Spiritual Recovery:

Spiritual Recovery Gabriel Barnes, AI, 2025-03-12 Spiritual Recovery offers a unique path to addiction recovery by integrating spiritual practices like mindfulness and meditation. The book emphasizes that fostering connection, cultivating self-awareness, and achieving emotional regulation are vital for lasting sobriety. It explores how addressing the spiritual void often associated with addiction can provide a profound sense of meaning and purpose. The book distinguishes itself by providing a practical, non-denominational approach to spirituality, focusing on universal principles like compassion rather than specific religious beliefs. Interestingly, the book highlights the historical role of spirituality in recovery, referencing early movements like Alcoholics Anonymous. Scientific research supporting the benefits of meditation for managing cravings and improving mental well-being are also considered. The book progresses by first introducing core principles, then exploring how to integrate these practices into daily life with practical exercises. Subsequent chapters tackle specific challenges like managing triggers and building supportive relationships, all within a spiritually informed framework for building a long-term recovery plan.

Twenty-Eight Days to Spiritual Recovery Tyler Walton, 2020-07-07 In today's self-help, personal growth, inner healing culture, it has been found that there are innumerable programs available to suit almost every need. Recovery programs abound with everything from recovering from drug and alcohol abuse, addiction to gambling, issues, sex issues, eating disorders, anger issues, you name it. The list is extensive with a program for everyone. It's great if you want to look good on the outside, but what about your inner self? Your spiritual life is often neglected, even rejected by some as irrelevant. What if it was the key to unlocking a whole new you? What if true and lasting peace, real inner spiritual peace, was only a few days away? Would you want it enough to go for it? To change the way you view life and life's problems? If you answered yes to any of the last three questions and want to unlock the secret to what many successful people have employed in their lives, whether consciously or not, then the key is found within the pages of this book. Author Tyler Walton has tapped into his decades of extensive life experience and education to offer hope to seemingly hopeless situations. It all starts with you, or rather, within you. You have the power to tap into a wealth of spiritual blessing that is waiting for you. The question is, will you?

The Road to Spiritual Recovery Adriane Kross, 2021-03-17 We often encounter trials beyond our own understanding. Mary provided an insight of her encounter that went beyond all she could imagine. Her spiritual battle was amongst many by the leader of one who only knew her for two days, lasting fourteen years.

The Highlights of William James Towards Spiritual Recovery from Addictions Taken from the Varieties of Religious Experience Jim G., 2011-04 The Varieties of Religious Experience is the most profound series of lectures to inspire the founding fathers of what is commonly known as the 12 program towards spiritual recovery from alcohol and drugs, to include eating disorders and gambling. The highlights of the James Lectures are the key references extracted and compiled by Jim G. to assist the recovering addict towards identifying a higher power that is personal to his or her own understanding.

Added to the highlights Jim G gives a more contemporary narration with updated references and a comparison to the steps of recovery and other religious and philosophical schools of reality. It also points out the personal nature of mysticism to include prayer and meditation. Included is Jim's personal theory of how our life needs to be changed from a narcissistic self arrogance to the altruistic sacrifice in helping others achieve eternal happiness. In so doing God's personal grace changes our fear and anxiety into the peace of serenity whereby the tear drops leave our eyes and we can live the remainder of our journey with acceptance towards heaven on earth.

Every year dedicated Christian people leave churches because of spiritual abuse. The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike. Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue. This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony. Their spiritual journey shows how one may grow through this devastating experience. This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it.
