Spiritual Light:

Spiritual Light Randy Delp, 2010-12-21 Randy Delp presents his spiritual light theory from the teachings of Jesus and from first century church literature that has been lost until recent archeological findings in the Middle East The theory suggests that all physical substances that presently exist came from God and was created through His spiritual light This spiritual light can be fully examined in the spiritual realm but without spiritual senses we do not have the capability to see hear taste touch or smell the essence of that light God is called the Father of Lights His kingdom is a kingdom of light His sons are children of light This book explores the creation and how it came into being It also pronounces how Gods kingdom of light can be manifested and demonstrated in the physical realm through our obedience to divine authority and our proper responses to lifes situations Finally Randy Delp explains how the culmination of time and the Messianic return will reinstitute a manifested spiritual light where once again we will experience the spiritual realm as Adam and Eve did at creation

Raising the Spiritual Light Quotient David K. Miller, 2011-04-25 The concept of raising the spiritual light quotient is similar to the intelligence quotient used in modern psychology the IQ test However the spiritual light quotient is not the same as intelligence Rather the SLQ reflects one s ability to understand spiritual concepts to meditate and to connect with other dimensions It also is a measurement of one s ability to understand the relationship between Earth and the environment of the Earth and Earth s relationship to the galaxy Finally it is a measurement of one s ability to understand the existence of other dimensions as well as the relationship between the ascended masters and guides and our journey to higher realms for soul evolution Thus it appears necessary to look at the SLQ of a person the SLQ of an area and the SLQ of a planet All of the channeling I bring forth is based on the concept of the Sacred Triangle which is a new paradigm for spirituality This paradigm states that in order to heal Earth and bring everything into balance one must unite the concepts of galactic spirituality with ancient mystical thought and with the energies of native peoples including Native Americans *Light on the Path to Spiritual Perfection - Additional Articles II* Ray del Sole, 2014-10-09 For the genuine spiritual seeker Collection of universal spiritual topics techniques questions answers in fifteen books derived from more than 20 years of spiritual practice Additional Articles II table of contents Character refinement Akasha meditation Special trance technique Perfection enlightenment About angels Maha Ganga Keys for success Karma Tamas Rajas Sattva Evil religions A mystical meditation Problems of nourishment And much more *The Apocalypse Explained According to the Spiritual Sense. Dr. Randy Delp,2017-03-31 Considered an expert about the Book of Enoch Dr Randy Delp has put together an analysis of this ancient book to explain why Jesus and the New Testament writers were not only influenced by the Book of Enoch they quoted its contents cited its texts and labeled it Scripture The teachings of Enoch have influenced every major monotheistic religion including Islam Judaism Christianity and Zoroastrianism and vestiges can be found in Hinduism and other ancient religions The footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled Enochs influence in astronomy history religion education and para psychology has forged how society thinks today It is significant to note that the prophet named Enoch who was born seven generations after Adam and Eve may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him

Accept earthly things as the weakest depiction of the heavenly St Macarius of Alexandria the Younger The Transfiguration of Jesus is an event reported in the New Testament when Jesus is transfigured and becomes radiant in glory upon a mountain The Synoptic Gospels Matthew 17 1 8 Mark 9 2 8 Luke 9 28 36 describe it and the Second Epistle of Peter also refers to it 2 Peter 1 16 18 It has also been hypothesized that the first chapter of the Gospel of John alludes to it John 1 14 In these accounts Jesus and three of his apostles Peter James and John go to a mountain the Mount of Transfiguration to pray On the mountain Jesus begins to shine with bright rays of light Then the prophets Moses and Elijah appear next to him and he speaks with them Jesus is then called Son by a voice in the sky assumed to be God the Father as in the Baptism of Jesus

Significance The transfiguration is one of

the miracles of Jesus in the Gospels This miracle is unique among others that appear in the canonical gospels in that the miracle happens to Jesus himself Thomas Aquinas considered the transfiguration the greatest miracle in that it complemented baptism and showed the perfection of life in Heaven The transfiguration is one of the five major milestones in the gospel narrative of the life of Jesus the others being baptism crucifixion resurrection and ascension In Christian teachings the transfiguration is a pivotal moment and the setting on the mountain is presented as the point where human nature meets God the meeting place of the temporal and the eternal with Jesus himself as the connecting point acting as the bridge between heaven and earth Moreover Christians consider the transfiguration to fulfill an Old Testament messianic prophecy that Elijah would return again after his ascension Malachi 4 5 6 Gardner 2015 p 218 states The very last of the writing prophets Malachi promised a return of Elijah to hold out hope for repentance before judgment Mal 4 5 6 Elijah himself would reappear in the Transfiguration There he would appear alongside Moses as a representative of all the prophets who looked forward to the coming of the Messiah Matt 17 2 9 Mark 9 2 10 Luke 9 28 36 Christ s redemptive sacrifice was the purpose for which Elijah had ministered while on earth And it was the goal about which Elijah spoke to Jesus in the Transfiguration
