Spiritual Robinsonades Of Literature The The Spirituality Of Aloneness And Brokenness:

The Spiritual Robinsonades of Literature Quentin Skrabec, 2005-02 In the world of the 1700s great novels played the role of self help moral and religious books That role while overlooked is still important today The Robinsonade is a classical plot outline which began with the novel Robinson Crusoe The Robinsonade is a spiritual metaphor for the spiritual journey of brokenness and aloneness The classical plot device is deeply rooted in the spirituality of the parables In particular we see the parable of the prodigal son and Christ s own experience in the desert as the spiritual basis for these great classics Furthermore these classical tales support the very principles found in our great social programs such as Alcoholics Anonymous and twelve step groups This book offers a new look than that of the classics It opens new spiritual insights and resources for the reader Writers such as St Augustine and C S Lewis have supported this potential of the classics to offer aid and perspective to our lives The classics offer comfort for our brokenness and aloneness Working in tandem with our faith we can strengthen hope through the classics In our brokenness and aloneness we are offered the weakness that St Paul said could be converted into strength The classics acknowledge the great attraction of this condition It is in journeys of many and the searching The classics were written by men of faith and spirituality which may explain why they have fallen out of favor in today s society Still there is a revival under way as people are going back to these old tales *A Spirituality for Brokenness* Terry Taylor, 2012-04-12 A gentle clear guide to finding hope and help in troubled days When you begin to understand what brokenness means you will be armed with information that empowers you to take the steps that can turn your leaden feelings into opportunities for health and happiness When you can accept and perhaps even celebrate your brokenness you can cease your endless search for healing and get on with your life scars and all from Chapter 1 We each have broken areas of our lives Whether from things that happen to us or as consequences of our own choices there are times and situations where our very souls feel fractured With wisdom and profound personal experience Terry Taylor guides you through a compassionate yet highly practical process of facing accepting and finally integrating your brokenness into your life a process that can ultimately bring mending He offers a clear eyed kindhearted method based on teachings and practices from many religious traditions including Ancient Christian practice of Lectio Divina to face our brokenness Tibetan practice of tonglen to generate compassion for ourselves Jewish tradition of Sabbath keeping to give us the space we need to mend Muslim practice of hajj pilgrimage to bring the journey full circle No matter your faith tradition you will find lovingkindness and wise counsel in this useful step by step guide to transforming these moments of supreme vulnerability into opportunities for reflection and spiritual growth Alone But Not Lonely Donna E. Schaper, 1999 Here is a series of meditations that help us confront the causes of our loneliness and journey with us to a point of solitude It defines and differentiates loneliness and solitude and shows how solitude can refresh renew and reconnect us to our real lives and to God The Restless Heart Ronald Rolheiser, 2006-10-17 A thoughtful exploration of loneliness in the tradition of Henri Nouwen s classic Reaching Out

Loneliness may be more pervasive now than at any other time in human history. Cell phones and instant messaging notwithstanding, our longing for meaningful connections seems to increase in direct proportion to our accessibility. In *The Restless Heart*, Ronald Rolheiser identifies different types of loneliness and discusses the dangers and opportunities they represent in our lives. Using contemporary parables from literature, film, and his own life, he shows that loneliness can be a tremendously creative and even valuable force when it is recognized, accepted, and used as a dynamic catalyst. With his trademark clarity of vision, honesty, and intelligence, Rolheiser offers a distinctively Christian approach to living an examined, involved life and presents suggestions that will free readers to discover greater meaning and fulfillment in their own lives.

The Power of Loneliness Cyndee Hughley, 2009-06. This book is for everyone who has the capability to read, young and old. Each one of us was created by God, who has meticulously established a plan and purpose for our life. As you learn what you read through these pages, then apply them to your life; you will position yourself to be in the right place to begin receiving the abundance that is already stored for you in the archives of heaven. Ephesians 1:3. The timing is up to you in receiving your abundance, not God, because He has made it available from the beginning. Your receiving time is way different than God's availability time. The knowledge gained when applied will trigger your heavenly archives to be released. Remember, God will hasten to perform His Word where He sees it in action. Jeremiah 1:12. Knowledge is powerful. The book tells you to mix this with wisdom; once you ask of God, then you will be unstoppable by the enemy. It tells you to stop telling God what you want to be when you grow up, but begin to seek after Him for what He made you to become while you were in your mother's womb. Instead of saying, "What do you want to be when you become an adult?" Say, "What has God called you to become when you become an adult?" Your perspective on life will totally change. *Transforming Loneliness* Ruth Graham, Cindy Lambert, 2021. Bestselling author brings hope and help to those struggling with loneliness, sharing effective strategies for overcoming and embracing solitude as a pathway to a closer relationship with God, as well as a way to make meaningful connections with others.

