Moss,2016-04-12 A captivating narrative history that traces liquor beer and wine drinking in the American South including 40 cocktail recipes Ask almost anyone to name a uniquely Southern drink and bourbon and mint juleps perhaps moonshine are about the only beverages that come up But what about rye whiskey Madeira wine and fine imported Cognac

Or peach brandy applejack and lager beer At various times in the past these drinks were as likely to be found at the Southern bar as barrel aged bourbon and raw corn likker The image of genteel planters in white suits sipping mint juleps on the veranda is a myth that never was the true picture is far more complex and fascinating Southern Spirits is the first book to tell the full story of liquor beer and wine in the American South This story is deeply intertwined with the region from the period when British colonists found themselves stranded in a new world without their native beer to the 21st century when classic spirits and cocktails of the pre Prohibition South have come back into vogue Along the way the book challenges the stereotypes of Southern drinking culture including the ubiquity of bourbon and the geographic definition of the South itself and reveals how that culture has shaped the South and America as a whole *The Bartender's Ultimate Guide to Cocktails* Cheryl Charming, 2022-02-15 Fantastic Alcohol Facts Cocktail Culture and More A wealth of knowledge and experiences from virtually every corner of cocktail culture T A Breaux Author of Breaux Absinthe The Exquisite Elixir 1 Bestseller in Alcoholic Drinks Beverages Peruse the interesting histories and lore of alcohol as you fill your cocktail glass and sip a drink hand made by you using one of the many artisanal yet simple recipes inside Learn fun alcohol facts and tidbits you ll bring with you everywhere you go Learn concoct and be merry Are you brand new to alcohol and don t know where to start Are you more experienced but looking for something that gives context to the art of mixology Books with nothing but recipes get stale fast but this bartender bible is a cocktail codex combining all the facets of alcohol and classic cocktails recipes traditions stories and more so you ll always find something interesting within Step into yesteryear and peer at the history of classic cocktails through the lens of those who have created and loved mixed drinks throughout time Alcohol s culture is a storied saga full of lore anecdotes and experiences Author Cheryl Charming gathers information from almost every corner of the drinking world and brings it all together in one fun easy to read and informative love letter to the heritage of the drinks we all love today Inside The Bartender s Ultimate Guide to Cocktails you ll find Recipes for basic bar drinks and classic cocktails everyone should know like the Manhattan Advice from your favorite bartender on everything alcohol facts like what makes the perfect ice cube bar tool essentials and the best places to get specialty drinks or artisanal bitters Cultural anecdotes myths and stories about drinks their origins and their rise to popularity If you liked Liquid Intelligence The Drunken Botanist or Death Co you ll love The Bartender s Ultimate Guide to Cocktails *The United States of Cocktails* Brian Bartels, 2020-09-08 Bartels takes us on a fascinating bar crawl across the country explaining the history of America s cocktail and drinking culture along the way Wylie Dufresne chef and owner of Du s Donuts The United States of Cocktails is a celebration of the cocktail history of every state in America After traveling this great nation and sampling many of the drinks on offer cocktail authority Brian Bartels serves up a book that is equal parts recipe collection travelogue historical miscellany bartender s manual and guide to bar culture today with bar and drink recommendations that are sure to come in handy whether or not you are crossing state lines Delving into the colorful stories behind the creation of drinks we love this book includes more
