Walking by the Spirit George Macgiver,2016-02-14 Truth Is there such a thing Do newspapers print it Do televisions air it Is it preached from pulpits in churches Is the truth on Facebook can it be found on Twitter Can money buy you truth Will you find truth in love Is religion the truth Is it in music Is it displayed in any museums Does the mailman post it through your door Do your friends have it Do they teach you the truth at school Does it come from the point of a gun Can you dig it out of the ground Do dogs bark it at you Is it in the sky or in the oceans Does truth grow on trees Can you breathe it in Is it in your pocket Can you buy it at the supermarket Does truth come to you in dreams Is it in the palm of your hand Is it in your horoscope Will mystics reveal it to you Have the communists the truth Or the freemasons Do magicians magic it out of their hats Is it in politics Is it hiding under a rock Can you find it on other planets One thing is for sure when you find the truth you will know it Here it is

Walking Victoriously in the Power of the Spirit C. Matthew McMahon,2019-10-25 One of the more neglected theological topics over the past 500 years of church history is a practical theology of the Holy Spirit how the Holy Spirit works in your life as a believer every single second of every single minute of every single day in the grace of Christ Jesus There are some very good systematic theology books that deal in their respective chapters with the Holy Spirit as they cover the doctrine of God and there are even some very well written single volumes on the Spirit compiled in a systematic fashion by divines looking to give us a theological overview of the Spirit But there are relatively no books on the Holy Spirit that take a biblical and historic confessional approach and marry that with a theology of victoriously walking in the Spirit as it relates to the abundant life that Jesus Christ has promised to his church Jesus did not come merely to give life but to give believers abundant life in the Spirit Is this what you experience in your daily walk Every Christian desires spiritual victory in Christ and to walk victoriously in the Spirit as outlined by Scripture but how would you explain that daily reliance and how would you as a believer experience the fullness of the Spirit in your own course of life Well that is what this little volume is

about It is to arm you with the necessary biblical ideas surrounding a victorious and abundant life of walking in the Spirit day by day in order to please King Jesus and experience true happiness as Christ promises It covers what abundant life is who the Spirit is in Scripture as it relates to his work in a believer what it means to be baptized in the Spirit indwelt by the Spirit anointed by the Spirit illuminated by the Spirit filled by the Spirit empowered by the Spirit and led by the Spirit It also covers what it means to pray in the Spirit how to exemplify the fruit of the Spirit how to exercise your gifts in the Spirit and how to walk in the Spirit victoriously It concludes with a chapter on rejoicing in Christ in the Spirit which ought to be a culmination of this abundant life for you as a born again believer Christians should be walking in abundance in Christ right now through the work of the Spirit Are you

The Seven Spirits for the Local Churches Witness Lee, Today we need the intensified Spirit because of the degradation of the church When the book of Revelation was written the church had become degraded The Lord became the intensified Spirit because of the degradation of the church The history of the church tells us that even in the last part of the first century while the apostle John was still alive the church had degraded from the Spirit to religion The church had fallen from the living Spirit to dead religion It was in such a situation that the Lord wrote this book to the seven local churches using the title of the sevenfold Spirit Under the degradation of the church what we need is not religion or doctrines but the intensified Spirit

Metaphor, Morality, and the Spirit in Romans 8:1-17 William E. W. Robinson, 2016-11-04 Engage compelling arguments that challenge prominent positions in Pauline studies In this innovative book William E W Robinson takes the reader on a journey through Romans 8 1 17 using Conceptual Metaphor Theory and Conceptual Integration Theory Robinson delineates the underlying cognitive metaphors their structure their function what they mean and how Paul s audiences then and now are able to comprehend their meaning He examines each metaphor in the light of relevant aspects of the Greco Roman world and Paul s Jewish background Robinson contends that Paul portrays the Spirit as the principal agent in the religious ethical life of believers At the same time his analysis demonstrates that the conceptual metaphors in Romans 8 1 17 convey the integral role of believers in ethical conduct In the process he addresses thorny theological issues such as whether Spirit and flesh signal an internal battle within believers or two conflicting ways of life Finally Robinson shows how this study is relevant to related Pauline passages and challenges scholars to incorporate these methods into their own investigation of biblical texts Features Sustained argument that sheds new light on how Paul communicates with his audiences Substantial contribution to current debates about central theological concepts Conceptual Metaphor Theory and Conceptual Integration Theory applied to the metaphors in Romans 8 1 17
