and refine your dreams Lean on the wisdom and insight of your Guardian Angel to give you a form of heaven on Earth right now where your dreams can be lived