The Path out of Loneliness Dr. Mark Mayfield, 2021-09-07. Loneliness has reached epidemic proportions. We have lost the art of connection and relationship, and it's killing us. Odds are good that you have a loved one or friend whose struggle with addiction, mental illness, suicidal thoughts, or self-injury stems from loneliness. Maybe it's you. Perhaps you're feeling depressed or anxious, struggling with compulsive behavior, or simply questioning whether you are truly seen, loved, and valued. The culprit could well be that you're lonely. Dr. Mark Mayfield understands the crisis well, as it led to him nearly taking his own life as a teen. As a board-certified counselor, he has built a reputable counseling practice on the forefront of brain science and attachment therapies, dedicating his life to helping adults and adolescents confront their feelings of isolation and alienation. He is relied upon by new and experienced counselors for training, and he has become an anchor and guide for community leaders, educators, and faith leaders. When you read and apply the practices in *The Path out of Loneliness*, you'll develop habits that move you from isolation to connection. You'll learn the importance of attachment, the

art of connection the power of relationships the priority of personal responsibility the gift of vulnerability and the vision of God who knew from the beginning that it s not good for us to be abandoned to ourselves This book will guide you the people you love and the community you live in toward a richer fuller healthier life **Finding Your Way through Loneliness** Elisabeth Elliot,2021-03-16 Beloved author Elisabeth Elliot gives hope to the lonely through tender reflections on God s love for us and his plans to bless us Broken Pieces Ardary Taylor,2012-12-19 This is the plight of one womans struggles in an unfair fight to move from brokenness to restoration and to break free from Satans trap of darkness and move into the Lords marvelous light Darkness is a reality and a broken life is real many people refuse to believe that brokenness could happen to them because it carries the label of dysfunction Satan rules the darkness and everything thats attached to it including your denial and brokenness The longer it takes for you to admit where you are and that you need help the longer it will take for the Lord to rescue you Be true to yourself even if you are not true to anyone else If you find yourself in a dark place you are being driven by Satan if you dont take immediate action he will lure you deeper and deeper into his pit where all entries are locked and you no longer have the freedom to walk out Satan has his way in darkness he slaps you around and gives you ridiculous orders Even though you realize that by carrying them out you will hurt yourself and others you carry them out anyway with perfection This book offers spiritual insight and solutions to breaking free from a self inflicted past that captured your attention and gave Satan the opportunity to attack you like a lion attacks his prey **Spirituality for the Solitary** Mark G. Boyer,2023-06-15 This is a book about spirituality for the solitary those people who live alone In the past they were known as hermits eremites and anchorites today they are known as pioneers mountain men and women widows widowers and people who choose to live alone in the country or in the city They spend their days like other ordinary people taking care of daily chores but also spending some time in prayer and meditation The solitary life is alive and well and it appears in all world religions The solitary seeks solitude for prayer meditation self awareness and personal development Living alone in a house or apartment begins to transform one s life a person sets off on the path of purpose the path of integrity the path of transcendence that lifts his or her heart mind and spirit to the divine presence God who transforms more and more as the solitary dives deeper and deeper This book provides an in depth exploration of spirituality for the solitary along with eight part exercises designed to further enhance solitary spirituality Included are prayers psalms in contemporary English and celebrations using natural things such as water oil and fire **Loneliness and Spiritual Growth** Samuel M. Natale,1986 Loneliness and spiritual growth is an absorbing book showing how loneliness can directly lead to deeper personal and spiritual growth This illuminating volume examines the principle forms of loneliness and also eight major theories on the nature and structure of loneliness It gives specific concrete techniques to help persons use their own loneliness to improve the quality and power of their spiritual lives *The Loneliness Factor* Ronald Rolheiser,1979 The Other Side of Loneliness: A Spiritual Journey Ned O'Gorman,2011 Every once in a while out of nowhere a very special person

appears with the courage and conviction to change the destiny of others Such a person is Ned O Gorman Wandering in Harlem one day Ned saw an abandoned storefront and there he met his calling and future he would start a tuition free school for the underprivileged

The Power of Solitude Annemarie S. Kidder,2006 Loneliness creates major suffering in today s societies This book looks at the promising sides of being alone The author is well versed in the Christian tradition and able to integrate ancient beliefs with modern insights and practical advice

Never Alone Sayif Sanyika,2016-07-20 Broken Open Elizabeth Lesser,2004 Presents spiritual advice on dealing with change loss fear and risk taking with true stories about ordinary people and excerpts from the writings of various spiritual teachers
