

The background of the entire cover is a photograph of a sunset or sunrise over a calm body of water. In the foreground, there are numerous white, irregular ice floes scattered across the water's surface. The sun is a bright, glowing orb on the horizon, casting a long, shimmering reflection across the water. The sky is a gradient of colors, from deep purple at the top to soft orange and yellow near the horizon. The overall mood is peaceful and contemplative.

**Journey into God** Mark G. Boyer, 2022-01-28 This is a book about spirituality more specifically the spiritual journey Before beginning any journey or trip spiritual or otherwise we experience a state of order Then comes the call to journey to travel to take a trip to walk to pilgrimage to hit the road etc The call to begin a journey may come from an urge within us it may be an invitation from a spouse or a friend to fly somewhere it may be as simple as taking the dog for a walk in the neighborhood even taking different streets The call disrupts our ordered lives We prepare for our excursion We enter into the stage of chaos when we take the journey also we enter into the process of transformation By the time we get home we will be transformed These are the steps of the spiritual journey into God order hearing the call to journey answering the call with preparation entering the chaos of the journey and being and coming home transformed Ninety seven reflections are presented in this book in seven chapters devoted to journey road path route highway gateway walk way and more

experience to draw readers into spiritual reflection on the Christian's sacred story exploring the redemptive possibilities of the Christmas season. Chuck writes in the Introduction: It is my hope that amid all the glitter, glamour, gladness and grief of the Christmas season you will find some shimmers of light in these spiritual reflections that will enlarge your vision of God's kingdom, expand your love for all persons and evoke your creative participation with God's project to heal and transform our world.

Spiritual Reflections for the Saint and Sinner Octavius Winslow, 2020-04-03

Shadows and Realities constitute the great contrast between earth and heaven, time and eternity. What shadows we are and what shadows we pursue was an exclamation once uttered upon the floor of the British Senate by Burke, one of England's most eloquent statesmen, not less true than solemn and sublime. But the revelations of the Bible have come to displace these human, these earthly shadows with divine and heavenly REALITIES. The Bible is true; eternity is real. We have not followed cunningly devised fables in yielding our unquestioning belief to the great and precious truths of the Gospel. Experience has proved them real; has demonstrated them divine. We have tried the world and it has wounded us; the creature and it has disappointed us; the teaching of men and it has bewildered us; our own hearts and they have proved deceitful above all things and desperately wicked. We turn to the glorious Gospel of the blessed God and we find it through the anointing of the Holy Spirit: light in darkness, joy in sorrow, counsel in perplexity, strength in weakness and hope in despair. It tells us of Jesus, the loving One, the mighty One, the sympathizing One, the faithful One, the saving One, and concentrating our whole soul in childlike faith upon Him, we prove the Gospel divine. God's Word, true, all it threatens and all it promises, REAL. The following pages will, we trust in a humble way, lead the reader into a closer acquaintance with a few of these Divine Realities. With them many who take up this volume may be already familiar. Those who have welcomed them before as they have eagerly looked for a word of counsel and comfort at the opening of a new year may not regret to meet them again in another and more permanent form. To those to whom they will be new, this will explain the particular and appropriate bearing of each chapter upon this reflective and impressive period of time. But believing that they contain instructive and saving, sanctifying and consolatory truths suitable for the history of every day life and that they have already had the seal of the Divine blessing, the author commends them with confidence in their enlarged form to the prayerful perusal of the Christian Church and to the continued favor of the Triune God.

**Journey of a Coptic Christian Brain Surgeon: Views and Reflections** Ramsis F. Ghaly MD, 2018-11-09

Deeper and deeper as the human spirit roams with fascination unto Divinity. Never enough roaming. This is my eleventh book of Christianity and the human brain. As a neurosurgeon for thirty years, I have found unlimited bonds between the Christian Divinity and the human brain. My neurosurgical humanity eagerly desires to explore Divinity. Since my childhood goes back decades and is deeply rooted, I meditate with my Christian brain searching for common understanding of spirituality in humanity. It is hard to describe this through each book and I find myself seeking more Divine clarifications. My meditation is achieved through reading the Holy Bible with my neurosurgical human brain. I try to peel my deep thoughts layer by layer as

if I am dissecting the human brain in neurosurgery in actual life The book touches on many timely aspects of our human life with personal spiritual views and poems The book consists of Twelve major Sections and each section ranges from 8 to 23 chapters with total of 137 chapters The main sections include My Christian Dreams in Neurosurgery Monasticism in My Life Mothers and Children Angels Living Human Brains and Spirituality Jesus Love The Persecuted Christ and Christ Followers Royalty and Heavens with Jesus Last Hours in humanity Spiritual Reflections Views and Poems Law and the Spirit Sacred Medicine and Patients Testimonials As a Coptic Christian from Egypt I was raised in keeping up with strong Christian Orthodox practice in daily living Perhaps the strength of the book is incorporating Jesus the Almighty God in everything I do not only in daily living but also with my patients in Neurosurgery practice There is a dire need of such a book especially in an era where Christianity continued to be persecuted worldwide and denied in a daily basis as evidenced through public restraining of Lord Jesus Christ in our daily life The human brain and Neurosurgery are in Jesus God as Christ the Lord is in human brain and Neurosurgery I hope for the reader to find spiritual use of the book and a closer relationship to our Holy Trinity God the Father the Son and the Holy Spirit

**I Can Enter Your Life if You Let Me** Robert Raymund, While attending and presenting a religious couples weekend I took some time to write a letter to my spouse While writing that letter I suddenly wrote the words I can enter your life if you let me in the notebook I was using I was surprised and deeply shaken as soon as I wrote them because I knew they were not a part of my letter to my spouse but were words that God was communicating directly to me At the same time I felt an overwhelming feeling of peacefulness as I had never experienced before When we returned home I was able to continue writing reflections of a spiritual nature anytime I quieted myself prayed picked up a notebook took pen in hand and started to write When I would write it seemed that the words would flow out at about five times the speed I would usually write I did not have to even think about what came out of my mind The words just flowed out At a later date I clearly heard the words spoken to me You will write a book and it will be read by many The writings within this book are a result of these efforts over the next several years I believe this is from God because when you encounter a deep sense of peacefulness you just know it is bestowed from above and not of this world My hope is that these writings will be well received by many and that its inspirations will create many positive benefits This book contains 103 short inspirational reflections prayers and communications from God Each reflection is written either from the perspective of God speaking to you or you speaking to God They have the goal of drawing you deeper into prayer and into a personal conversation with our glorious God The reflections cover the following general topics prayer trust faith hope love blessings guidance giving change wisdom protection suffering peace surrender comfort Here is a sample of the first reflection in this book THE LAND OF THE LORD Your difficulties will pass Your troubles will vanish Your confusion will diminish Your hope will grow Your heart will be filled with holiness as you place your life into My hands Do not let fears prevent your surrender Do not let anxiousness distract you from Me Do not let selfishness mislead you I AM the goal you search for and desire I AM the force you crave and seek I AM the ending you wish for Let yourself go and surrender your life to Me Push aside what restricts and misguides you and join Me Let Me lift you into the zones of My lands My house awaits your entry My servants have prepared your room Your name has been listed with those from other times Your place with Me awaits you Let your expectations be lifted and trust in My Word as you belong to My land Look forward to this event and live each day knowing your place with Me awaits you
