Spiritual Timing Roberts Liardon,1996-05 Learn the secrets to receiving the blessings God is holding for you today and how to discern your role in the next move of the Holy Spirit Spiritual Timing Roberts Liardon,1990 Charisma and Christian Life ,1991 **Spiritual Timing** Roberts Liardon,1990-01-01 Learn the secrets to receiving the blessings God is holding for you today and how to discern your role in the next move of the Holy Spirit Forthcoming Books Rose Army,1997 **Understanding Times And Seasons In God's Calendar** Apostle Frequency Revelator,2019-11-16 Have you ever wondered why a multitude of people claim to have prayed fasted and done everything they know best yet their situations and circumstances haven't changed Have you ever given yourself a moment to think about dozens of believers who are entangled in a morass of debilitating poverty lack and limitation yet they claim to believe God Have you ever wondered why some people have even gone to the extent of being discouraged in their Christian walk because their prayers were not answered Have you ever wondered why certain things are taking so long to materialise in your life The answer to all the above scenarios is not in lack of power wisdom or prayer but it is simply an issue of lack of understanding of times and seasons in God In this publication Apostle Frequency Revelator cracks the mystery code and unveils the divine truth that many of God's people pray fast cry sow seeds confess scriptures and still experience frustration in their finances health jobs marriages and businesses because of lack of God's timing Many believers are agonised like this because they haven't learnt how to properly and correctly discern the times and seasons Some go to the extent of rushing ahead of their season without discerning their timing hence that they end up defeated depleted weary and distressed Demystifying the common myths of God's timing Apostle Frequency Revelator reveals that the most vital and crucial matters that you must prioritise in the kingdom of God is how to understand times and seasons in God's calendar Understanding times and seasons as expounded in this book will help you get prophetic direction and also prevent you from making wrong turns and unwise decisions in your life If you understand the season you will know if it is the right time for you to make a move on a particular matter or not If you understand the times and seasons of God you will be rightly positioned in the spirit realm and attuned to the frequency of God such that you will know when it's the right time for you to move to another city or switch to a new job or start a church Because you are attuned to the spirit realm and aligned to God's purpose you will see all the right doors opening for you and everything falling into place according to his plan Just like the sons of Issachar who had an acute understanding of the times and knew exactly what Israel ought to do at a time it is very important that you understand what season you are in order for you to enter into and fulfil your due season In this publication Apostle Frequency Revelator contends that just like there are natural seasons on the earth there are also spiritual seasons He therefore unveils the secrets of the rotational prophetic timeline of times and seasons which is a key to understanding where you are and how to number your days The apostle further explores the divine truth that time is not one of the characteristics of God He contends that God is not defined by

time because He lives functions and operates in the eternal realm that is outside our time dimension Time is not an absolute because it only exists when its parameters are defined by absolutes God set the earth in time while man was created from the eternal realm Although man lives on earth he doesn't operate according to earthly time because he was created in the eternal realm which falls outside the scope or domain of time hence man was never designed to function according to earthly time

Graham Jr., 2013-03-19 Navigating Your Seasons of Change takes us on a journey of self awareness that will help us better understand the season we are in and how to effectively navigate our way through it Donald Graham shares with the reader the benefits of patiently enduring their season and how impatience can frustrate the grace of God in their lives He provides insight into the many challenges that the Christian believer will face during their faith walk and uses his compelling testimony as a point of reference Donald stresses the importance of discerning the season you are in listening attentively for the message that God desires to convey to you and obeying the specific instructions for what lies ahead once the season is over

Discerning Your Spiritual Season Danielle Johnson, 2025-03-12 There are areas in our lives that God will like to bring

to our awareness so that we can be a powerful force in His kingdom If you are wondering why you are going through so much these six seasons will help bring everything into perspective If you apply these seasons to your life I promise you they will change your life in a way that you would never want to go back to your old way of thinking or living Winds of Change Barbi Clifton,2016-02-15 Contrarily all events are perfectly orchestrated by the Spirit of God to transform you into the highest realm of living in power blessing and abundance Recognize and embrace the transforming work of God in the winter season to purify the soul of sabotaging beliefs the spring season to plant the promises of prosperity the summer season to experience the presence of God the fall season to pour your life out in total abandonment Understanding the Winds of Change that occur over your life will help you align with what God is doing rather than becoming stagnant avoiding change or becoming addicted and not moving forward The Winds of Change in the seasons of God infuses us with faith while ridding us of fear as we enter into the journey of renewing our minds restoring our emotions purifying our hearts and living in the supernatural realm of the spirit **Discerning Life Transitions** Dwight H. Judy,2010-10-01 Every one of us will experience several major life changes over the course of adulthood Each of these transitions will be marked by external changes such as change of location career changes promotions or job losses plus changes in family circumstances including births marriage and death These transitions are also marked by inner change since most of us readily examine our faith life and relationship with God during such periods This book helps people examine both the outward and the inward dimensions of major life changes This blend of interior examination and attention to practical issues is shown in the questions that set the stage for the discernment process What theme or themes do you bring to this process of discernment What details would be necessary to know in order to discern an outcome What are the financial implications What are the implications for family members or others close to you What information do you need to start gathering *Times and Seasons* James Langston,2018-03-18 The basic argument for this book is that God has appointed fixed laws for the well being of man and has given him a consciousness of another life therefore it is to man s wisdom and happiness to obey these laws consoling himself with the fact of their immutability and benevolence Understanding your times and seasons will help prevent you from making a lot of mistakes in the future It will also help prevent you from making wrong turns and unwise decisions in your life Some people run ahead of their season not discerning the timing of a thing then they end up defeated depleted weary and sore distressed There is a set time and a set season for everything that the Lord has in store for you in life Look at Psalms 102 13 Ecclesiastes 3 1 17 Psalms 105 19 20 and also Galatians 4 1 2 **Discerning Your Season** Anya Miller Hall,2004 **Walk in Your Season** Anita Wamble,2016-11-11 Ecclesiastes 3 says there is a time and a season for everything and then lists those points in our lives when we experience the good and the bad Lifes ups and downs are all a part of and determined by the spiritual seasons in which we find ourselves In Walk in Your Season author Anita Wamble shares a scriptural based look at how these seasons affect our lives She discusses how we spiritually enter a new season spring journey through trials and
