withering of that American dream which is gradually replaced by a living nightmare The author shares a step by step outline of the terrifying events that left her paralyzed with fear Through her sometimes wavering faith she manages to summon enough spiritual strength to survive the initial mental emotional and physical onslaught Only after recognizing a meaningful purpose for her life did she experience a resurrection of life She writes of finding a true purpose in life and of hope for stemming the tide of moral decline in America Our reasonable service, spiritual thoughts, selected and arranged by J.H.
