Yourself Others and lives in Los Angeles      *Seeing From the Summit* Marty Guise, 2010-10-01 What if there were seven people who could walk you through steps to have an effective ministry through your church What if these seven people were all definitively instructed by God What if the directions had been written down in a clear manual for you to follow Would you be willing to read those instructions Seeing from the Summit presents seven biblical character models direct from the pages of Scripture to help you and your church leaders to understand a clear model for building effective ministry in God's Church Beginning with David and moving through Noah Joseph Ruth and others you will come to understand a systematic scriptural model to better understand the purpose of the church the calling of leaders and the need to seek God's direction Rather than presenting empty promises to build a church numerically Seeing from the Summit deals in concrete biblical and spiritual concepts that grow individuals together in unity and launch them from the church in missional activity      **Identity Crisis** Dr. Bobby M. Wagner, 2016-06-29 THIS IS THE BEST WAY TO EXPERIENCE ALL YOU WERE CREATED FOR In Identity Crisis you will find power and purpose by putting your faith in the One who can transform your identity Even in crisis He can do far beyond anything you can imagine What's the greatest crisis in our world today Dr Bobby Wagner contends it is our inability to believe in the power of God in our lives Is it possible to read the Bible and believe God does not work powerfully through His people Our miraculous identity in Christ has not ceased our faith in it has It seems we are losing our faith in our God given identity in the Bible in the church and in our world A dramatic transformation takes place when you believe in the power of the Gospel As our unbelief continues one more person misses the Good News As a result of the nearly 75 million Americans who have trusted Jesus Christ for salvation more than 70 million have never shared the Good News In a postmodern and post Christian culture in the midst of a crisis of unbelief the only way souls will be touched is if God's people become witnesses of the power of the Gospel      **Biblical Counsel** ,1993      *DISCIPLESHIP* Gary Beisheim, 2024-01-17 This book is a must read for every Christian desiring to deepen and strengthen their relationship with Jesus Christ The author provides a renewed insight for the church and for individuals into being and making disciples by going back to the historic roots of the word disciple i e what it meant in ancient times He also demonstrates what Jesus really meant when He said Go make disciples Mr Beisheim also shows how the word and concept have become distorted and watered down in all but a few churches in America In today's world it is just a concept or a course or a program using terms like mentoring or coaching you will find it is so much more The author does this by redefining what the word disciple and making disciples really means Then the author explains Jesus's only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not some concept that worked only in Jesus's day but one which works today in our world as illustrated and attested to by the author 2      **Improving your**
