Spiritual Dance And Walk:

Spiritual Dance and Walk Samuel L. Lewis, Neil Douglas-Klotz, 1990-04-01 Introduction to Spiritual Dance and Walk, 1975 *Spiritual Dance and Walk* Samuel L. Lewis, 1983 **Sufism and Zen in the West** Saeko Yazaki, Michael Conway, 2025-02-20 Historically and culturally Sufism and Zen may not seem to have anything in common However in the West their spiritual messages are often perceived as strikingly similar In this book scholars analyse the ways in which Sufism and Zen were introduced to and developed in the West The collection shows that the popularity of these religions arose not because of the substantive shared elements within the two traditions but because their promoters in the West employed similar strategies to respond to the interests of a modern Western audience The first book to make a close comparison of Sufism and Zen this study is an important contribution to understanding Western religious life and processes of easternisation It sheds new light on how Sufism and Zen came to represent a spirituality that is both countercultural and in touch with modern sensitivities Sacred Woman, Sacred Dance Iris J. Stewart, 2000-08-01 Shows how dance the highest expression of spirituality in cultures and traditions all over the world is being integrated into the lives of women today The first book to explore women s spiritual expression women s ways through a study of dance Investigates how dance came to be excluded from worship and reveals how dance is once again being brought into spiritual practices Includes resources for further instruction in sacred dance Today we primarily think of dance as a form of entertainment or as a way to exercise or socialize There was a time however when dance was considered the way to commune with the divine a part of life s journey celebrating the seasons and rhythms of the year and the rhythms of our lives Dance is a language that reunites the body mind and soul While the role of women s sacred dance was most valued in goddess worshipping cultures where women served as priestesses and healers dance was once an integral part of religious ritual and ceremonial expression in cultures all over the world including Judaism and Christianity In this book the author investigates how dance came to be excluded from worship and reveals how dance is once again being integrated into spiritual practices Sacred Woman Sacred Dance is the first book to explore women s spiritual expression women s ways through a study of dance It describes sacred circles birth rituals ecstatic dances and dances of loss and grief in groups and individually that allow women to integrate the movements of faith healing and power into their daily life **The Encyclopedia of Cults, Sects, and New Religions** James R. Lewis, 2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of The Encyclopedia of Cults Sects and New Religions is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries

on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups
