The Miscellaneous Works of the Rev. Matthew Henry Matthew Henry, 1830 **The Religious Magazine; Or, Spirit of the Foreign Theological Journals and Reviews**, 1829 **The Wine and Spirit Bulletin**, 1916 Why Am I a Presbyterian? a Question for the Times Answered in a Lecture Donaldson Rose, 1872 *The Real Narrow Path into the Hidden Kingdom of God* Joseph Ho, 2015-08-28 This book was birthed as a result of seeing many sincere Christians falling into heresy myths and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit The contents of this book are not fictional They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches This book is dedicated to help those who want to move in the Spirit of God to be truly led by him and not by man made rules and teachings which have no power to manifest the presence of God in their walk The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living

The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit these are Numbers 33 33 Job 33 33 and Ezekiel 33 33 **Dawn of the End-Time Remnant** Riaan Engelbrecht, 2023-01-20 God is calling for a remnant that is completely and utterly set apart for His Kingdom This volume of work is a collection of prophetic understandings and insights as led by the Spirit of God It is designed to make us ponder consider and reflect on our walk with God For there is without a doubt an urgent cry from heaven for SEPARATION meaning we cannot continue looking behaving and acting like the world It says if something looks like a duck swims like a duck and quacks like a duck then it probably is a duck The test implies that a person can identify an unknown subject by observing that subject s habitual characteristics The problem these days is discerning whether someone is from the world or serving God On the one hand so many tend to behave like the world so based on their habitual characteristics you would say they are from the world But then something funny happens the duck is no longer quacking but making other strange noises known by some as praise worship and prayer So is this a duck a hybrid or something completely different In other words are we true followers of Christ or a hybrid product that serves God and the world *A Letter to the Editors of the Christian Herald, in answer to their Review of the Historical Sketches of the Scots Old Independent and Inghamite Churches, and the correspondence which led to their union. To which is added, the correspondence betwixt the Author and the Editors* James MACGAVIN, 1816 *A Personal Grief* N. E. Kurz, 2025-04-03 A Personal Grief Finding Faith Through Loss When a profound loss or tragedy of any kind enters into our lives it s not unusual for the event to knock us down in the totality of our body soul and spirit We ve suffered loss beyond what we feel capable of surviving A child s death for example is a major change in life which can cause some bereaved parents to re evaluate everything including their religious convictions Likewise after trauma of any kind whether it s a great personal tragedy of another sort or a natural disaster of some kind such as a hurricane in Florida or a tornado in Missouri or a raging wild fire in California whatever the event we re startled into realizing our profound need for stability and assistance in our lives And that s because sometimes we have to suffer great loss before we can wake up and respond with joy and gratitude to the good news of the incredible mercy grace and purpose for our lives of the One who made us This is the message to which N E Kurz turns in this book She notes that in our attempt to deal with our life after any great loss we ll actually need to dig into all facets of our existence We must persevere in all areas of our lives in order to regroup and to obtain complete healing We must take care of the earthly the physical and emotional part of our temporal being as well as strive for an understanding of the spiritual aspect the Ultimate Reality But how are we to do that We have to gain strength physically and emotionally to get on with what really matters our understanding of the spiritual part But where does that lead us Great loss in our lives may provoke either a strengthening of faith or conversely a crisis of faith Even persons who previously held strong religious convictions may sometimes find themselves struggling with religious concepts that do not seem to match up with the sorrows of life On the other hand for an agnostic person profound loss or crisis may result in a

search for or a confrontation of various areas of doubts and questions in order to clarify the meaning and the relevance of personal faith However in trying to make a search for spiritual truth of this sort individuals may run into an assortment of modern problems which loom as serious barriers to faith making it difficult for them to actually find truth Although a majority of men and women in our day struggle with tough questions such as these most Christians downplay the importance of religious questioning Thus seekers of truth are often reluctant to ask the awesome questions lurking just beneath the surface Understanding first hand the current deemphasis on religious questioning N E Kurz has published this work the first book of her Window of Opportunity Trilogy both to call attention to the seriousness of the situation and to provide a context to help those struggling with both the temporal and the spiritual aspects of recovery from loss The second book will be A Reasonable Faith Finding Belief Through Rational Evidence Forthcoming Spring 2025 And the third will be A Perilous Time Keeping Faith During Periods of Adversity Forthcoming Summer 2025 In part one of A Personal Grief the author shares the story of her daughter Karen s untimely death which awakened her to the realization of her need to search for objective truth But then miraculously the Lord helped her to find answers to her questions lead her to faith and call her to write Hence she discovered faith through loss But in part two of her book she shares vital material that can assist others in their confrontations with both the temporal and the spiritual aspects of their loss First the temporal by sharing with them about overcoming such things as shock emotional pain depression panic guilt anger health aspects life changes and so forth Then the spiritual by helping them in their search for answers and Ultimate Reality **Stone & Webster Journal** ,1923
